The Book of Enoch - God, Angels, Devils, Fallen Angels, Giant Nephilims, Aliens, Magic, Humans and Hell R. H. Charles, 2019-01-20 This is a compilation about the book of Enoch first of all, Enoch is mentioned in Genesis, Luke, and Hebrews; and the book of Enoch was quoted by both Jude and Peter. It is not included in the Bible we have today, but there's a good reason for that. It was completely unknown prior to the KJV Bible and all of the pre-KJV translations and collections of scripture, so there could be no way for it to have been included in the Bible we have today. Enoch, like Elijah, was taken to heaven by God without having to die in this life: Gen 5:24 And Enoch walked with God: and he was not; for God took him. - and - Heb 11:5 By faith Enoch was translated that he should not see death; and was not found, because God had translated him: for before his translation he had this testimony, that he pleased God. The book of Enoch was first discovered in Africa (Ethiopia) in the mid-1700s and then also found among the Dead Sea Scrolls. Enoch was the great grandfather of Noah. He gave his writings to Methuselah (the son of Enoch and grandfather of Noah), and Noah to preserve them so they can be delivered to the generations of the world. Is it a book we should study and consider as the word of God just like the other major prophets? I can't answer that question for you, but I have read it, have found no direct contradictions to the Bible in it, find that many places confirm and expand on what we have in the Bible, and find the prophecies fascinating, such as the prophecy of the flood and how it gives us a greater understanding of the world prior to the flood. And, the 10 weeks prophecy where each week is an era or period of time (looks like they are about 600-800 years each). Since Enoch is mentioned several times in the Bible, was a man of God, and the book of Enoch was quoted by Jude and Peter, I tend to lean toward it being authentic and inspired by the Spirit like the rest of the Bible. It goes into great detail about the angels who sinned: Genesis 6:4 and 2 Peter 2:4...And it gives us an understanding of where evil spirits come from, where magic first came from, etc...Plus it explains hell much more fully. I recently did a study on hell and determined through the Bible that it (Sheol and/or Hades) is the place of the dead, not just for the wicked but it has several parts including a good part for the righteous dead. In Enoch, it gives us even more information! I recommend giving it a read if you have not already. Thank You

The Book of Enoch Enoch, 2013-01-03 The Book of Enoch is the most notable extant apocalyptic work outside the canonical Scriptures. It describes the fall of the Watchers, the angels who fathered the Nephilim (cf. the bene Elohim, Genesis 6: 1-2). The fallen angels went to Enoch to intercede on their behalf with God after he declared to them their doom.

The remainder of the book describes Enoch's visit to Heaven in the form of a vision, and his revelations.

200 First Fallen Angels On Earth And What Did They Do Coral Kello, 2021-04-24 Religion is as complicated as the people who follow it. Taking on even a small section of theology is a massive undertaking, and honestly, it's just a mess of different versions of all kinds of stories and beliefs. So that being said, let's talk about some of the bad boys of several religions: fallen angels. Everyone knows what angels are - wings, halos, all kinds of bright light and grace. Fallen angels started out not-so-different at all, and there's a lesson to be learned there. The first - and often, the only - fallen angel most people think of is the Christian version of Lucifer, who took on God, fell from heaven, and went on to run a nightclub and consult with the LAPD. In this 200 Fallen Angels Enoch book, you will discover the story, for the first time in modern history, of the original two hundred visitors to planet Earth. Get your copy today!

Enoch Insights S N Strutt, 2018-04-18 Every chapter of the book of Enoch, with commentaries, opinions, speculations and theories. The verses are reproduced together with extensive commentaries, references, and ideas for follow-up. ENOCH INSIGHTS gives great insight into the book of Enoch itself, which is an ancient book of around 5000 years old and apparently the very first book ever written. The book of Enoch was banned for 1000 years during the Dark Ages, on the threat of one being burned at the stake. Why was it banned? Enoch lived in a Prediluvian world where 'Fallen Angels' came down from heaven and were seduced by the most beautiful women who had ever lived. The fruit of this 'forbidden union' were the Giants and Titans, who became cannibals and devoured mankind. Perhaps that is why we find many prediluvian cities underground? Were the prediluvian peoples hiding from man-eating giants and other monsters, such as dragons, dinosaurs and also chimeras of many types? How did the chimeras come into existence? During his lifespan which reached 365 years old, Enoch had many visions and dreams of heaven. He also visited hell and other dimensions. He prophesied about the entire '7000-year-History' of mankind from the beginning to the very end with stunning accuracy

Fallen Angels and the Orgins of Evil Elizabeth Clare Prophet, 2000 The Book of Enoch was denounced, banned, and lost for over a thousand years--until in 1773 a Scottish explorer discovered three copies in Ethiopia. This book examines the controversy surrounding The Book of Enoch, and sheds new light on Enoch's forbidden mysteries.

The Book of Enoch - The Book of Watchers Steven Ashe, 2008-06 The Book of Enoch describes the fall of the Watchers who fathered the Nephilim. The fallen angels then went to Enoch to intercede on their behalf with God. The remainder of the book describes Enoch's visit to Heaven in the form of a vision, and his revelations. The Book of Enoch, written during the second century B.C.E., is one of the most important non-canonical apocryphal works, and probably had a huge influence on early Christian, particularly Gnostic, beliefs. Filled with hallucinatory visions of heaven and hell, angels and devils, Enoch introduced concepts such as fallen angels, the appearance of a Messiah, Resurrection, a Final Judgement, and a Heavenly Kingdom on Earth. Interspersed with this material are quasi-scientific digressions on calendrical systems, geography,

cosmology, astronomy, and meteorology. With an introduction by Steven Ashe, author of 'Qabalah of 50 Gates'.

Dictionary of Angels Gustav Davidson,1994-10 An investigation of the evidence in Talmudic, gnostic, apocalyptic, partristic, and legendary texts concerning immortal, winged beings.

The Books of Enoch Enoch,History Academy,2020-09-04 The study of Enoch's words awakened the desire to explore spiritual dimensions in a deeper way. Enoch once said: I write not for my own, but for the extreme future generations, for you human beings who will come. Enoch, the seventh of Adam's descendants describes his journey through the seven heavens, where he receives revelations like when he is described the creation of the world and the secrets of the future. Enoch's journey culminates with the encounter with God after a life that lasted 365 years. From the mists of time he has shown humanity a luminous path to follow. Enoch goes back to the causes of evil and great are his sufferings for human wickedness and his exhortations to cultivate good and wisdom. All his writings, which are reported alongside the interpretation of History Academy, were found and collected in the time before the birth of Christ. Not recognized by the Church and ignored in the Old Testament collection, they are now published for everyone to read. Besides giving us a clear overview of the extraordinary civilization that flourished on Earth in those times, they offer clear explanations of the beginning of sin, the angels' fall, the intervention of the archangels on the future of humanity, the apocalypse and the arrival of the Messiah and the kingdom of God on Earth. Why do angels and archangels interact with high-minded human beings? The Ancient Book of Enoch tells the history of the angels who fell in the days of Jared, Enoch's father, who married human women and conducted genetic experiments. This commentary includes a previously unknown chapter from the Dead Sea Scrolls that explains how they did their genetic tampering. Enoch's Books are among the most relevant apocryphal texts in religious history. They are presented here for the first time in a restored and uncensored complete edition, translated from their original versions in Hebrew and Greek. The text is also accompanied by a rich theological, scientific, archaeological and esoteric analysis that explains its contents in detail. It is a necessary resource for those who want to know more about Angels, Demons, Watchers, Nephilim, Melchizedek, the angel Metatron and the Merkabah. This volume is an indispensable resource for those engaged in the study of religion, religious history, angelology, demonology, mysticism or the Kabbalah. In every period of crisis in human history, when morality is despised and wickedness reigns everywhere, divine help is invoked that will make its supreme justice prevail against all the diabolical and materialistic oppositions of earthly justice

The Book of Enoch ,2007-06-01 The early Christian Fathers such as Jude respected The Book of Enoch, as did the Essenes of Qumran. However, by the fourth century AD the text was considered heretical and all extant copies were destroyed. It was not until the 18th century that a surviving Ethiopic version was found, and its ideas and beliefs could once again be made known to the world. 'The Book of Enoch' tells of the enigmatic Watchers, fallen angels who breed with human females and give rise to the race of Nephilim, evil giants who wreak havoc on earth, and are destroyed by The Flood. Following sections describe Visions, of a messiah-like Son of God, of the Astronomical/Spiritual make-up of the Universe, and of the apocalyptic Final Judgment to be visited upon evil-doers. The R H Charles translation remains the standard English version of the text and is presented here in its entirety.

