Henrietta James Nerissa N. Nordquist,Kris Adams,Dan Solovitz,2012-01-14 Engulfed in anxiety, frustration and constant constipation, Henrietta Martha James spends her time writing angry letters to Taro Gomi, the acclaimed author of "Everyone Poops." She is demanding a formal apology...an explanation...the possibility of rewrites...or at least a change to the title of his book because she, Henrietta, does not poop. Well, not like "everyone" does.Growing up with an illness that doctors struggle to diagnose, Henrietta constantly hears how she is "supposed" to be, while discovering that "normal" does not apply to her – at least not the way her body works. A humorous and painful real-life journey into the world of digestive disorders, her story brings to light one of life's dirty little secrets. Not Everyone Poops.

Happy Poop, Sad Poop: Everyone Poops, Even You! Alice Peachtree,2021-03-22 Toilet troubles are no fun for anyone. Happy Poop, Sad Poop is a fun little story that shares a bit of humor about a stinky subject and helps families talk about bathroom issues. Toileting and digestive problems can be scary and painful problems for everyone, especially for young children who don't understand what is happening with their bodies. Or who are shy or uncomfortable about using the bathroom away from home. The cute illustrations can open the lid to conversations about poop and the importance of regular, healthy bathroom habits. After all, everyone poops. And a Happy Poop is the best kind.

The New Real Jonathan E. Abel,2023-01-31 Unlocking a vital understanding of how literary studies and media studies overlap and are bound together A synthetic history of new media reception in modern and contemporary Japan, *The New Real* positions mimesis at the heart of the media concept. Considering both mimicry and representation as the core functions of mediation and remediation, Jonathan E. Abel offers a new model for media studies while explaining the deep and ongoing imbrication of Japan in the history of new media. From stereoscopy in the late nineteenth century to emoji at the dawn of the twenty-first, Abel presents a pioneering history of new media reception in Japan across the analog and digital divide. He argues that there are two realities created by new media: one marketed to us through advertising that proclaims better, faster, and higher-resolution connections to the real; and the other experienced by users whose daily lives and behaviors are subtly transformed by the presence and penetration of the content carried through new media. Intervening in contemporary conversations about virtuality, copyright, copycat violence, and social media, each chapter unfolds with a focus on a single medium or technology, including 3D photographs, the phonograph, television, videogames, and emoji. By highlighting the tendency of the mediated to copy the world and the world to copy the mediated, *The New Real* provides a new path for analysis of media, culture, and their function in the world.

Dirty Girls Gillian Telling,2010-09-01 *The Naked Truth Isn't Always Pretty.* A no-holds-barred look at the hilarious underbelly of what it means to be female, *Dirty Girls* lays bare the secrets of the fairer sex. Women don't come from a different planet than men. In fact, both sexes want the exact same things: success, friendships, semifunctional families, semifunctioning relationships, good bodies, and lots and lots of great sex. But there's more. Even though we pluck, we wax, and we put on war paint to mask our blemishes, we also regularly watch porn. We wear our bikini bottoms when we run out of clean underwear. When we're alone, we eat Cheetos and peanut butter on a spoon for dinner. Women are fascinating, beautiful, and, yes, disgusting creatures, and we shouldn't be ashamed of it. *Dirty Girls* exposes the filthy, lazy, fabulous truth that everything boys can do, girls can do better.

Emoticons, Kaomoji, and Emoji Elena Giannoulis,Lukas R.A. Wilde,2019-07-23 This collection offers a comprehensive treatment of emoticons, kaomoji, and emoji, examining these digital pictograms and ideograms from a range of perspectives

to comprehend their increasing role in the transformation of communication in the digital age. Featuring a detailed introduction and eleven contributions from an interdisciplinary group of scholars, the volume begins by outlining the history and development of the field, situating emoticons, kaomoji, and emoji – expressing a variety of moods and emotional states, facial expressions, as well as all kinds of everyday objects– as both a topic of global relevance but also within multimodal, semiotic, picture theoretical, cultural and linguistic research. The book shows how the interplay of these systems with text can alter and shape the meaning and content of messaging and examines how this manifests itself through different lenses, including the communicative, socio-political, aesthetic, and cross-cultural. Making the case for further study on emoticons, kaomoji, and emoji and their impact on digital communication, this book is key reading for students and scholars in sociolinguistics, media studies, Japanese studies, and language and communication.

Poop Culture Dave Praeger, 2007 This book is not a history of poop, but a study of today. Its goal is to understand how poop affects us, how we view it, and why; to appreciate its impact from the moment it slides out of our anal sphincters to the moment it enters the sewage treatment plant; to explore how we've arrived at this strange discomfort and confusion about a natural product of our bodies; to see how this contradiction - the natural as unnatural - shapes our minds, relationships, environment, culture, economics, media, and art.

The Book of Illumination Mary Ann Winkowski, Maureen Foley, 2009-10-06 The criminal underworld meets the spiritual otherworld in this thrilling debut collaboration between the inspiration for television's *The Ghost Whisperer* and an award-winning writer/director. Anza O'Malley is in most ways a typical single mom. She lives a happy, busy life with her five-year-old son in Cambridge, Massachusetts, juggling the joys and challenges of life as a doting parent and a freelance bookbinder. But there is more to Anza than meets the ungifted eye: she can see and speak with ghosts. Although she's been solving cold cases for the police for years, Anza has been hoping to focus her energies on her son and her bookbinding career. But when an exquisite and priceless illuminated manuscript is stolen from the Boston Athenaeum, and when its desecration spurs the appearance of some very unhappy spirits, Anza can neither look nor walk away. With an unlikely trio of ghosts by her side—a charming butler and two medieval monks—Anza leads us on an urgent journey through Boston's winding, cobbled streets to uncover a trail of deceit, danger, and ghoulish intrigue.
