The World of E. M. Forster - E. M. Forster and the World Krzysztof Fardoński, Anna Kwiatkowska, 2021-06-11 Half a century after his demise, and over a century after the publication of his first novel *Where Angels Fear to Tread* in 1905, E. M. Forster still remains within the scope of interest of readers and critics. His life and his works continue to stir emotions and raise questions concerning humanity, nationality, and world culture(s). However, the opinions vary as to the continuation of the interest in the writer and his works. Some see him and his novels as old-fashioned, while others, like Zadie Smith, find Forster inspiring and the 'muddled' protagonists of his books fascinating. Is the interest in this writer to continue, or is it doomed to gradual oblivion? What is there in his life and his stories that can make new generations want to reach out for his works and writings? To understand the place of the writer in the present world, one must look back to the beginnings of Forster's career, as well as to the times in which he lived, commented on, and created in. This book discusses the presence and legacy of Forster in English literature and social history. Its double title reflects the duality of its content, with the book exploring Forster's own works as well as the position of Forster and his oeuvre and the values he stood for within British and

world culture(s). The book offers, therefore, a variety of new interpretations of a selection of well-known and culturally established works of the writer viewed against the findings of contemporary perspectives. It demonstrates how Forster's novel, short stories, and non-fictional writings interfuse, affect, and re-shape the literary pieces of other writers.

Playing the Text, Performing the Future Felicitas Meifert-Menhard,2013-10-14 This volume examines the structure of text-based Future Narratives in the widest sense, including choose-your-own-adventure books, forking-path novels, combinatorial literature, hypertexts, interactive fiction, and alternate reality games. How 'radical' can printed Future Narratives really be, given the constraints of their media? When exactly do they not only play with the mere idea of multiple continuations, but actually stage genuine openness and potentiality? Process- rather than product-oriented, text-based Future Narratives are seen as performative and contingent systems, simulating their own emergence.

Small Bodies of Water Nina Mingya Powles,2021-08-05 'Remarkable' Robert Macfarlane 'Gorgeous' Amy Liptrot 'Urgent and nourishing' Jessica J. Lee Nina Mingya Powles first learned to swim in Borneo - where her mother was born and

her grandfather studied freshwater fish. There, the local swimming pool became her first body of water. Through her life there have been others that have meant different things, but have still been, in their own way, home: from the wild coastline of New Zealand to a pond in northwest London. In lyrical, powerful prose, *Small Bodies of Water* weaves together memories, dreams and nature writing. Exploring everything from migration, food, family, earthquakes and the ancient lunisolar calendar, Nina reflects on a girlhood spent growing up between two cultures, and what it means to belong.

Hinges Grace Mazur, 2013-10-23 Grace Dane Mazur uses the idea of the hinge to illuminate real and metaphysical thresholds in fiction, poetry, myth, and ordinary life. From ancient narratives of Gilgamesh, Odysseus, Parmenides, and Orpheus, to modern works by Katherine Mansfield and Eudora Welty, the exploration of the Other World acts as a metaphor for the entrancement of reading

The Garden Party Katherine Mansfield, 2013 In this volume we're very pleased to bring you Katherine Mansfield's 'The Garden Party'. She was born on 14th October 1888 into a prominent family in Wellington, New Zealand the middle child of five. A gifted Cello, at one point she thought she might take it up professionally the young Katherine's first writings were published in school magazines. At 19 Katherine left for Great Britain and met the modernist writers D. H. Lawrence and Virginia Woolf with whom she became close friends. She travelled to Europe before returning to New Zealand in 1906 she began to write the short stories that she would later become famous for. Her stories often focus on moments of disruption and frequently open rather abruptly. By 1908 she had returned to London and to a rather more bohemian lifestyle. A passionate affair resulted in her becoming pregnant but married off instead to an older man who she left the same evening with the marriage unconsummated. She was then to miscarry and be cut out of her mother's will (allegedly because of her lesbianism). In 1911 she was to start a relationship with John Middleton Murry a magazine editor and although it was volatile it enabled her to write some of her best stories. During the First World War Mansfield contracted extrapulmonary tuberculosis, which rendered any return or visit to New Zealand impossible and led to her death at the tender age of 34 on January 9th 1923 in Fontainebleau, France. Some of her works are also available as an audiobook from our sister company Word Of Mouth. Many samples are at our youtube channel <http://www.youtube.com/user/PortablePoetry?feature=mhee> The full volume can be purchased from iTunes, Amazon and other digital stores. They are read for you by Richard Mitchley.

"Prelude", "The garden party" by Katherine Mansfield Nicole Gerber, 1999 Prelude, publiée en 1918, par Katherine Mansfield, est une magistrale évocation poétique et ironique du monde de l'enfance qui suggère la fragilité de la réalité heureuse de la vie d'une famille aisée. Paradis perdu et recréé où la féminité exprime ses promesses et ses frustrations. The Garden Party, publiée en 1922, raconte avec la même ironie, comment une jeune fille qui regarde le monde avec une grande sensibilité poétique, s'éveille à l'injustice sociale et à la réalité de la mort. Est proposée ici une étude méthodique des deux nouvelles (édition Oxford World's Classics).
