Is it correct to use "their" instead of "his or her"? Is this sentence grammatically correct? Anyone who loves the English language should have a copy of this book in their bookcase. or should it be: Anyone who loves the English language should hav... grammaticality - "Anyone of" v/s "Anybody from" - English ... Oct 29, 2022 · The problem is confusing the pronoun anyone (stressed on the first syllable) with the phrase any one (stressed on one), meaning 'choose one'. That's the sense that's grammatical in the first sentence, but it's not the same meaning as anybody, which is negative polarity like anyone (but not any one). That's the problem with written English -- it doesn't represent the sounds and the intonation. **word choice - Is there a subtle difference between "somebody" ...** Feb 27, 2012 · Are there any subtle differences between "somebody" and "someone", or can they be used completely interchangeably? Similarly, can you imagine a situation in which you would prefer "anybody" to "any... **"Has anyone run into the same problem" or "Does anyone run ...** Feb 7, 2012 · However, with has anyone run into the same problem? you would be asking if someone has already (at least once, but in the past) run with the same problem, and would definitely make sense because it is compatible with the simple past used in ... **Use "have" or "has" any/anyone/anything in the question?** Anyone and anything are pronouns taking singular agreement. Any (in the sense under discussion) is a determiner used to reference singular, plural and mass nouns: Has any pupil managed to solve this? // Is there any rice left? // Have any birds landed yet? **grammar - If you or somebody you know ... are/is ...? - English ...** @JasonM That's a good point; the last half of that sentence was supposed to be an arbitrary example, but I guess it came out with a professional tone. If I were looking for somebody to contact me personally for something unrelated to business, e.g. "If you or anybody you know is good at making curtains, please let me know because I need new curtains," would you still be of the same opinion? *Anyone: ("they" or "he/she") why is it sometimes plural?* Anyone can learn to dance if he or she wants to. Resources online tell me that anyone is a singular indefinite pronoun. Then why is it sometimes acceptable to use the plural 'they' with 'anyone' in some cases? Does it substitute and replace 'he/she'? note: this previous posts also says anyone is [singular]: "Anyone has" or "anyone have" seen them? What's wrong with my use of "anyone" and "their" in this sentence? Oct 27, 2014 · The combination of anyone and their sounds sloppy (not trying to be condescending but objective here). Rather rewrite the sentence as "Because of how the program works, a person interested in using it needs only to have it installed on their machine. **meaning - What is the difference between "anyone" and ...** What is the

difference between "anyone" and "everyone" in the following context? For example, Anyone is welcome to do such and such. and Everyone is welcome to do such and such. mean exactly the **Why do people say "over-" and "underwhelmed" but never just ...** If whelm is "to overcome utterly," then why is it you never hear anyone say, "I was whelmed at work today." And wouldn't underwhelm mean something more like expected or normal, rather than the implied less-than-expected?
