*Before Sunrise, Before Sunset, Before Midnight* Hans Maes, Katrien Schaubroeck, 2021-05-12 Richard Linklater's celebrated Before trilogy chronicles the love of Jesse (Ethan Hawke) and Céline (Julie Delpy) who first meet up in Before Sunrise, later reconnect in Before Sunset and finally experience a fall-out in Before Midnight. Not only do these films present storylines and dilemmas that invite philosophical discussion, but philosophical discussion itself is at the very heart of the trilogy. This book, containing specially commissioned chapters by a roster of international contributors, explores the many philosophical themes that feature so vividly in the interactions between Céline and Jesse, including: the nature of love, romanticism and marriage the passage and experience of time the meaning of life the art of conversation the narrative self gender death Including an interview with Julie Delpy in which she discusses her involvement in the films and the importance of studying philosophy, Before Sunrise. Before Sunset. Before Midnight: A Philosophical Exploration is essential reading for anyone interested in philosophy, aesthetics, gender studies, and film studies.

**Before Sunrise** María del Mar Azcona, Celestino Deleyto, 2023-06-12 This book offers a fresh analysis of Before Sunrise that reframes its romance within the contexts of transnational culture and cinema. The book highlights the symbolic value of the film's construction of transnational youth in the building of a trans-European culture. Engaging with the film's critical history, this book focuses on its specific view of youth and young love. Before Sunrise: Young Love on the Move examines young love within the cultural context of the 1990s in the US and its links with Generation X and the slacker culture. Within a wider scope, it also looks at the history and theory of romantic comedy and its connections with independent cinema. In considering the film a transnational text, this analysis underlines the parallels between a narrative of young love at the end of the 20th century and the construction of a young, or rejuvenated, Europe. Before Sunrise: Young Love on the Move provides an invaluable insight into this beloved film for students and researchers in film studies, transnational cinema and youth culture.

**Movies of the '90s** Riley Webster, 2023-10-19 The 1990s was an amazing decade for movies, witnessing the release of dozens of incredible films, including The Matrix, The Shawshank Redemption, Pulp Fiction, Goodfellas, Fargo, Jurassic Park, and so many more. Despite this embarrassment of riches, author Riley Webster believes this decade has never received as much praise or as many kudos as it deserves—until now. Whether you're a serious cinephile, a casual viewer, or merely

seeking a heavy dose of 1990s nostalgia, this is the book for you.

**Rabbits** Terry Miles, 2021-06-08 A deadly underground game might just be altering reality itself in this all-new adventure set in the world of the hit Rabbits podcast. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WALL STREET JOURNAL • “A wild ride . . . impossible to put down.”—Publishers Weekly (starred review) It’s an average work day. You’ve been wrapped up in a task, and you check the clock when you come up for air—4:44 p.m. You check your email, and 44 unread messages have built up. With a shock, you realize the date is April 4—4/4. And when you get in your car to drive home, your odometer reads 44,444. Coincidence? Or have you just seen the edge of a rabbit hole? Rabbits is a mysterious alternate reality game so vast it uses the entire world as its canvas. Since the game started in 1959, ten iterations have appeared and nine winners have been declared. The identities of these winners are unknown. So is their reward, which is whispered to be NSA or CIA recruitment, vast wealth, immortality, or perhaps even the key to the secrets of the universe itself. But the deeper you get, the more dangerous the game becomes. Players have died in the past—and the body count is rising. And now the eleventh round is about to begin. Enter K—a Rabbits obsessive who has been trying to find a way into the game for years. That path opens when K is approached by billionaire Alan Scarpio, rumored to be the winner of the sixth iteration. Scarpio says that something has gone wrong with the game and that K needs to fix it before Eleven starts, or the whole world will pay the price. Five days later, Scarpio is declared missing. Two weeks after that, K blows the deadline: Eleven begins. And suddenly, the fate of the entire universe is at stake.

