UPS claims a package I dropped off “was never shipped”. I recently dropped off a package at a UPS store that had a prepaid label. Thanks! Archived post. New comments cannot be posted and votes cannot be cast. Is there a way to get detailed tracking on UPS site with the May 12, 2021 · A workaround that I have found is that I can put the tracking number into the search on Bing and they will get the detailed tracking info. Presumably they are using some kind of API to get the same data that the UPS app displays. **UPS tracking numbers consistently not working : r/UPS - Reddit** Oct 24, 2022 · Every time they ship out with UPS I receive my tracking number, and every time I check it I get this message: "We are unable to complete your tracking request at this time. Please try again later." In these cases, the delivery is happening, the order always arrives, and the tracking number never updates or ends up working. **Package delay for several days, no delivery date : r/UPS - Reddit** Feb 28, 2023 · I have a small but very important package (UPS Ground) shipping from NYC to California.
