

El Beso De Judas Joan Fontcuberta Resumen

Juliana González-Rivera

Toward a Cultural Archive of la Movida William J. Nichols, H. Rosi Song, 2013-11-26 Toward a Cultural Archive of la Movida revisits the cultural and social milieu in which laMovida, an explosion of artistic production in the late 1970s and early 1980s, was articulated discursively, aesthetically, socially, and politically. We connect this experience with a broader national and international context that takes it beyond the city of Madrid and outside the borders of Spain. This collection of essays links the political and social undertakings of this cultural period with youth movements in Spain and other international counter-cultural or underground movements. Moving away from biographical experiences or the identification of further participants and works that belong to laMovida, the articles collected in this volume situate this movement within the political and social development of post-Franco Spain. Finally, it also offers a reading of recent politically motivated recoveries of this cultural phenomenon through exhibitions, state sponsored documentaries, musicals, or tourist itineraries. The perception of Spain as representative of a successful dual transition from dictatorship to democracy and free market capitalism created a “Spanish model” that has been emulated in countries like Portugal, Argentina, Chile and Hungary, all formerly ruled by totalitarian regimes. While social scientists study the promises, contradictions and failures of the Spanish Transición—especially on issues of memory, repression, and (the lack of) reconciliation —our approach from the humanities offers another vantage point to a wider discussion of an unfinished chapter in recent Spanish history by focusing on laMovida as the “cultural archive” whose cultural transitions parallel the political and economic ones. The transgressive, urban nature of this movement demonstrated an overt desire, especially among Spanish youth, to reach onto a global arena emulating the punk and new wave aesthetic of such cities as London, New York, Paris, and Berlin. Art, design, film, music, fashion during this period helped to forge a sense of a modern urban identity in Spain that also reflected the tensions between modernity and tradition, global forces and local values, international mass media technology and regional customs.

Viajar y contarlo. Estrategias narrativas del escritor viajero Juliana González-Rivera, 2019-10-21 ¿Por qué y para quién contamos los viajes? ¿Viajar y después contarlo o viajar para contarlo? ¿Cómo se han explicado los viajes en la literatura de ficción y no ficción a lo largo del tiempo? He aquí algunas de las preguntas que hallan respuesta en este libro, un ensayo trepidante que se sumerge en los periplos de los grandes viajeros, desde Heródoto, Marco Polo, Cristóbal Colón, Ida Pfeiffer y Alexander von Humboldt, hasta Ryszard Kapuscinski, Peter Mathiessen y Karen Blixen, entre muchos otros. La

autora nos descubre que el relato de viajes se halla en el origen del periodismo, la crónica y el reportaje por su altísimo valor documental, y revela las estrategias narrativas comunes a todos los escritores viajeros a lo largo de la historia. Las técnicas para dar verosimilitud y precisión a la narración, los soportes utilizados, la intertextualidad y el manejo de las fuentes son algunos de los temas que aborda. Como sucede siempre con la literatura de viajes, estas páginas son una invitación a ponerse en ruta.

El Beso de Judas Victoria Holt, 2003 Philippa Ewell tenía dieciséis años cuando descubrió que su hermana Francine había sido asesinada. Hacía casi cinco años que no la veía. No podía creer lo que estaba leyendo en un recorte de prensa encontrado en un baúl del desván. Francine no era una 'amiga' del barón, era su esposa. Una oleada de evocaciones - el paisaje de la infancia compartida, los días de ensueño, el rumor de las suaves olas del Mediterráneo, la muerte de sus padres, el viaje a Inglaterra, las cartas de su hermana - la impulsaban a esclarecer esa infamia - Debía averiguar de qué tupida trama de intrigas había sido víctima Francine.
