

Luke 16 19 31

John Nolland

Failure and Prospect Reuben Bredenhof, 2018-12-27 Bredenhof analyses the parable of Lazarus and the Rich Man (Luke 16:19-31) by examining its functions as a narrative, considering its persuasiveness as a rhetorical unit, and situating it within a Graeco-Roman and Jewish intertextual conversation on the themes of wealth and poverty, and authoritative revelation. The parable portrays the consequences of the rich man's failure to respond to the suffering of Lazarus. Bredenhof argues that the parable offers its audience a prospect for alternative outcomes, in response both to poverty and to a person who has risen from the dead. This prospect is particularly evident when the parable is read in anticipation of the ethical and theological concerns of Luke's second volume in Acts. Bredenhof asserts that reading within the context of Luke-Acts contributes to the understanding of Luke's purposes with this narrative. It is in Acts that his audience witnesses the parable's message about mercy being applied through charitable initiatives in the community of believers, while the Acts accounts of preaching and teaching demonstrate that a true reading of "Moses and the prophets" is inseparably joined to the believing acceptance of one risen from the dead. Through a re-reading of Luke 16:19-31 in its Luke-Acts context, its message is amplified and commended to the parable's audience for their response.

Tormented in Hades John A. Szukalski, 2013-06-19 The parable of the Rich Man and Lazarus (Luke 16:19-31) seems to condemn the rich man to torments in Hades for no other apparent reason than his wealth and to reward poor Lazarus with bliss at Abraham's side for no other apparent reason than his poverty. Is divine judgment simply a matter of eternal reward for the poor and condemnation for the rich, a mathematical function inversely proportional to one's financial net worth? Or taken another way, is not the rich man's prosperity a tangible sign of divine blessing for a life well lived, and the poor man's misery an obvious sign of a divine punishment for a life of moral bankruptcy? But if this were true, then why would God reverse the eternal fates of these men upon their deaths? The parable of the Rich Man and Lazarus is one of seven money-lover parables in the Lucan Travel Narrative that addresses the issue of whether it is possible to be both rich and Christian--and if so, how so? When read utilizing the socio-narratological approach employed in this book, these parables come alive with new insights and implications for living a more authentic Christian discipleship.

The Parables of Jesus Arland J. Hultgren, 2000-06-22 Outlines the parables of Jesus and discusses how each of the parables can be taught and preached.

The Parables of Jesus Luise Schottroff,1990 A premier New Testament scholar explores how Jesus' trial and execution are portrayed in the New Testament and how that portrayal has affected biblical studies, Christian theology, and Jewish-Christian relations through history. Tomson has written an accessible, responsible analysis of the biblical accounts of Jesus' death, demonstrating how, through compounded misunderstandings, they contributed to anti-Jewish sentiment in the early church and later history. Tomson's question of how Jesus is to be understood in his first-century Judean context is a critical one not only for biblical scholars, but for anyone concerned about human rights and interreligious dialogue today.

Luke 9:21-18:34, Volume 35B John Nolland,2018-04-24 The Word Biblical Commentary delivers the best in biblical scholarship, from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship. Overview of Commentary Organization Introduction—covers issues pertaining to the whole book, including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes: Pericope Bibliography—a helpful resource containing the most important works that pertain to each particular pericope. Translation—the author's own translation of the biblical text, reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses, yet in reasonably good English. Notes—the author's notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation. Form/Structure/Setting—a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope. Rhetorical or compositional features important to understanding the passage are also introduced here. Comment—verse-by-verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research. Explanation—brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels: (1) within the context of the book itself; (2) its meaning in the OT or NT; (3) its place in the entire canon; (4) theological relevance to broader OT or NT issues. General Bibliography—occurring at the end of each volume, this extensive bibliography contains all sources used anywhere in the commentary.

Canadian Prairie Mennonite Ministers' Use of Scripture Donald Stoesz, 2018-02-07 A chance discovery of a log book of sermons by grand-uncle and Evangelical Mennonite Mission Conference minister Cornelius G. Stoesz led Donald Stoesz on a fifteen-year odyssey in which he identified four hundred and fifty-seven Scripture texts used by seventeen Mennonite ministers in Canada over the course of one hundred years (1874-1977). The extensive, yet selective, use of the Lutheran lectionary by these ministers illuminates an aspect of Mennonite church life that has seldom been recognized. Known as the *Anweisung der Lieder* and located at the front of the German-language hymnbook (*Gesangbuch*), this lectionary was in use by Mennonite congregations in the 18th and 19th centuries in Prussia and Russia. Stoesz details Scripture usage and arranges sermon texts according to method of selection and topic. Included in this analysis are biographies of three pastors and several translated sermons from 1 Peter.

Lost Orthodoxy (Paternal Light - Heart of the Gospel through the Eyes of the Kings of Christian Theology St. Justin Martyr and St. Irenaeus of Lyons) Jonathan Ramachandran, 2018-11-24 The Lost Orthodoxy Book attempts to Research the Hope of Christ Centered Universalism by comparing Bible Verses to the Exegesis done by St. Justin Martyr and St. Irenaeus of Lyons. It asserts arguments in support of the concept of ages or aeons or olams to come in St. Irenaeus' usage of these related Biblical Words together with St. Justin Martyr's harsh language regarding the punishment of the Wicked which has also been interpreted to refer to some annihilation concept. Hence the usage by these saints either implying ages or end by destruction by their language describing the punishment of the wicked may thus imply an end in reference to the original words found likewise in Holy Scripture too. The sin in the Body and Soul may thus be referred to as eternally destroyed where the damaged soul and spirit may be saved thereafter. In support of such an exegesis, some First Christianity Writings from other early Church leaders and Christian Prophecies such as the Apocalypse of Peter and the Sibylline Oracles are considered where these have a Section Describing God Saving the Wicked post Judgment after a long time as per the prayers of the Saved Christian Righteous for these to be Rescued Finally from the Lake of Fire or Gehenna itself thereby cancelling the Eternal Sentence by His Great Mercy which Triumphs over Judgment and giving these a lower place in another Eternal Life thereafter.

What Happened on the Cross Nick Peros, 2020-08-07 What Happened on the Cross offers a new and biblical understanding of how salvation was accomplished upon the cross, showing that the Penal Substitution view, common since the 1500s, does not have a biblical basis, and also showing that the Christus Victor understanding is inadequate. The book is founded upon the understanding that Jesus Christ is the Second Adam, and that is the foundation of how we are to understand how salvation was accomplished. Both the shedding of blood and death were essential in the accomplishment of salvation, and What Happened on the Cross shows why these were essential. Using over 740 Scripture verses to make its argument, the book gives a comprehensive picture from Genesis to Revelation of the many aspects involved in the accomplishment of salvation—above all showing clearly that the cross had nothing to do with “punishment for sins”—our sins were never punished upon the cross, rather, our sins were forgiven. Understanding how salvation was accomplished upon

the cross, and that it was about forgiveness, not punishment, both exalts God and his greatness, demonstrates his perfect love and justice, as well as liberates our hearts towards him.
