A Woman of Purpose and Power Myles Munroe, 2019-04-02 Best-selling author Dr. Myles Munroe offers daily practical and biblical advice for women. Based on two of his most popular books, *Understanding the Purpose and Power of Women* and *Understanding the Purpose and Power of Men*, this 90-day devotional will help you truly understand your God-given purpose and power as a woman. Each day's reading includes teaching and encouragement, a Scripture reading from both the Old and New Testaments, and a thought for the day to draw you closer to God and His purposes for you. Explore the nature and role of women as God intended, addressing such issues as: How is a woman uniquely different from a man? What are the purpose and design of the woman? What are a woman's emotional and sexual needs? What is a woman's role as a leader? What does the Bible really teach about women? As Dr. Munroe writes, A woman cannot fulfill her purpose unless she is in relationship with God. Through this devotional, you can deepen your relationship with your heavenly Father and fulfill your potential as an integral part of His eternal purposes.

A Woman Soldier's Own Story Bingying Xie, 2001-09-18 For the first time, a complete version of the autobiography of Xie Bingying (1906-2000) provides a fascinating portrayal of a woman fighting to free herself from the constraints of ancient Chinese tradition amid the dramatic changes that shook China during the 1920s, '30s, and '40s. Xie's attempts to become educated, her struggles to escape from an arranged marriage, and her success in tricking her way into military school reveal her persevering and unconventional character and hint at the prominence she was later to attain as an important figure in China's political culture. Though she was tortured and imprisoned, she remained committed to her convictions. Her personal struggle to define herself within the larger context of political change in China early in the last century is a poignant testament of determination and a striking story of one woman's journey from Old China into the new world.

Every Inch a Woman Carellin Brooks, 2011-11-01 What makes the textual image of a woman with a penis so compelling, malleable, and persistent? Although the figure of the phallic woman is in no sense unique to our age, *Every Inch a Woman* takes note of a proliferation of phallic feminine figures in disparate North American and European texts from the end of the nineteenth century onward. This multiplication, which continues today, admits of a corresponding multiplicity of motives. The phallic woman can be a ribald joke, a fantastical impossibility, a masculine usurper, an ultimately unthreatening sexual style, an interrogation into the I of the author, or an examination of female culpability. Carellin Brooks takes up the textual figure

of the phallic woman where Freud locates it, in the imagined mother that the little boy, in fantasy, credits with a penis of her own. It traces this phallic-woman motif backward to the sexological case study, and forward to newspaper accounts of testosterone-taking third-sexers. Brooks examines both high and low literature, pornography, postmodern theory, and writing that would seem to answer Lacan's injunction to move beyond the phallus. Witty and engaging, *Every Inch a Woman* makes an innovative contribution to sexuality, gender, and women's studies, as well as psychoanalytic theory and criticism.

Sex and the Citizen Faith L. Smith, 2011-04-29 *Sex and the Citizen* is a multidisciplinary collection of essays that draws on current anxieties about legitimate sexual identities and practices across the Caribbean to explore both the impact of globalization and the legacy of the region's history of sexual exploitation during colonialism, slavery, and indentureship. Speaking from within but also challenging the assumptions of feminism, literary and cultural studies, and queer studies, this volume questions prevailing oppositions between the backward, homophobic nation-state and the laid-back, service-with-a-smile paradise or between giving in ignominiously to the autocratic demands of the global north and equating postcolonial sovereignty with a wholesome heterosexual citizenry. The contributors use parliamentary legislation, novels, film, and other texts to examine Martinique's relationship to France; the diasporic relationships between the Dominican Republic and New York City, between India and Trinidad, and between Mexico's capital city and its Caribbean coast; indigenous names for sexual practices and desires in Suriname and the Eastern Caribbean; and other topics. This volume will appeal to readers interested in how sex has become an important register for considerations of citizenship, personal and political autonomy, and identity in the Caribbean and the global south. Nothing could have prepared her for what would happen next. Change is only the beginning...

