Love Never Dies Karina Machado,2014-07-01 Unable are the loved to die. For love is immortality. - Emily Dickinson This is a book about the indestructability of love. Journalist and author Karina Machado spoke to over 60 Australians with stories of post-death contact. She shares their life-shattering experience of loss, and shows how their spiritual contact with a deceased lover, friend or family member brought peace, hope and the solace of knowing that their connection lives on. There is the story of a teenage boy who appears in bodily form on the eve of his funeral to bring comfort to his sister. A young husband returns to his widow in time to prevent another tragedy. A grandmother arrives to lovingly care for the infant children of her grief-stricken daughter. A man soothes his heartbroken brother with an otherworldly embrace. Written with grace and compassion, *Love Never Dies* is as much about the power of loving relationships as it is the phenomenon of the survival of consciousness beyond death.

True Love Never Dies Sylvia Patricia McCowan,2013 Mac and Pat were both in loveless marriages and unbeknown to each other, were deeply in love. Tragically they kept this hidden for ten long years, before finally revealing their true feelings for one another. Herein lies a beautiful collection of Mac's love letters to his darling Pat, declaring his undying love for the woman who so completed him in every possible way. Despite their new found happiness, their life was not without anguish and turmoil, and after a final cruel twist of fate, their deep felt love for each other would end suddenly as Mac passed away. What a Tale My Thoughts Will Tell John Edwards,2023-06-16 Life often evolves differently than we had hoped or expected. Some of life's transitions lead to a love we have only dreamed of, but others can traumatize and overwhelm us completely. As a result, we feel discouraged and disenchanted as we quietly start to wonder about the meaning of life. John Edwards understands this deeply as he takes us on an elegant, insightful, and profound journey of his personal experiences that are a jumping-off point for discussing how cultural, psychological, and sociological influences determine the nature of our happiness and disappointments. John invites us into his incredible odyssey of life events with humor, vulnerability, and courage. In his story, he explores the challenges of navigating through the joy of falling in love, providing for his family, and

the painful disruptions of infidelity, divorce, and estrangement with passion and empathy. A unique and beautifully written book that interweaves the theme of musical songs and lyrics as a timeline and vehicle of emotional expression that mere written words could not suffice. John writes, Music binds us in a way that language rarely does. Music is the window to the soul. With the authority and wisdom that come with seventy years of human existence, John Edwards provides a compassionate and compelling story relatable to almost every human emotion we feel. It is a story of where John came from, what hopes and dreams he fought for, and what single dynamic is most important regarding the true meaning of life. It's the story of his life. This book should be read as it is extraordinary and unforgettable. It will bring forth lessons and memories of your encounters that will forever be carved into your hearts.
