Oratoria Departamento Educativo,2015-01-13 Oratoria Hablar en público parecería una dificultad, pero cuando se poseen las técnicas adecuadas esa dificultad se puede transformar en una virtud. Sabemos que para comunicar la palabra de Dios, es importante hablar con claridad, astucia e inteligencia. Todo esto nos ha llevado al desarrollo de este curso que le permite a cualquier miembro de la Iglesia formar en sí mismo, las aptitudes necesarias para el desarrollo de la evangelización y de otras tareas que empleen la comunicación como factor imprescindible.

El poder de convencer Humberto Mora Chaquea,2025-02-27 En el mundo actual, persuadir y convencer son habilidades esenciales presentes en todas las actividades humanas en las que hay interacción, y resultan indispensables para alcanzar el éxito. Esta obra analiza detalladamente el proceso psicológico de la persuasión, desde su origen en la mente hasta sus mecanismos operativos para influir y convencer. El libro presenta dos enfoques principales: una parte descriptiva que explica el fenómeno de la persuasión, explorando su origen en las facultades mentales y el papel de la mente emocional y racional, y una parte práctica que detalla los mecanismos y herramientas para lograr su propósito de influir. Además, ofrece recomendaciones para comprender, practicar, mejorar estas habilidades y volverse más persuasivo. Está dirigido principalmente a quienes trabajan en ventas y negociación, aunque su contenido es completamente aplicable a las relaciones interpersonales de cualquier tipo como pareja, familia, amistades, trabajo, entre otras. Es una herramienta útil para profesionales, técnicos, empresarios, líderes, empleados, estudiantes y docentes. Incluye: Un planteamiento multidisciplinario e integral. La identificación de fortalezas y debilidades del interesado, así como la aplicación de correctivos necesarios para mejorárlas. Las técnicas de comunicación, persuasión y la forma de aumentar su eficacia. La descripción de las actitudes, conductas, habilidades y otros apoyos para incrementar la capacidad de convencimiento. #EmprenderConectados Fernando Félix Carbajal,2019-08-30 En #EmprenderConectados se desarrolla la idea de la conexión de temáticas en torno al ecosistema emprendedor, mostrando como se integran los emprendedores, los Observatorios y Laboratorios, los Indicadores -en tanto herramientas-, la Visión de comunidad, las Aplicaciones, las Agencias de desarrollo, los Clubes de emprendedores, las Incubadoras, el Clúster integrador en un mundo de cambios y

transformaciones permanentes, y cómo se definen y se ponen en movimiento en este proceso de manera que permitan aprovechar las oportunidades y obtener mejores resultados. En el aprendizaje continuo se brindan ejemplos y conocimiento con valor agregado, dando importancia a las necesidades que surgen en la actualidad y cómo por diferentes caminos las redes pueden alentar a las personas a superarse, a visualizar otros contextos de desarrollo y constituirnos en parte necesaria, tender al éxito y al bienestar general. Las transformaciones se dan en diversos ámbitos, por ello la participación de profesionales y su trabajo de alto impacto demuestra que hay eslabones en esta gran cadena de la vida que son impulsores de un mejor futuro a partir del trabajo en equipo, el aprovechamiento de las oportunidades, las experiencias emprendedoras y las buenas prácticas sociales en torno a esta temática. Queremos ver que la suma de voluntades y su innovación crean mejores situaciones que podemos recorrer avanzando con multiplicación de ideas y así conseguir un mundo con variables integradas, con sumatorias de proyectos y con un trabajo interdisciplinario que refuerce la estructura de resultados. Existe en cada país un conjunto de personas que tienen las mismas motivaciones personales con visión generadora de acciones positivas para la toma de decisiones razonables que nos guíen con respeto al medio ambiente a la generación de emprendedores, a la integración de redes, al vínculo para la solución de las crisis económicas, sociales y políticas. El equipo de personas que integramos el conocimiento de #EmprenderConectados es una muestra de ello a través de nuestro compromiso y responsabilidad.