The Book of Enoch Prophet Enoch,2023-01-06 Enoch walked with God; then he was no more for God took him. The Book of Enoch is a pseudoepigraphal work (a work that claims to be by a biblical character). The Book of Enoch was not included in either the Hebrew or most Christian biblical canons, but could have been considered a sacred text by the sectarians. The original Aramaic version was lost until the Dead Sea fragments were discovered. This is a compilation of several separate works, most of which are apocalyptic. Its oldest portion is the Apocalypse of Weeks, written shortly before the Maccabean uprising of 167 BC against the Seleucids. The Ethiopic Book of Enoch is called a pseudepigraphical work, meaning one that is not included in any canon of scripture, outside of even the Apocrypha. The only complete extant version

is an Ethiopic translation of a previous Greek translation made in Palestine from the original Hebrew or Aramaic. The Book of the Watcher, tells the story of fallen angels from Gen 6:1-4 that took wives, created the Nephilim, and taught advanced technology to mankind, ultimately leading to the great flood and their destruction. The Parables of Similitude, is an apocalyptic book about the Son of Man and the Ancient of Days. These ancient prophecies of Jesus are directly in line with what we find in the Bible, and are remarkably similar to The Book of Revelation. The Book of the Courses of the Heavenly Luminaries is a detailed account of the stars and their functions. The Dream Visions is the prophecy of all human history, from the creation of mankind all the way to the end times and the final judgement. The past, present, and future are foretold in grand detail. The prophecy of weeks is similar to the prophecy structure in the book of Daniel. The Noah Fragments is the untold story of Noah from the Bible. We learn more about his mission to save all humanity and the struggles of his father Lamech and his grandfather Methuselah. Finally, included herein are all known fragments of The Book of Giants. Each work is independent, but all the works are bound by a common theme: the punishment of the wicked and the blessedness of the righteous.

Our Godly Sexual Beings Donna Mack with Kristi Miller, 2023-09-08 Our Godly Sexual Beings explores scripture and other ancient texts to unveil one of humanity's great mysteries--God's purpose for designing our Godly sexual beings. After thirty years of committed research and study, Donna Mack perceived an essential missing link from the age-old battle of God vs. Satan. While other books have attempted to discuss human sexuality, none have done so with as many biblical and scholarly-backed references as Our Godly Sexual Beings. One fascinating revelation in scripture is just how sacred human sexuality exists for God. The Bible sings with this truth, and Donna dives into this mystery to reveal the greatest love story ever told! With the help of over 1,300 references, Donna uncovers God's design for sex and Satan's influence that morphed this gift into a lie of lust. This book is full of many revelations and truths that will allow the reader to experience freedom from sexual sin, shame, and bondage.

The Book of Giants Joseph Lumpkin, 2014 Among the first seven scrolls discovered in the caves of Qumran at the Dead Sea is a scroll given the name, The Book of Giants. It is thought to have been based on the Book of Enoch, a pseudepigraphical Jewish work from the 3rd century BCE. The Book of Giants, like the Book of Enoch, concerns itself with the Nephilim, which are the offspring of fallen angels, who are called the Watchers. Two main versions of the text exist. The Dead Sea version is written in Aramaic. Another version has been found written in middle Persian, adapted from the Aramaic to fit into the Manichean religion. Both versions will be examined. Following theories speculating that the Book of Giants was once part of the Book of Enoch, we will attempt to place the two texts back together to render the complete story of the Watchers and the Nephilim. We will discover the history and contributions of these ancient scrolls and look carefully at their content and meaning. Throughout the combined texts of the Book of Giants and the Book of Enoch we will examine all the

biblical and apocryphal references and parallels within the text. The result is an in-depth and panoramic view of the Angels, the Watchers, and the Nephilim, and how one of the giants of the Nephilim race may have survived the flood intended to cleanse the Earth of their horror.

Encyclopedia of Satanism James Lewis,

The Genesis 6 Conspiracy Gary Wayne, 2020-09-15 Genesis 6 Conspiracy: There are giants among us, passing largely unnoticed, intent on carrying out a secret plan to enslave all humanity. They may not look like giants today, but their bloodlines extend all the way back to the Nephilim—the offspring of angels who mated with human women—described in Genesis 6 when giants roamed the land. Gary Wayne, author of *The Genesis 6 Conspiracy: How Secret Societies and the Descendants of Giants Plan to Enslave Humankind*, details the role of modern-day Nephilim in Satan’s plan to install the Antichrist at the End of Days. When God cast the angel Lucifer and his followers out of heaven, Lucifer set into motion a scheme to ensure the Nephilim survived. Why? Because from the bloodlines of these Nephilim the Antichrist will come. To keep his plan alive, Satan has enlisted the loyalty of secret societies such as the Freemasons, the Templars, and the Rosicrucians to conspire in teaching a theology and a history of the world that is contrary to the biblical one. This Genesis 6 Conspiracy marches toward the Great Tribulation, when the loyalty of the Terminal Generation—this generation—will be tested. The Bible, along with many other ancient sources, clearly records the existence of giants. Wayne provides copious citations from many society insiders, along with extensive Bible references, other religious references, and historical material to bolster his contention. What he uncovers will astonish you—and it will challenge you to prepare for the fulfilling of God’s promises.