For Kids of All Ages Peter Keough, 2019-11-27 In For Kids of All Ages, members of the National Society of Film Critics celebrate the wonder of childhood in cinema. In this volume, original essays commissioned especially for this collection stand alongside classic reviews from prominent film critics like Jay Carr and Roger Ebert. Each of the ten sections in this collection takes on a particular aspect of children’s cinema, from animated features to adaptations of beloved novels. The films discussed here range from the early 1890s to the present. The contributors draw on personal connections that make their insights more trenchant and compelling. The essays and reviews in For Kids of All Ages are not just a list of recommendations—though plenty are included—but an illuminating, often personal study of children’s movies, children in movies, and the childish wonder that is the essence of film. Contributors include John Anderson, Sheila Benson, Jay Carr, Justin Chang, Godfrey Cheshire, Morris Dickstein, Roger Ebert, David Fear, Robert Horton, J. R. Jones, Peter Keough, Andy Klein, Nathan Lee, Emanuel Levy, Gerald Peary, Mary Pols, Peter Rainer, Carrie Rickey, Jonathan Rosenbaum, Michael Sragow, David Sterritt, Charles Taylor, Peter Travers, Kenneth Turan, James Verniere, Michael Wilmington, and Stephanie Zacharek.

**A Place Called Home Trilogy Box Set contemporary western romance series** Patricia McLinn, 2014-03-09 Get the three books of the A Place Called Home western romance series here in one volume! Far Hills Ranch has bound together the

Susland family for nearly a century and a half. For just as long, there's been a legend that the ranch and its family are cursed. Now, says the legend, the current generation is the last with a chance to break the curse. BOOK 1: LOST AND FOUND GROOM A stranger rescues her, then disappears when she needs him most. Until he knocks on her door, years later and half a world away... On assignment in distant Santa Estella, hardheaded journalist Kendra Jenner finds herself in the middle of a vicious hurricane . . . and unexpectedly in the arms of a stranger who speaks virtually no English. Fear leads to passion that months later leads to a baby, which Kendra fully expects to raise on her own, since her search for the father is a fruitless one. Three years later, Paulo shows up at her Wyoming home, identifying himself as Daniel Delligati. He says he's come for his son -- and for her. BOOK 2: AT THE HEART'S COMMAND The Army's sending him back to the western life he knew as a boy, the world of cowboys and cattle on Far Hills Ranch ... and back to the love he knew as a boy. But how can he even dream of second chances at love, when they should have no chance at all. Colonel John Griffin Jr. is the best kind of military man. He's a good and honorable soldier who's determined to protect Ellyn Sinclair at all costs - especially from himself. Once, he'd rejected a young Ellyn's advances, because he could not give her the life she deserved. Instead, Grif stood up as best man when Ellyn married his best friend. He became a member of the family, a safe friend to her, the godfather of her children. But Ellyn is a widow now, back in Far Hills, Wyoming, living on his family's ranch there with her two young children, and struggling as a single parent to give her children what they need. No matter what it costs him, Grif will do his duty - help Ellyn and her children, while ignoring that he has never stopped wanting her. "A beautiful, emotional story that cuts right through the reader's heart." -- Rendezvous Grif is a hero of the most wonderful kind - Road to Romance BOOK 3: HIDDEN IN A HEARTBEAT He's the kind of man she's been warned about, and she's about to find out why ... SARA Rising Star Award winner VRW HOLT Award finalist Rebecca Dahlgren comes west to Wyoming hoping for answers to her unknown heritage. But from the first moment, she finds Far Hills Ranch foreman Luke Chandler hard to miss. The sexy cowboy, with those sleepy eyes that aren't interested in sleeping, means just the sort of trouble her patrician grandmother has always warned her about. Luke has his own reasons for wanting to steer clear of anything like commitment. But the secrets behind Rebecca's dark eyes keep luring him on ... even if it means baring his own heart. Rendezvous says of the third book in the A Place Called Home western fiction series: Brilliant conclusion to a magnificent series of stories readers will want for their keeper shelves. A heartwarming, heart-stopping, delectable love story - Old Book Barn Gazette Praise for Patricia McLinn's A Place Called Home stories Kendra and Daniel show how fighting for true love is a honorable endeavor. Emotional roller coaster This story of love made me remember of my own true love. When ever I had to stop reading I couldn't wait to get back to it. Was gripped by this story from the first paragraph! A wonderful story of two people learning to let go of their fears and trusting in life and love. I couldn't stop till I had read the entire book. Great love story and look forward to more with these characters. "Very intense in places, both with love and adventure." "So different from other romance

