Agricultural economics | Definition, Scope, & Facts | Britannica ... Aug 11, 2025 · Unless food can be obtained through international trade, a country does not normally develop industrially until its farm areas can supply its towns with food in exchange for the products of their factories. Economic development also requires a growing labour force. **economic**

development summary | Britannica economic development, Process whereby simple, low-income national economies are transformed into modern industrial economies. **Economics | Definition, History, Examples, Types, & Facts** Jul 31, 2025 ·

In the 20th century, English economist Lionel Robbins defined economics as “the science which studies human behaviour as a relationship between (given) ends and scarce means which have alternative uses.” In other words, Robbins said that economics is the science of economizing. Economic growth | Definition, Examples, Measurement, ... Jul 19, 2025 · Economic growth is usually distinguished from economic development, the latter term being restricted to economies that are close to the subsistence level. The term economic growth is applied to economies already experiencing rising per capita incomes.

Human Development Index (HDI) | Definition, UN, Examples, The HDI is a useful summary of a country’s achievements in human development, but it is not a comprehensive measure. The UN created additional indexes to account for other factors that influence development.

Development theory | Economics, Political Science Development involves innumerable variables, including economic, social, political, gender, cultural, religious, and environmental factors. But though development theory integrates concepts and perspectives from a range of disciplines, it was ... Sustainable development |

Definition, Goals, Origins, Three Pillars ... Aug 13, 2025 · The intellectual underpinnings of sustainable development lie in modern natural resource management, the 20th-century conservation and environmentalism movements, and progressive views of economic development. Economic development as an objective of policy The aim of economic development is to improve the material standards of living by raising the absolute level of per capita incomes. Raising per capita incomes is

also a stated objective of policy of the governments of all developing countries.
