KJ Lindholm-Leary

Fighting For Her Life Alison Guffey, 2023-10-31 Based on True events: As a recent, post-pandemic college graduate, Alison attempts to find her true love. Alison sees someone who catches her eye. Dale quickly checked off the prerequisites Alison had set, in her dream guy. Alison and Dale become inseparable. Their fierce and passionate personalities feed off one another, creating uncontrollable and unpredictable emotions. With Alison's dream to find a husband and Dale's secret of longing for control, comes a slippery slope of spousal abuse/ partner manipulation. Alison's longing for a husband and a family to call her own supersedes the warnings around her. She finds herself mentally struggling with what is more important, her dream family or her safety.

Cultures Emily Thiroux, 1997 Drawn from popular magazines and newspaper articles, this absorbing collection of seventy-five readings reflects the diverse heritages students bring to class by spotlighting various cultures. The readings in Cultures are brief, informative, and interesting enough to maintain even the most reluctant reader's attention. And Cultures is one of the only readers on the market to cover thoroughly each step of the writing process for each article. The articles fall into three broad areas of general interest: people and careers, issues and ideas, and culture and tradition. The author covers the entire writing process with exercises in prereading, defining, reading, prewriting, revising, and editing.
