*Has Anyone Purchased Discount Tire's Tire Warranty Certificate?* Aug 10, 2022 · Price varies by location. The warranty includes tire rotation and putting air in the tires if needed. **Costco Tires Vs Discount tires : r/Costco - Reddit** Jul 14, 2021 · Costco Tires Vs Discount tires I've only bought tires at Discount Tires, it's been fairly decent experience overall when it comes to getting leaks patched, buying tires, and getting tire pressure checked/corrected. I haven't needed to use the Costco tire center and since the free air pumps are off to the side, I've never needed to interact. **Does anyone prefer Discount Tires over Tesla mobile service for ...** Discount Tire even rotated my Tesla OEM tires for free since I usually buy tires from them. I make an on-line appointment on a Saturday and it takes 15 minutes, which I use to get a cup of overpriced coffee. **Has anyone worked at Discount tires??? : r/MechanicAdvice** Aug 31, 2023 · Has anyone worked at Discount tires??? I have a job interview this Friday at Discount tires I wanna know if there's anything I should know before like what kind of questions will they ask or just any good advice. This is my first job interview of my life Archived post. New comments cannot be posted and votes cannot be cast. **Tire Rack or Discount Tire? : r/tires - Reddit** Feb 6, 2023 · Discount Tire and Tire Rack are now the same company. I would suggest checking out an independant dealer. Normally, Discount Tire will have better prices but then you get nickled and dimed on the install and their famous road hazard warranty. Ask for an "Out the door" price quote then you'll have your real cost. Discount Tire Scam? : r/TeslaLounge - Reddit Discount Tire (In my area its America's Tire) measures the tread across the tire - at least they did for me - and reported the lowest number. Some Teslas have tread wearing quicker on the inside portion of the tires. Grab a tire tread gauge and measure it yourself. They don't cost very much. Do you recommend getting new tires at Costco or Discount Tire? When it comes to get new tires, do you go with Costco or other tire retailer like discount tire ? - I heard people saying don't get tires from wholesale stores in the past. My experience with discount tire has been pretty good. They replaced a tire for free and get free flat tire repairs for 2 years or 60k miles (maybe less). **Discount Tire certs worth it? : r/tires - Reddit** Oct 13, 2021 · Discount Tire certs worth it? I'm looking to get a set of 20s (\$230 each tire) and DT wants \$37/per tire for the cert. 8s this worth it? *Thoughts on discount tire? : r/tires - Reddit* Thoughts on discount tire? Worked there for a little under a year now. Almost everyone I know who uses discount tire loves them, but I've heard horror stories too. What's the general opinion OF DT from others in the industry? **Who is better for tire replacement, Les Schwab or Discount Tire ...** Jun 10, 2023 ·

Discount is good if you want to shop more variety of brands of tire. They also offer some flat repair warranties too to make up the difference with LS. When friends or family are in search of a specific tire I usually point them towards discount or Costco.