Cómo hacer que el dinero trabaje para ti Augusto Sánchez Salinas, 2018-07-02 Hacer que el dinero trabaje para ellos y no ellos para el dinero. ¿Quién no se ha sentido perdido alguna vez en el mundo laboral, en sus finanzas o en su relación con el dinero? Prácticamente todo el mundo se ha sentido así en alguna ocasión, sin duda. En ese momento de angustia, nos da la sensación de que por mucho que trabajemos y por mucho dinero que ganemos, nunca nos bastará, pues nuestros gastos no paran de crecer. Ganamos más, sí, pero necesitamos más dinero... Este libro ha sido diseñado para solucionar ese problema y ayudar a miles de personas en todo el mundo a mejorar su relación con las finanzas, sobre todo para hacer que el dinero trabaje para ellos y no ellos para el dinero. Con este fin, Augusto Sánchez comparte contigo, querido lector, miles de horas de estudio de los mejores sistemas para conseguir la tan añorada Libertad Financiera, para que nunca más ningún trabajador, empresario o emprendedor se vuelva a sentir como un «Perro perdido en Dallas». Descubren un libro que permite mejorar su relación con las finanzas y sus conocimientos del dinero ! FRAGMENTO ¿Seremos algunos de nosotros como esos pollos? Hemos evolucionado en un negocio propio o permanecido por años en un trabajo estable, sin embargo, al igual que el pollito picoteador nuestra mente se empequeñeció, no se expandió ni buscó nuevas ideas que dieran otras formas de vida, generando nuevas fuentes de trabajo e ingresos, aun con las capacidades al máximo. Muchas personas no se esfuerzan y llegan hasta donde llegan y punto, por desconocimiento o por total conformismo. Al estar concentrados con la cabeza agachada buscando solo el crecimiento interno, podemos anchar nuestras arcas, pero nos limitamos, y los

pensamientos y la capacidad de crear y expandirnos en nuevos emprendimientos se extingue, quedado renegados a la nada. Antes de que nos demos cuenta habremos perdido 30 años de nuestra vida en el consumismo, sirviendo a una institución, enriqueciendo a otra persona, o presos en nuestros propios negocios engordando para que otros nos devoren. TESTIMONIO Este libro te invita a tomar acción. Augusto Sánchez ha sintetizado con historias y sugerencias los conocimientos básicos para gestionar nuestras finanzas personales mediante una sólida educación financiera. - Carlos de la Rosa Vidal, Escritor y Presidente 2014-2016 de la Cámara Internacional de Conferencistas EL AUTOR Augusto Sánchez Salinas. Poeta, escritor, político, miembro del CIC (Cámara Internacional de Conferencistas), empresario, CEO fundador de Cosali Consultores, ha trabajado en importantes entidades públicas y privadas. A lo largo de varias décadas ha compartido sus enseñanzas por diferentes lugares del planeta: Perú, Bolivia, Ecuador, Argentina, Panamá, Estados Unidos...

Experiencing Time in the Early Modern Hispanic World Ariadna García-Bryce,2023-09-20 This book considers the new ways time was experienced in the sixteenth- and seventeenth-century Hispanic world in the framework of global Catholicism. It underscores the crucial role that the imitation of Christ plays in modeling how representative writers physically and mentally interiorize temporal impermanence as the Messiah's suffering body becomes a paradigmatic as well as malleable marker of the avatars of earthly history. Particular attention is paid to the ways in which authors adapt Christ-centered conceptions of existence to accommodate both a volatile post-eschatological world and the increased dominance of mechanical clock time. As novel means of communing with Christ emerge, so too do new modes of sensing and understanding time, unleashing unprecedented cultural and literary reinvention. This is demonstrated through close analyses of writings by such influential figures as Saint Ignatius of Loyola, Saint Teresa of Ávila, Carlos de Sigüenza y Góngora, and Sor Juana Inés de la Cruz.

Lloyd's Register of Yachts 1980 Lloyd's Register Foundation,1980-01-01 The Lloyd's Register of Yachts was first issued in 1878, and was issued annually until 1980, except during the years 1916-18 and 1940-46. Two supplements containing additions and corrections were also issued annually. The Register contains the names, details and characters of Yachts classed by the Society, together with the particulars of other Yachts which are considered to be of interest, illustrates plates of the Flags of Yacht and Sailing Clubs, together with a List of Club Officers, an illustrated List of the Distinguishing Flags of Yachtsmen, a List of the Names and Addresses of Yacht Owners, and much other information. Bulletin of the Philippine Library National Library (Philippines),1912

A Massacre in Mexico Anabel Hernández,2020-07-14 The definitive account of the disappearance of forty-three Mexican students On September 26, 2014, a party of students from the Ayotzinapa Rural Teachers' College were en route to

a protest when intercepted by local police. A confrontation ensued. Come the morning, the students were nowhere to be found. The crime that had transpired and the resultant cover-up brought the profound depths of corruption in the Mexican government and police force—as well as the vulnerability of ordinary Mexicans—into stark relief. Investigative reporter Anabel Hernández reconstructs the terrible events of that night and its aftermath, giving us the most complete picture available. Her sources are unparalleled. In researching this book, she secured access to internal government documents that have not been made public and to surveillance footage the government has tried to hide and destroy. Hernández demolishes the Mexican state's official version of events, which the Peña Nieto government cynically dubbed the "historic truth." As her research shows, state officials at all levels, from police and prosecutors to the upper echelons of government, conspired to put together a fake case, concealing and manipulating evidence, and arresting and torturing dozens of "suspects," procuring forced confessions to back up the official lie. By following the role of the various Mexican state agencies through the events in such remarkable detail, *A Massacre in Mexico* shows with exacting precision precisely who is responsible for this monumental crime and who needs to be held accountable.
