**Thrashing About with God** Mandy Steward, 2013-10-01 What if Jesus didn't die so our lives could look perfect? What if He died so we could stop feeling like our lives have to be perfect to mean something? What if we simply live out our own story, even if it doesn't look as others say it should? Mandy Steward set out in pursuit of these what-ifs. She didn't find answers so much as she discovered a messy grace that knows no limits and a God that was and is willing to thrash about with her no matter her questions or struggles or doubts. What she found was abundant life, but it didn't look like she thought it was going to. It was far different, and much deeper. This is a book without "easy" answers that lets those struggling with faith and searching for more know they are not alone.

Stepping Fully into Life Lynn Goodwin, 2024-08-08 We have a deep human desire to manifest a life for ourselves that is most aligned with who we are and who we are always evolving into. We strive to outwardly express our uniqueness, and creativity, and contribute to life while also remaining close to our soul — the source of our innermost joy. Stepping Fully into Life explores the many ways you can come back to your Self and with that, authentically create a life that you adore. This guide invites you on a journey of self-discovery to explore your human and spiritual nature. By honoring and caring for both, you can manifest a life led by your innermost Self. During our lifetime, there exists a constant conversation between these two aspects of our nature, an ongoing relationship and learning. We experience all of life through our human form and choose how to live and act in the world. We also access limitless possibilities by connecting with our soul through ordinary life experiences. We can create the conditions for remembering our Self and for living a meaningful life. From a place of true inner bliss, we can manifest a life where all our relationships, work, recreation, pursuits, and pleasures emerge from the most genuine reflections of who we are. In this self-inquiry guide, Ayurvedic wisdom meets modern-day poets and writers to empower and direct you toward connecting with your true nature and living the truest expression of yourself.

**Flow** Susan W. Springer, 2022-03-22 A guide that shows that yoga and Christian faith can be harmonious. As church membership nationwide continues to decline, the number of yoga practitioners continues to steadily increase. What's at the meeting place where the trajectories cross? What can the church learn from the popular success of yoga, and is it problematic to offer yoga in the church? How can churches offer yoga in a way that observes, appreciates, and builds upon the commonalities but which does not conflate the two traditions, each of which has its own integrity? Making the decision to offer yoga in the church requires humility: a confession that Christians do not hold the exclusive pathway to communion with the divine.

**Old Ideas, New Practices: When Religion Is for Relationships** Bernard Lawrence Potvin, 2021-03-15 This book is an upstream solution to the problems, issues, and questions young people struggle with downstream--alienation, boredom, and mistrust of religion. It includes over a hundred teaching strategies, tactics, logistics, and relationship builders that teachers in homes, schools, and churches can use. This book is a treasure chest of old ideas cast into new and proven teaching practices, each to be mined for the gem in it. Potvin's interest in writing this book, however, is not to focus on what is broken and ineffective in Christian religious education (and a lot of education is broken and ineffective) but on what he has learned to be proven to be effective. He has drawn from his PhD studies, parenting with its perturbations and insights, and over forty years of teaching in universities, public, and faith-based schools. Jesus gave us our program of studies, with much to think about and practice what could work--to bring us to our true self, friendship with the Creator, love for others, and justice for all. And given the unprecedented trend towards home education and online teaching, designed for and led by parents, new practices based on old ideas may be just what the doctor ordered.

**Imagine** James G. Cullinane, 2016-12-07 Finally, I've arrived at a place where I'm comfortable with the concept of God, not as something or someone in human form but a force, a source that touches all life maybe not unlike a gentle breeze that sweeps across the planet touching all in its path and, if we allow, in good and empowering ways. I believe also that this is an ongoing process and that this physical life is but a tiny, teeny part of our journey. Our soul is immortal; the physical body will deteriorate and die, but the soul journeys on. My life has been a slow, slow process of understanding and accepting the uniqueness of each and every life, the potential that each and every one carries within us, the importance of being positive especially in our thoughts, which translate into reality and the life we live, the importance of love and forgiveness to ourselves and others, and the absolute importance of connecting with God. This God force is always ready, willing, and more than able to answer our prayers.

**To Everything a Season** Bonnie Bowman Thurston, 2004-03-26 The fruit of her determined prayer for a way to give her spirit time to catch up, this pithy reflection on the qualities of time will introduce highly respected biblical scholar, professor, pastor, widow, friend, and author Bonnie Thurston to a wider audience - everyone who is time-pressed and deadline

pressured. The news is good: Time is the creation of a generous God who always provides not only the bare essentials, but usually a feast. As the writer of Ecclesiastes mused: For everything there is a season, and a time for every matter under heaven. It is with her trust in this abundance that Thurston explores the mystery of time and the rediscovery of the Judeo-Christian understanding of time as God's sacred and bountiful gift. She looks at time from both a historical and a theological perspective; she studies seasons as measured by the liturgical cycle, the monastic day, the jubilee year, and the Sabbath; and she ponders the meaning of time participles - familiar phrases such as finding time, making time, spending time, and marking time. With her encouragement, the reader will discover that there is enough time - if we redeem the time by reclaiming the Sabbath, the time built into the rhythm of creation by God for rest and re-creation. 'To Everything a Season' offers reflection exercises to help us understand both how we think about and how we use time, as well as suggestions for ways of making Sabbath in the midst of our own crowded lives. The result is an invitation and a recipe for living in the present moment, in God's eternal Now.

*Living Life as a Sacred Practice* Sharon Parris-Chambers, 2018-10-05 *Living Life as a Sacred Practice* is the author's response to many years of trying to learn various methods of unifying mind, body, and spirit. She has captured the essence of life and greatness in this book with the inclusion of many practices to develop spiritual mastery. The approach requires choosing a theme from the table of contents that resonates with the reader or that the reader needs to work on. Examples of suggested sections are Abundance, Sacred Feminine, Beauty, Life, Light, Breath Consciousness, Healing, Wellness, and Inside Out. The process begins with reflecting on a quotation, reading a commentary, and reciting an affirmation. This can be

repeated throughout the day to reinforce the message. You may choose a practice for twenty-one to thirty days to achieve spiritual transformation, or just use the suggested one that comes along with the quote for inspiration. The commentaries are unique, thoughtful, and out of this world. It teaches the reader to be an original thinker and to look at life from the vantage point of a creator, not as an object of creation.

*My Burden Is Light* Sue Magrath,2019-10-04 Being a clergyperson can be stressful--mentally, physically, emotionally, spiritually, and relationally. From pressure to grow their congregations to unrealistic expectations from church members to poorly defined guidelines about working hours or tasks, new pastors sometimes flounder. Even experienced pastors can get caught off guard by deep-seated dysfunction in their congregations or other circumstances that trigger psychological issues from their past. This book helps pastors explore the situations that make them vulnerable to burn-out, misconduct, spiritual dryness, health issues, depression, and more. Through real-life stories, pragmatic advice, and psychological and spiritual wisdom, the author will show readers how to practice good self-care while maintaining effectiveness and reignite the energy and passion that first fueled their call to ordained ministry.

**Forty Years of Sacred Space** Dr. Patrick Donovan,2013-11-01 After forty-three years in the sacred space of caring for patients, Dr. Donovan shares his observations and thoughts about illness and healing. He believes illness serves us by acting as life's transformative process. As such, the journey through our illness may be precisely the very experiential journey we need to realize our healing and ourselves more fully. After all, we don't get cancer. Cancer, like any illness, is a process. We

are the cancer we manifest. Our cancer arises out of our own tissues and cellular make up. To rid our self of our cancer is to rid our self of a part of our self. Instead of thinking about illness as something we get, something separate from ourselves needing to be removed or defeated, Dr. Donovan thinks we might well do better viewing our illness as a transformational journey that must be undertaken and completed for our healing to emerge. We cant get rid of our selves but we can transform ourselves and our illness provides us with that opportunity. It allows us our healing.

**Practical Wisdom** Tamera Siminow,2017-11-25

**Down Rivers of Windfall Night** Frances Garrett Connell,2004-02-20 The story of several generations of a family, as seen through the wonderings and wanderings of it youngest daughter; uses dreams, stories, trips, journals, and letters to trace the power of commitments and consciousness, memory and forgetting, reality and dream, mythology and religion, and mental illness and vision. As the Arthur family gathers to hold a vigil beside the dying father, James, their voices drift in and out over 80 years and two continents to recall their individual lives, as Yvonne, the narrator, discovers her final role.

**Kissed by a Fox** Priscilla Stuckey,2012-09-01 Drawing inspiration from sources as varied as ancient philosophers and contemporary biologists, Kissed by a Fox challenges readers to enact a different story of nature, one in which people and place are not separate, where other creatures respond to human need, and where humans and all others together create the world Dissatisfaction with nature flows throughout Western civilization, as deep as its blood, as abiding as its bones. Convinced to the marrow that something is deeply wrong with nature, . . . the Western world tries to remake it into something better. For Priscilla Stuckey, this is a fundamental and heartbreaking misconception: that nature can be fixed, exploited, or simply ignored. Modern societies try to bend nature to human will instead of engaging in give-and-take with a living, breathing land community. Using her personal experiences as the cornerstone, Stuckey explores the depth of relationship possible with the birch tree in our backyard, the nearby urban creek, the dog who settles on our bed each night. With the eloquence of the great nature writers before her, Stuckey encourages us to open ourselves to the unlimited possibilities of a truly connected life.
