**The Drug Users Bible [Extended Edition]** Dominic Milton Trott, 2022-09-12 Note that this is the complete and final version of The Drug Users Bible. People are dying because of ignorance. They are dying because unremitting propaganda is denying them vital safety information. They are dying because legislators and the media are censoring the science, and are ruthlessly pushing an ideological agenda instead. They are dying because the first casualty of war is truth, and the war on drugs is no different. This book makes a significant contribution in confronting this harrowing and tragic narrative. Over a 12 year period the author of this book self-administered over 180 psychoactive substances; both chemicals and plants. For each he recorded the life-sensitive safety data, including the anticipated onset times, the common threshold doses, the routes of administration, and the expected duration of the experience. In addition, for every compound he also produced a trip report, detailing the qualitative experience itself. This delivered another invaluable insight, enabling, for example, an objective assessment of the extent of any loss of judgement and self-control. This is a substantial body of work, embracing a wealth of direct support material, including addiction/overdose advice, relative harm tables, and legal briefings. Its contents also extend to cover aspects such as drug tourism, psychedelic exploration and drug related culture. It is crammed with detailed reference data, and even includes its own drug dictionary. The Drug Users Bible is a unique and unprecedented volume of encyclopaedic research, embracing the full extent of the drugscape. Its objective is to provide, without fear or compromise, core and critical information to support the health, welfare and well-being of the 250 million people in the world who use drugs. The book itself is lavishly illustrated with hundreds of photographs, taken by the author himself. **THE TEN COMMANDMENTS** The first section comprises a comprehensive introduction to crucial drug concepts and practices. This, in itself, is indispensable prior-reading for anyone who chooses to use a psychoactive substance. It contains, for example, a detailed risk mitigation procedure: 'The 10 Commandments of Safer Drug Use'. This presents a generic set of easily understood steps to aid personal safety, inclusive of an illustrated explanation of how to identify test the substances themselves. **THE PSYCHOACTIVE DRUGS** The full gamut of psychoactive chemicals and botanicals is meticulously covered. Well known examples include heroin, cannabis, xanax, kratom, cocaine, DMT, methamphetamine, ketamine, LSD, ayahuasca, alcohol, and MDMA. Lesser known examples include 4-ho-met, calea, ephenidine, mad honey, mapacho, a-PHP, and yohimbe. The scope also extends well beyond the most common categories, of psychedelics, stimulants, depressants and dissociatives.

Included, for example, are dream herbs and nootropics. The investigation of psychoactivity was unbounded and unfettered. THE WORLDSCAPE Drug use does not occur in a vacuum, so the final section considers the wider context, with in-depth examination of everything from travel to the horrors of the war on drugs. Facts, science and genuine statistics replace the myths, fabrications and propaganda of the prevailing social order, again with welfare and safety emphasized. EDUCATION SAVES LIVES Education underpins harm reduction, and is the primary driver throughout. Indeed, personal safety is the first and last message, and guides the entire narrative. This is a book for drug users and their families. It is a book which will help to avert tragedy. It is a book which will save lives.

*Christmas at Dove Creek* Scarlett Dunn, 2016-10-25 "A well-written tale packed with strong characterizations and deep emotions . . . This uplifting novel will keep readers warm all winter." —Publishers Weekly, starred review With snow on the prairie and the stars heralding new hope, it's the season for the lost to find their way home—and love to unite solitary hearts . . . She rides like an angel and she's a crack shot. And Lily Starr is determined to shepherd a helpless group of outcasts from Missouri to Wyoming by Christmas—including a pregnant woman whose blessed event is drawing near. So encountering handsome Thorpe Turlow along the dangerous trail is a welcome unexpected gift, for he's as formidable as he is reserved. Besides, understanding this gentle, secretly wounded man is another challenge Lily isn't about to resist . . . After the heartbreak he's found, Thorpe just wants to retreat to his peaceful Dove Creek ranch. But he's never met anyone as resourceful and straightforward as Lily. Somehow, she's reigniting his faith and giving him the courage to trust again. And if they survive the arduous trip ahead, he'll do whatever it takes to give her a lifetime of joy and love . . . "Strong and dynamic characters sparkle in this story of the old West . . . A totally delightful romance with lots of excitement and thrills—a special book for any time of the year!" —Romance Reviews Today "We fall in love with the wonderfully portrayed characters as they travel and experience many twists and turns.
