Prejudice in Love Stephen Box,2020-08-25 A loving relationship can be defined as two imperfect people who refuse to give up on each other. But what if ignorance and alienation become a dominant force within and external prejudice becomes a barrier? Cis, a beautiful, coloured twenty-eight-year-old fashion writer, and Andy, a twenty-eight-year-old Scottish businessman, have been together since university days and married for two years. Both are inexperienced lovers, too busy to care, and are sleepwalking their way to divorce over the desire for a child. Whilst escaping a storm, Cis has a chance meeting with a much older and significantly more experienced professional man, Paul. Whilst sheltering her from the storm, Paul realises her dilemma and starts to educate her in the skills and delights that she so needs for a successful marriage. She wants more, including giving her his child, much against his better judgment as he has a painful history regarding wives and children. Then she wants Paul as well in spite of the clear prejudice that such a relationship would foster for both of them in society. And she will go to any length to keep him. This is a story of prejudice, generational value differences, and want over need, regardless of the consequences, in a culture of 'I want it all, and I want it now'.

They understood Nature, as well as shared an innate connection with Her many blessings.

Devastated by the reduced circumstances in which he finds himself due to the outlandish spending of his late father, the current Lord Fordcombe simply cannot afford to repair it. With only a few loyal servants to serve the family, even the once beautiful gardens and stables are shabby and unkempt. In fact the Forde family, blue-blooded and aristocratic, who have entertained more than one English Monarch during their illustrious past, are now so poor that they struggle to find money for food. Driven beyond endurance and crushed by the monotony of poverty, Jeremy, the handsome twenty-one year old son of Lord Fordcombe decides that something desperate must be done. Artfully persuading his eldest sister, Mariota, to sacrifice her principles and go along with his daring plan, she joins him in holding up a coach masquerading as highwaymen. But as the usually honest and kind Mariota catches a glimpse of the terrified woman they are robbing, she knows that this is something she should never have allowed. About to call off Jeremy, who is wild-eyed with excitement and oblivious to the upset he is causing, she suddenly sees a gentleman taking aim with his gun behind her brother. In a split second she fires, blinded to the consequences of her actions through her love for her brother. As the dust settles on the lonely road she realises that the handsome Earl of Buckenham is injured and, eager to avoid the gallows, the subdued siblings bring him to their home to heal. Desperately sorry by the trouble they have caused, Mariota proceeds to nurse him better, praying for forgiveness and willing the Earl to improve.