Sexuality in Classical South Asian Buddhism Jose Ignacio Cabezón, 2017-10-10 More than twenty-five years in the making, this detailed sourcebook on Buddhist understandings of sexuality, desire, ethics, and deviance in classical South Asia is filled with both engaging translations and original and provocative analysis. A Woman's Odyssey Linda Aaker,1994 Politics and passion are spiked with humor and searching in this compelling tale of a modern woman's journey to mid-life. From shooting deer in Texas to shooting pictures in the Himalayas, from boyfriends to babies, from hitchhiking alone in Guatemala to traveling with the Clintons on the pre-election Texas bus tour, Aaker observes and analyses her world with unexpected candor and insight. Although the specific details are only one woman's experiences, the narrative chronicles the win/loss cycles faced by any woman who chooses to have both career and family.

A Woman's View Jeanine Basinger,1995-06-23 In this highly readable and entertaining book, Jeanine Basinger shows how the woman's film of the 30s, 40s, and 50s sent a potent mixed message to millions of female moviegoers. At the same time that such films exhorted women to stick to their proper realm of men, marriage, and motherhood, they portrayed -- usually with relish -- strong women playing out liberating fantasies of power, romance, sexuality, luxury, even wickedness...Basinger examines dozens of films -- whether melodrama, screwball comedy, musical, film noir, western, or biopic to make a persuasive case that the woman's film was a rich, complicated, and subversive genre that recognized and addressed, if covertly, the problems of women. The Mustard Seed Osho,2010-02-01 This timely book explores the wisdom of the Gnostic Jesus, who challenges our preconceptions about the world and ourselves. Based on the Gospel of Thomas, the book recounts the missing years in Jesus' life and his time in Egypt and India, learning from Egyptian secret societies, then Buddhist schools, then Hindu Vedanta. Each of Jesus' original sayings is the seed for a chapter of the book; each examines one aspect of life — birth, death, love, fear, anger, and more — counterpointed by Osho's penetrating comments and responses to questions from his audience.

A Woman's Tell, a True Story Evelyn Eason,2011-06-15 I was raised in poor neighborhoods with many brothers and sisters. I had an average education.I was well known in high school, made good grades, and achieved a lot of awards. Then I had to face one of my biggest struggles, becoming a teen mother. I eventually had to give up friends and graduated after only 3 years of high school. Kids do not realize the result of the choices that they make may affect the rest of their lives. I am going to take you through a journey of one of the most popular choices teenagers choose. Unprotected sex is one of the most popular choice a teenager would make without thinking about the affects it would have. In this story, you would see the difficulties as a teenage mom struggling through the drama of dealing with her daughters father and his family. Losing her faith and finding it again. She turns what could have been the most devastating turning point in her life into her motivation to become someone her daughter could look up to and be proud of. As an adult, she has more insight than a person does her age. Parents I hope this will help you find the strength and courage to talk to your children about safe sex and start at an earlier age than normal. That talk may save you and your child some devastating problems in the end. Teenagers make wiser choices let your parents or someone grown you trust know that you are having those feeling before you go out and do it. If

you are going to have sex, always use protection, because it just may save your life in many ways.

A Woman's Guide to Urinary Incontinence Rene Genadry, Jacek L. Mostwin, 2007-12-01 Urinary incontinence causes discomfort and distress for millions of women, particularly those who have borne children, are postmenopausal, or have passed the age of forty. This condition can have a severe negative impact on one's quality of life, and successful treatment, while possible, is complex. Cowritten by a gynecologist and a urologist who have helped thousands of frustrated women, this new guide gives patients the information they need to understand their condition and make the right treatment decisions. Dr. Rene Genadry and Dr. Jacek L. Mostwin explain how nerves, muscles, and other anatomical factors work in concert to control the bladder and how they can be affected by pregnancy, menopause, and aging. The authors discuss the common and uncommon causes of urinary incontinence, how the condition is evaluated and diagnosed, and how it can be treated. Drs. Genadry and Mostwin walk through the various treatment options—including biofeedback and behavioral conditioning, pelvic floor exercises, medications, and surgery, as well as new and emerging therapies. They also discuss what to do if a particular treatment fails. The knowledge provided here gives the woman with urinary incontinence the power to choose treatments that meet her specific needs and preferences. Friendly, accessible, and packed with valuable information, this guide is an essential resource for women who are troubled by urinary incontinence.