novels...amazing." "Liked the twists and turns." "This was very good. READ, READ!!! "If you love emotional stories with complex characters, especially strong heroines and heart-stopping heroes, don't miss this!" "A book you will read more than once." Wonderfully complex and unusual story Great book about love lost and breaking down walls.....enjoyed it immensely Liked the legend angle. Looking forward to the next in the series "Just the right balance of romance, action and mystery." "As always with Patricia McLinn's books, this is well written and heartfelt .. her books never disappoint." Spellbinding read. Can't wait to read the next book. "I couldn't put it down. I bought the second book, At the Heart's Command. As soon as I finish it, I will buy Hidden in a Heartbeat." *Screening American Independent Film* Justin Wyatt, W.D. Phillips, 2023-05-31 This indispensable collection offers 51 chapters, each focused on a distinct American independent film. *Screening American Independent Film* presents these films chronologically, addressing works from across more than a century (1915–2020), emphasizing the breadth and long duration of American independent cinema. The collection includes canonical examples as well as films that push against and expand the definitions of independence. The titles run from micro-budget films through marketing-friendly Indiewood projects, from auteur-driven films and festival darlings to B-movies, genre pics, and exploitation films. The chapters also introduce students to different approaches within film studies including historical and contextual framing, industrial and institutional analysis, politics and ideology, genre and authorship, representation, film analysis, exhibition and reception, and technology. Written by leading international scholars and emerging talents in film studies, this volume is the first of its kind. Paying particular attention to issues of diversity and inclusion for both the participating scholars and the content and themes within the

selected films, Screening American Independent Film is an essential resource for anyone teaching or studying American cinema.

More than Magic Trilogy Elizabeth Kirke, Get the first three books in the award-winning, urban fantasy series More than Magic in a single bundle! This set contains the first three books in the More than Magic series; Semester Aboard, Snow Bound, and Soul Choice. Book One: Semester Aboard (Gold Medal winner, Readers' Favorite International Book Awards) I should have packed a stake. I thought a two-month cruise around Latin America would be filled with magical moments. I never imagined I'd be swimming with a mermaid or hiking through a rainforest with a werewolf. That is, until that fateful night when I met Thomas and the others out on deck and discovered that magic is real. Now, they're teaching me how to use my newfound powers and what's more, they've welcomed me into the close-knit little family they've built together. Turns out we aren't the only paranormal beings on board, and our bloodthirsty enemy isn't happy we're here. A week ago, I didn't even believe vampires were real, but now we're being stalked by one. Trapped on the ship, with no way to call for help, it's up to us to stop him and save the rest of the passengers... and ourselves. If we can't, we might never set foot on land again. Book Two: Snow Bound The wrong person has learned our secret... It has been five months since I found out that I'm a witch. Even my familiar, Rak, isn't a replacement for spending time with the other magical beings I grew close with over the summer. A ski trip with them is exactly what I need to immerse myself in magic again. It's wonderful being back with everyone without a vampire stalking us... but the slopes aren't as peaceful as they seem. Throw in the surprise arrival of my non-magic cousin, a blizzard, and a suspicious werewolf next door, and our relaxing vacation is turning into a nightmare. After an attack leaves one of us on the brink of death, the race is on to defend ourselves from our mysterious enemy. My magic is stronger now, but will it be strong enough to save my friends, my cousin, and get us all off the mountain alive? Book Three: Soul Choice Forget everything you know... about magic. Taking classes to improve my spell-casting and learn more about the magical world has hit an unexpected snag: people keep mistaking me for someone else. And it's clear that my double is not a popular witch. I try not to worry about it, until being mistaken for her gets me kidnapped by people who want revenge for what she did. But taking me hostage is only part of a larger plan and when Thomas and the others come to my rescue, we find ourselves caught right in the middle of a sinister experiment. Turned into unwilling test subjects and given a dangerous potion, we have less than a week to get the antidote and the clock is ticking fast. But the casualty rate in the experiment is high and at least one of us is already dying. Our only chance rests with the kidnappers and my double. Trusting them might be a mistake, but we don't have another choice. The More than Magic series is a New Adult Urban Fantasy series, packed with witches, vampires, shifters, elementals, and a host of magical creatures. If you like paranormal characters with found family, a dash of sweet romance, and twists and turns you can sink your teeth into, grab the first three books today!

