Women in Popular Culture Laura L. Finley, 2023-03-24 Including more than 300 alphabetically listed entries, this 2-volume set presents a timely and detailed overview of some of the most significant contributions women have made to American popular culture from the silent film era to the present day. The lives and accomplishments of women from various aspects of popular culture are examined, including women from film, television, music, fashion, and literature. In addition to profiles, the encyclopedia also includes chapters that provide a historical review of gender, domesticity, marriage, work, and

inclusivity in popular culture as well as a chronology of key achievements. This reference work is an ideal introduction to the roles women have played, both in the spotlight and behind it, throughout the history of popular culture in America. From the stars of Hollywood's Golden Age to the chart toppers of the 2020s, author Laura L. Finley documents how attitudes towards these icons have evolved and how their influence has shifted throughout time. The entries and essays also address such timely topics as feminism, the #MeToo movement, and the gender pay gap.

Becoming a Brave New Woman Pam Farrel, 2012-08-01 Popular speaker and relationship specialist Pam Farrel helps women discover how to develop the courage they need to walk into their hopes and dreams. With plenty of biblical examples and practical insights, Pam reveals that nothing is more vital to becoming a brave new woman than knowing God intimately and looking at life from His point of view. Each chapter contains: Winning Words—Scripture to help women feel empowered and overcome their fears Winning Wisdom—Tools brave women use to achieve their dreams Winner's Circle—Inspirational nuggets for encouragement and motivation Winning Ways—Accountability-partner exercises and questions perfect for prayer partners or small groups Great for women's groups or for individual encouragement, *Becoming a Brave New Woman* helps readers understand that mustering up enough self-confidence is not the answer. A woman's ability to move through life with courage and boldness rests instead on the character, power, and strength of her God.

Strategic Social Media as Activism Adrienne Wallace, Regina Luttrell, 2023-08-25 Drawing on a range of theoretical and empirical perspectives, this volume examines the roles strategic communications play in creating social media messaging campaigns designed to engage in digital activism. As social activism and engagement continue to rise, individuals have an opportunity to use their agency as creators and consumers to explore issues of identity, diversity, justice, and action through digital activism. This edited volume situates activism and social justice historically and draws parallels to the work of activists in today's social movements such as modern-day feminism, Black Lives Matter, #MeToo, Missing Murdered Indigenous Women, and We Are All Khaled Said. Each chapter adds an additional filter of nuance, building a complete account of mounting issues through social media movements and at the same time scaffolding the complicated nature of digital collective action. The book will be a useful supplement to courses in public relations, journalism, social media, sociology, political science, diversity, digital activism, and mass communication at both the undergraduate and graduate level.

The Power of Positive Words Stan Toler, 2019-03-12 Amplify Your Word Power Think about the thousands of words you use every day—words you speak to others and words you think to yourself.
