

Her Greatest Mistake Hannah Cowan

Frederick Martin Cowan

Her Greatest Mistake Hannah Cowan, 2024-01-25 I'm the face of the NHL. The golden boy with quick hands and a million-dollar smile that the fans adore. My contract is up at the end of the season, and with playoffs starting, I have to be on my best behaviour. Keep my head down and respect the press when they shove their microphones beneath my nose. This isn't my first rodeo, so it should be easy. Right? No. Not this time. One bad call and I'm the poster boy for poor decisions. I haven't seen my childhood best friend since the day her father betrayed me and she broke my heart. Now, eight years later, she's back. And she's my fake girlfriend for the next two months. Some wounds never heal, and the moment I see Braxton Heights, I know mine have not. But she's the only shot I have at saving my reputation and securing my new deal, and while I might have lost her all those years ago, I refuse to lose hockey. I just hope I'm strong enough not to fall for her all over again in the process.

His Greatest Muse Hannah Cowan, 2024-01-25 Tinsley Lowry is my obsession. Tinsley Lowry could be my downfall. I've known Tinsley since we were children, two souls tangled in a bond that defied explanation. Her name echoes in my mind like a song. The world sees me as a rockstar, but it's her who sees the parts of me I've kept hidden from everyone else. When Tinsley joins me on my tour, and we travel from city to city, a nagging feeling grows that someone is lurking in the shadows, watching her, waiting for her. The protectiveness I've always felt for her is driving me to insanity. With each day that passes, it becomes clearer that I want more. My need for her has erupted into a raging inferno. I'm not seeking redemption; I'm embracing the darkness that defines me in an effort to keep her safe. Can my obsession protect her against what I can feel coming, or will it become what devours us both?

His Greatest Treasure Hannah Cowan, 2024-12-12 The fourth book in international bestseller, Hannah Cowan's GREATEST LOVE series! Oliver Bateman is a jerk. It's been a decade since I've seen him last, and while time has been generous with his outrageously good looks, it wasn't kind to his attitude. He was born grumpy, so I don't know why I expected our first meeting as adults to go any differently than our final goodbye as teenagers. The only thing worse than him not recognizing me is being stuck as his neighbour for the foreseeable future. We don't get along in the slightest, and even my daughter's infatuation with him can't keep my temper from flaring when he purposefully pushes all my buttons just to get a rise out of me. Yet even as I remind myself of that, it's obvious that I haven't had anyone bring this type of reaction out of

me in years. It feels almost as good as the first brush of his hands on my skin and breath on my lips. He brings me out of my shell and reminds me that Mom doesn't have to be my only label.

Her greatest mistake. Ediz.italiana Hannah Cowan,2024

Her greatest mistake Hannah Cowan,2024-04-02 Sono il volto della NHL. Il ragazzo prodigio dal colpo letale e il sorriso da un milione di dollari che i tifosi adorano. Il mio contratto scade a fine stagione e, con l'inizio dei playoff, devo fare il bravo. Profilo basso e approccio amichevole con la stampa, anche quando mi sbattono il microfono sotto al naso. Non sono un novellino, quindi posso farcela. Giusto? No. Questa volta è diverso. Un passo falso e divento l'esempio vivente di come rovinarsi la vita con le proprie mani. Non vedo la mia migliore amica storica dal giorno in cui suo padre mi tradì e lei mi spezzò il cuore. Oggi, otto anni dopo, è tornata. E per i prossimi tre mesi sarà la mia finta fidanzata. Alcune ferite non si rimarginano mai, e capisco che è proprio il mio caso non appena vedo Braxton Heights. Ma è l'unica possibilità che ho per salvarmi la reputazione e concludere il nuovo accordo. Ho già perso lei in passato, ora non posso perdere anche l'hockey? Spero solo di essere abbastanza forte da non innamorarmene ancora.

Her Greatest Adventure Hannah Cowan,2024-01-25 Adalyn I've been planning my trip across the world for years. So, imagine my surprise and utter disappointment when unforeseen circumstances leave me with no travel companion and a wallet too empty to reschedule. Far too stubborn to cancel, and left with little options, I turn to the only person who just so happens to have the entire summer free. Cooper White is my older brother's best friend. He's the fixer. The sweet one with all the right words. I expect him to be boring and quiet. But with each day we spend together, I'm learning that there's more to him than meets the eye. We quickly become best friends, but one drunken night is all it takes to change everything. And now . . . now he's my husband. Cooper Adalyn Hutton is an enigma. I never expected us to grow so close so fast, but she's impossible to keep at a distance. Each day spent with her slowly chips at the wall I built between us until there's nothing left of it but rubble. Considering my friendship with her brother, accidentally marrying her should be the mistake of a lifetime. But it feels like the opposite. There's no turning back now. One glance at my ring finger and I'm reminded of the promise we made to one another, and I can't seem to look away.