*Falling in Love at the Movies* Esther Zuckerman, 2024-12-03 Prepare to swoon, ugly cry, laugh, and fall in love with this

officially licensed exploration of the impact and legacy of one of film's most beloved genres from Turner Classic Movies: the rom-com. Romantic comedies have had an incredible influence on popular culture, shaping everything from how we think of relationships to fashion. Often swept aside in film history, these movies are thought of as pure comfort viewing. Although they certainly provide those fuzzy feelings, they have also had a significant artistic influence and cultural impact. Spanning decades of romantic comedies—from movies of the 1930s such as *It Happened One Night* and the rom com craze of the 80s and 90s including *When Harry Met Sally...* all the way to contemporary hits like *Crazy Rich Asians*, and everything in between—*Falling in Love at the Movies* will make you fall in love (all over again) with romantic comedies. Esther Zuckerman—accomplished entertainment journalist and member of the New York Film Critic's Circle—takes readers on a journey through the rom-com. She examines the aspects that make us so drawn to these types of films, diving deep into the key auteurs—from Preston Sturges to James L. Brooks to Nora Ephron and beyond—who both created and subverted the canon. These directors, actors, and writers shaped the genre, establishing and also busting traditional pillars and tenets of these movies such as the “Perfect Pair” or “The Man in Crisis” and “The High Maintenance Woman.” Featuring full-color images from the films throughout, along the way Zuckerman takes detours, explores iconic lines of dialogue (Who could forget Julia Roberts' “I’m also just a girl, standing in front of a boy, asking him to love her” iconic moment from *Notting Hill*?) to memorable scenes (the magical moment at the Empire State Building in *Sleepless in Seattle*) and weaves in interviews of artists and romantic comedy fanatics in the industry. Looking beyond the traditional rom-com, Zuckerman digs into the nooks and crannies, the films that buck the trend of happily ever after, the ones that think beyond heteronormative narratives, and the indies that kept the rom-com alive outside of the studio system, to offer a more comprehensive story of the rom-com than has ever been seen before—and one that you’re bound to love. How’s that for a happy ending?

**Movie Franchise Wars** Ethan Parker, AI, 2025-02-24 *Movie Franchise Wars* explores the high-stakes world of film franchises, dissecting the business strategies and creative clashes that determine success in Hollywood. It examines how franchises balance commercial demands with artistic vision to capture audiences and dominate the box office. The book reveals how studios allocate resources and manage risk, highlighting the financial models and investment strategies crucial for long-term profitability. A key insight is understanding how carefully planned strategies, rather than mere chance, drive franchise dominance. The book analyzes narrative choices and world-building techniques that sustain audience engagement across multiple films and media platforms. It also examines the evolution of fan culture and its impact on shaping franchise trajectories. By integrating business analysis with cultural and creative perspectives, *Movie Franchise Wars* offers a unique approach, moving beyond simple explanations to understand why some franchises flourish while others falter. The book progresses from the economic principles of franchise filmmaking to narrative structures, and finally, the cultural impact of these cinematic universes. This comprehensive approach provides valuable insights for film students, media scholars, and

industry professionals, offering a framework for understanding the complex dynamics that shape the film industry. Through case studies like Marvel Cinematic Universe, Star Wars, and Harry Potter, the book illustrates key concepts and the application of analytical frameworks in franchise filmmaking. It also considers the role of fan communities and online forums in influencing studio decisions.

Greece: The Peloponnese Andrew Bostock, Philip Briggs, 2019 This new edition of Bradt's Greece: The Peloponnese with Athens, Delphi and Kythira remains the only dedicated guidebook to the southern part of the Greek mainland and provides more detailed coverage of the peninsula than any other rival book, making it an indispensable read for travellers to this small but fascinating part of Greece. It also incorporates a focussed mini-guide to the Greek capital of Athens and nearby world famous site of Delphi and is particularly strong on off-the-beaten-track sites, background information, accommodation and other subjects of interest for both independent travellers and those travelling as part of a group. Originally written by Andrew Bostock, an expert on Greece and former resident of the Peloponnese, this fourth edition has been updated by Bradt's most prolific and experienced guidebook writer Philip Briggs. Selective listings have been refreshed to reflect a

