A child ventures out into the world, one bold step at a time, as her mother looks on, both of them brave in embracing change and steadfast in their ever-evolving love. In this ode from parent to child, Christina Perri teams up with New York Times bestselling illustrator Joy Hwang Ruiz to turn her hit song A Thousand Years into a tender reminder that a mother's love is forever.

**Last Moment** fabulousqueenangel, At the last chance, in the final moment, in the final chapter of the story of life, grief and suffering prevail, ever since everything was lost. In the end, comes regret. When the time has come to realize and know the truth, it's already too late to feel it. To feel the love that knows no bounds. In a person's life, there are many trials, many problems. But you can overcome them if you trust yourself and have faith in Him. Life's wheel keeps turning, round and round, repeating, yet we continue to live, to love, and to be loved. There are times when certain things, memories, or whatever it may be, must be forgotten, must be erased from our minds because they bring pain when recalled, or evoke anger and guilt in life. Some are brought together by destiny, some are separated, but there are memories that cannot be erased for a lifetime. A past that should be revisited, remembered, and valued as long as it's in our minds. 'In the final moment of my life, I am with her. In the final moment, I held her. In the final moment, I saw her smile. And in the final moment, we will leave this world peacefully and together, heading to the afterlife. And in the next life, it will still be her and me, until the last moment of my life.' True love will never disappear, but if it's a lie, it will. In the name of love, anything can be done, no matter what. A love tested by fate, hindered by destiny, but fought for until the last moment of love. Inspired by the song 'Huling Sandali' by the band December Avenue, a story filled with love, liberation, appreciation, and sacrifice for

family, friends, and the beloved. And a love that is fought for, even unto death. 'Love can sacrifice everything, true love never fades, unless it was a lie.' Huling Sandali.

**It'll Be An Adventure** Cherise Sinclair,2023-02-21 From NYT & USA Today Bestselling author Cherise Sinclair comes an outstanding addition to the beloved Masters of the Shadowlands series. The secret of author Murphy’s success is hands-on research. Murphy loves writing popular Regency thrillers and jumping into new adventures under the guise of research. For one novel, she’d joined a K9 search-and-rescue group—and liked it so much she stayed. But this book... Why had she thought a Regency birching club was a good setting? The challenge is, she’ll have to return to the Shadowlands. Years ago, she’d sneaked into the area’s most exclusive, private club. And what had happened to her there...well, she still has nightmares. But she’s healed now, right? When she gets up her courage to visit the club, the owner hands her over to Master Saxon. Master Saxon is handsome, powerful, and dominant. The veterinarian has a gorgeous smile, a trust-me voice, and does Search and Rescue with his canine helper, Sherlock. In the Shadowlands, he’s known as the Viking god. For years, he’s avoided serious relationships. A quiet, little author can’t possibly slip past his defenses. Even if he does adore her books. Master Saxon guided her into the dungeon. “If I birch you extra hard, will that get you to write faster?” Her mouth dropped open at his wicked grin, then his words registered. “No!” Note: Full-length, sizzling-hot novel with no cliff hanger and no cheating. A protective, dominant hero. A vulnerable, intelligent heroine. Page-turning adventure, sigh-worthy romance, hilarious girl-gang moments...and an adorable, fluffy dog.

**Teaching Music Theory** Jennifer Snodgrass, 2020-04-01 In recent years, music theory educators around the country have developed new and innovative teaching approaches, reintroducing a sense of purpose into their classrooms. In this book, author and veteran music theory educator Jennifer Snodgrass visits several of these teachers, observing them in their music theory classrooms and providing lesson plans that build upon their approaches. Based on three years of field study spanning seventeen states, coupled with reflections on her own teaching strategies, *Teaching Music Theory: New Voices and Approaches* highlights real-life teaching approaches from effective (and sometimes award-winning) instructors from a wide range of institutions: high schools, community colleges, liberal arts colleges, and conservatories. Throughout the book, Snodgrass focuses on topics like classroom environment, collaborative learning, undergraduate research and professional development, and curriculum reform. She also emphasizes the importance of a diverse, progressive, and inclusive teaching environment throughout, from encouraging student involvement in curriculum planning to designing lesson plans and assessments so that pedagogical concepts can easily be transferred to the applied studio, performance ensemble, and other courses outside of music. An accessible and valuable text designed with the needs of both students and faculty in mind, *Teaching Music Theory* provides teachers with a vital set of tools to rejuvenate the classroom and produce confident, empowered students.