Lucky Hit Hannah Cowan,2024-01-25 OAKLEY I have one goal. To be drafted into the NHL and make my father proud. I've never been interested in dating, not when all of my spare time is spent at the rink perfecting my craft. There's no time for distractions. I can't afford them. But she came out of nowhere. Octavia Layton, the girl with the pretty smile and the broken heart. One night spent talking beneath the stars and now she won't get out of my head. I never expected to see her again, but now she's here in this new city, with ties to my new team, and I don't think I'm strong enough to fight against her pull. AVA I hate hockey players. After a nasty breakup, I've sworn them all off for good. Or so I thought. We met when I had puffy eyes and a broken heart, but I didn't know who he was until he shows up in my city months later as a new member of

our local hockey team. The sweet guy who so easily made the ache in my chest go away with lame jokes and a swoon-worthy smile is here, and he wants me. Despite everything I said I wouldn't do, I can't seem to stay away from him. But dating a future NHL player isn't the life I imagined for myself, and as things keep going wrong, I'm starting to wonder if maybe the best-made plans aren't always the ones you expect.

Vital Blindside Hannah Cowan,2024-01-25 Adam White has been called many things but single dad was not one he expected. At twenty-three Adam's life changed forever – suddenly he was the father to a son he never knew existed – but he's spent the past ten years managing to raise his son and juggle his business. White Ice Training is now one of the best hockey training facilities in Vancouver. But when he recruits a new hockey trainer, she lights a flame inside of him that he thought had long since burnt out. One terrible game was all it took for Scarlett Carter to lose everything. After a career-ending injury destroys her chances of ever playing professional hockey again, she finds herself lost in a mess of broken dreams. Moving back home to Vancouver was never in the playbook. Scarlett wants to forget about the world that broke her, but a new job at White Ice won't let that happen. The more time she spends with Adam, the harder she's finding it to resist him. She can't help but wonder why he cares so much about her. And more importantly, why can't she bring herself to skate away?

Blissful Hook Hannah Cowan,2024-01-25 Everyone knew the rules. Gracie Hutton was off-limits. But Tyler's never been one to follow rules. And now she's about to become his ultimate sin. Tyler Bateman doesn't know what easy means. He's never had an easy day in his damn life. Everything he has he's worked for. Blood, sweat, and tears. Hockey is his escape, a passion he never knew he could possess. He wants to succeed. He wants to prove that he's worth something. He wasn't expecting her to matter. He didn't want her to. But she had other plans, and now his best friend's sister is about to ruin his life. And he might just let her.

Catching Sparks Hannah Cowan,2024-05-04 When Garrison Beckett stumbles into Cherry Peak, it isn't by choice. As the CEO of Swift Edge Records, his presence here is like a storm cloud in our clear blue sky. They say he's here for the next two months to grow as a person while waiting for the dust to clear back home, but he sees his stay as a punishment wrapped in small-town charm. He's everything I've always avoided in men: rude, conceited, and utterly infuriating. Yet, while the spark between us is impossible to ignore, it's also a giant pain in my ass. We fall into a simple arrangement. Friends with benefits.

No strings, just the thrill of the moment and undeniable sexual chemistry. It was supposed to be easy. I wasn't supposed to fall for him. As the end of his two month exile approaches, the reality of our situation sinks in. Garrison's life is in Toronto, and my roots are buried deep in Cherry Peak. We're worlds apart, but surely I can't just let him walk away...right? Is our love enough to bridge the distance between two entirely different worlds? Or are we destined to be just another Cherry Peak legend?

Between Periods Hannah Cowan,2022-07-25 Five friends, one tropical vacation. It's been a year since Oakley was drafted into the professional hockey league. Life has gotten a lot more complicated, not only for him and Ava, but also for his younger sister, Gracie, and their two closest friends. Tyler is about to make his professional hockey debut, and is still in Gracie's sights. But things are different now that she's older, and it's becoming harder for him to convince himself that she's just his best friends little sister. Adam is closing in on his university graduation, and more than ready to completely let loose on this much needed trip. But what happens when he lets himself get too loose, and finds himself in a situation that he might not be able to sweet talk himself out of? Follow the Swift Hat-Trick group as they invoke on a paradise vacation away from the pressures of the real world and grow impossibly closer along the way.

Her greatest adventure. Greatest love. Ediz. italiana Hannah Cowan,2024

Strung Along Hannah Cowan,2024-01-29 Love. Sucks. I don't know where I went wrong. Whether it was letting a man convince me that suddenly, the things I've never wanted are right for me, or if simply believing the best in the person who I wasted three years of my life on was what lead me here. To Cherry Peak. A small town nestled in the heart of Alberta, Canada. The hometown of rising country star, Brody Steele. It only takes one brief encounter to mark him as a broody jerk. An all-knowing, arrogant celebrity with a complex I don't have the energy for. But if I truly dislike him the way I've convinced myself I do, then why am I always looking for him in crowded rooms? Why are his surprisingly thoughtful gestures melting the wall of ice I've stuck between us? Cherry Peak was supposed to be my fresh start, a place to heal and rebuild. Yet, just as I begin piecing my life back together, Brody's preparing to leave, as if he hasn't become a vital part of that journey. The thought of losing him keeps me up at night. I don't know if we'll ever be able to find our footing, or if we were just stringing each other along the whole time.