growing trend towards eco-conscious boutique hotels. As with previous editions, in-depth coverage of well-known sites is supplemented by descriptions of lesser-known attractions and independent tours and activities, reflecting the reality that the Peloponnese, more than any other part of Greece, exemplifies the ideals of 'slow travel'. With Bradt's Greece: The Peloponnese, discover hidden villages, sophisticated towns and other top attractions, including one of Europe's most spectacular train journeys and the tower houses of the famed Mani. Explore hidden sites, including places not covered anywhere else. The guide is packed with information on agritourism spots, camping under the stars, rustic tavernas and locally grown produce. For those coming out of high season, revel in the delights of the wildflowers of spring, the joys of the olive harvest in late autumn and skiing opportunities during the winter. Bird life and marine life are also a huge attraction for visitors to the Peloponnese. The guide also focuses on the colourful life of the traditional 'paneyiri' and those who still embrace the Greek spirit of 'philoxenia'.

**The Self Delusion** Gregory Berns, 2022-10-18 A New York Times–bestselling author reveals how the stories we tell ourselves, about ourselves, are critical to our lives We all know we tell stories about ourselves. But as psychiatrist and neuroscientist Gregory Berns argues in *The Self Delusion*, we don't just tell stories; we are the stories. Our self-identities are fleeting phenomena, continually reborn as our conscious minds receive, filter, or act on incoming information from the world and our memories. Drawing on new research in neuroscience, social science, and psychiatry, Berns shows how our stories and our self-identities are temporary and therefore ever changing. Berns shows how we can embrace the delusion of a singular self to make our lives better, offering a plan not centered on what we think will be best for us, but predicated on minimizing regrets. Enlightening, empowering, and surprising, *The Self Delusion* shows us how to be the protagonist of the stories we want to tell.

The Protagonist's Journey Scott Myers, 2022-03-26 Character drives plot. Based on this principle, this book walks aspiring writers through the fascinating world of character-driven screenwriting. When a writer engages their characters, they start a process which naturally leads to the story's structure and everything else that makes for a well-written narrative. Exploring the protagonist's journey and their "unity arc," Myers explains how a family of characters surrounds the protagonist and influences their transformation process. This easy-to-follow guide features activities that will help writers of any level develop their stories from concept to scene-by-scene outline. Based upon a popular workshop Myers has led with over a thousand writers at all levels of experience, this book is a must-have for screenwriting students, both undergraduate and graduate, and those looking at advanced story development.

*Generation Tarantino* Andrew J. Rausch, 2025-07-10 In iconic films like *Reservoir Dogs* and *Pulp Fiction*, Quentin Tarantino personified the spirit of '90s filmmaking, boldly forging his own opportunities rather than waiting for the movie industry to come knocking on his door. He and his fellow travelers-directors like Richard Linklater (*Dazed and Confused*), John Singleton (*Boyz n the Hood*), Guillermo del Toro (*The Devil's Backbone*), David Fincher (*Seven*), Robert Rodriguez (*Desperado*), Kevin Smith (*Clerks*), Noah Baumbach (*Kicking and Screaming*), Wes Anderson (*Rushmore*), Paul Thomas Anderson (*Boogie Nights*), Christopher Nolan (*Following*), Darren Aronofsky (*Requiem for a Dream*), and Sofia Coppola (*The Virgin Suicides*)-established their maverick-style careers by breaking norms, creating new standards, and building on the techniques of the films that preceded them, pushing the artistic boundaries of cinema to new heights. Breaking free from the blockbuster bloat of the 1980s, Generation Tarantino in some ways recalled the era of an earlier wave of pioneers-of Scorsese, Spielberg, Coppola, Altman, and De Palma. But they were uniquely of their time, capturing the attitude of young adults in the 1990s: breaking the rules, setting new standards, mixing tones and genres in a way that no one had before. These were directors who wouldn't take no for an answer. *Generation Tarantino: The Last Wave of Young Turks in Hollywood* is an examination of the films, careers, and artistic styles of the most significant filmmakers to emerge during the 1990s. With interviews from filmmakers, screenwriters, cameramen, producers, and actors, this is a book about a generation of directors who raised the artistic bar and changed cinema forever.
