Woman of God: What Is Your Report? W. R. Coleman, 2019-02-20 In this first volume, W. R. Coleman calls some of her sister-friends together and offers a compilation of their stories of triumph, struggle, love, joy, heartache, and life. These women of God are from various walks of life, and some are not ministers in the traditional sense of the word. Medical professionals, managers, lawyers, educators, and entertainment industry personalities—they are truly diverse in their callings but are absolutely women of God and faith in every way. Inside these women of God share testimonies of God's

healing of the physical body, deliverance from addictions and temptations, homelessness, and financial crisis, as well as the sweet joy of being led back to a long-separated love and the passion that God allows to still flame. While they have poured their hearts out for all the world to know, these women of God are fully secure and satisfied that their openness will lead to someone else's blessings.

Re:Birth ALEXANDRA N. KULICK, 2017-01-27 Re:Birth examines pregnancy and childbirth through the finished work of the cross. At Cavalry, Jesus bore the sins of the world for freedom, healing, and adoption into God's family. This redemption radically changes lives, but why not births too? Genesis explains that the reason for pain and travail during childbirth is sin. Yet, Jesus bore the penalty for all of our sins, even Eve's. Through the most beautiful tale of God's love and redemption presented to us through the life of Jesus, readers will uncover God's heart, love, and redemption of pregnancy and birth. From miraculous conceptions, to birth without pain, and even birth with few contractions, God has performed the miraculous in Scripture and in the real life testimonies of women all over the world. Join us on a path to discovering: * Your true created identity in Jesus * Freedom, peace, and redemption of birth * And encouragement to help you overcome life's storms! God has been a part of every birth in history, and He can't wait to be a part of yours!

Faith Of The Faithful deals with the bones and tissues of faith and simplifies the realization of faith like in no other book. The revelation truths about this subject as contained herein are all bible based and relay the scriptures into one compound. The book's great specialty is that in between and across revelations and interpretations, it links various scriptures to attest evidence. The book focuses on God's character from the genesis of time, through the ministries of His servants across the scriptures, as well as the gospel of Jesus Christ, in finding evidence of faith still relevant to our lives today.

Not My Spine Esosa Ruth Ikolo, 2015-09-24 Not My Spine is a compelling, revealing and true story about a mother's experience during the pregnancy of her first child, and also after the birth. It describes a mysterious illness which she began to suffer a long time before she was pregnant, the level of inattentiveness by her doctor's and the extent of damage it brought to her. It also captured the aftermath of the lack of knowledge by Esosa and her doctors who embraced the symptoms of this illness as those induced by pregnancy. Barren Rosa Miller, 2018-12-11 I had to walk along my journey to be able to share my testimony to someone whose story is still being written. (Rosa Miller) Rosa details a very personal and inspiring memoir through her and her husband's experience to grow in faith and family. If you are expecting perfection, you will not find it here. You will only find shades of yourself and tools to help. We were never meant to be perfect and faith is not belief without doubt. It is belief despite doubt, trial, failings, suffering, naysayers, and circumstances of life. And this is very much the story of life. We know these walls of reality. Faith is strengthened by the unchanging decision we make on a day-to-day basis to follow through. With grace, determination, and a very human nature, we see the journey of one little seed of faith as it faces the lifestyle that is infertility.

We listen as it is tried and found wanting. Listen as it flexes and grows. Here is the hope you were looking for. The voice to give you support, in experience, story, scripture, and insight, to guide you on your path. The equivalent of the call in the wee hours to the friend who gets you. The solace to tie your sanity to. Some answers in the dark. You are never alone.

Finding the Abundant Life Michele Michaels,2025-08-18 HAVE YOU BEEN SEARCHING FOR THE ABUNDANT LIFE? THEN YOU'LL HAVE TO LOSE IT! "The Bible says that to find your life, you first must lose it— and, *Michele Michaels did just that! It's women like Michele who have been called to blaze the trails for so many women who find themselves alone, often losing a husband, children, or family. In the first of her five-book series, Michele takes us along on her journey that didn't lead to her regaining what she lost—but finding a relationship so strong, so fulfilling, and so peaceful that she's become an inspiration to all of us. Though her life should have fallen apart, Michele, instead, found a life she never dared to dream was possible—she found the abundant life the Lord died to give her! In this life-changing book, Michele documents the road that led her around the world, literally, but even more—she discovered her life with her Beloved Bridegroom and found that we were meant to be His most precious bride—something she believed (and most of us believe) would happen only after we die. "I am grateful for Michele's transparency as her testimonies have resonated so loudly in my life. After coming to the realization that He is more than enough, He restored my husband as the true leader of our family and we are walking out His promise of abundance." ~ Cierra RESTORED in Kentucky Thank-you. Now I know there's much more to this life He's offered me that I've only scratched the surface of! It makes me hunger and thirst for even more. What I've learned will ensure that I don't miss out on the abundant life He has for me!" ~ Donna in Maine *Healed from deep wounds from childhood molestation.
