A NEW HOPE FOR MICHAEL MICHAEL DEON,2024-10-21 Sometimes in life, we face tragedy and have losses, but above all, we can't lose our hope in the Lord. God will strengthen you through these storms in life. Sometimes, it might be hard, but we need prayer as a bridge to the Lord because it helps us get through. Keep your faith strong, and it will endure. Our belief is based on faith; we were not there when Jesus was born, nor did we see his Crucifixion or when he was raised from the dead. We must cling to God's unchanging hand because he does not lie, through the good times and bad times in life.

Closer (Gio & Whitney - book 4) We were inseparable from the moment we met, but it only took one night to destroy it all. Lies were spoken, truths were revealed, and mistakes were made. The Lantern of Lost Memories Sanaka Hiiragi, 2024-09-17 From acclaimed Japanese author Sanaka Hiigari comes a heartwarming, life-affirming novel about a magical photo studio, where people go after they die to view key moments from their life—and relive one precious memory before they pass into the afterlife. The hands and pendulum of the old wooden clock on the wall were motionless. Hirasaka cocked his head to listen, but the silence inside the photo studio was almost deafening. His leather shoes sank softly into the aging red carpet as he strode over to the arrangement of flowers on the counter and carefully adjusted the angle of the petals... This is the story of the peculiar and magical photo studio owned by Mr. Hirasaka, a collector of antique cameras. In the dimly lit interior, a paper background is pulled down in front of a wall, and in front of it stands a single, luxurious chair with an armrest on one side. On a stand is a large bellows camera. On the left is the main studio; photos can also be taken in the courtyard. Beyond its straightforward interior, however, is a secret. The studio is, in fact, the door to the afterlife, the place between life and death where those who have departed have a chance—one last time—to see their entire life flash before their eyes via Mr. Hirasaka's spinning lantern of memories. We meet Hatsue, a ninety-two year old woman who worked as a nursery teacher, the rowdy Waniguchi, a yakuza overseer in his

life who is also capable of great compassion, and finally Mitsuru, a young girl who has died tragically young at the hands of abusive parents. Sorting through the many photos of their lives, Mr. Hirasaka also offers guests a second gift: a chance to travel back in time to take a photo of one particular moment in their lives that they wish to cherish in a special way. Full of charm and whimsy, *The Lantern of Lost Memories* will sweep you away to a world of nostalgia, laughter, and love.

Instead, she finds herself a patient there, fighting a life-threatening form of pediatric cancer and suffering through a year of aggressive chemotherapy and surgery. Refusing to believe what many tell her--that the cancer was all part of God's plan--she finds solace in journaling and begins a discussion with her grandfather, a university professor specializing in philosophy of religion. Through her experiences and writing about them, the student discovers that she may be a person of faith after all--just not in the way she expected. Her grandfather has selected and arranged the journal entries and their faith conversation and has commented on them in order to bring out the spiritual dimensions of her experience. He learns from his granddaughter that faith comes more through experience than through ideas. The coauthors hope the book will help other

The Mud Sisters Edie Claire, The women's fiction debut of USA-Today bestselling author Edie Claire. Once upon a hot, lazy summer at Indian Lake, Pennsylvania, two giggling twelve-year-old girls swore to stay best friends forever. But some promises are hard to keep. When hospital social worker Teagan Hansen is called to the bedside of a Jane Doe who has been beaten and left for dead with no ID and no memory, she expects to be dealing with a victim of domestic violence. The last thing she expects is to look into the eyes of the childhood friend who disappeared abruptly from her life fourteen years before. Concussed, broken, and hypothermic, Jamie can't remember her own name, much less what personal circumstances brought her to such tragedy. But as the pieces of her memory begin to fit together, she does remember how much her friendship with Teagan meant to her through the long years of foster care, hard work, and heartbreak that followed that one magical summer. As the indomitable Teagan vows to help Jamie get back on her feet again, the women's bond strengthens anew. But with Jamie's life under threat from a man she can't remember -- a man who is determined to find her again before she does -- Teagan's loyalties to her friend, her profession, and her new marriage are tested to their limits. And when the women realize that their pasts have been intertwined far more deeply than either of them knew, the fate that separated them once before threatens to tear apart them again. And this time, it could be forever. Praise for romantic fiction by Edie Claire:
