Here We Grow Paige Davis, 2025-07-30 After a lifetime of seeking all things spiritual, wellness, and at times woo-woo, Paige Davis finds herself facing a breast cancer diagnosis at thirty-eight years old. She quickly realizes, however, that cancer is not her crisis point but a landing pad of experiences that's inviting her to integrate her mind, body, and spirit. Ultimately, she embraces her diagnosis through a lens of love rather than as a battle to be fought—a perspective that allows her to find

peace in the present moment, and heal from the inside out. In *Here We Grow*, Davis provides a refreshing new paradigm of integrative living that doesn't deny the hardship of a situation, but instead encourages meeting difficulty through embodied heart-centered presence. Utilizing mindfulness, meditation, and mind-body disciplines, she shares a tool kit for transformation as she learns to befriend her body, cope through compassion, face survivor's guilt, create a new normal post treatment, and discover the unexpected awakening of intuition and open-heartedness in the healing journey. Filled with honesty, humor, and present-moment awareness that reveals our true capacity for joy, connection, grace, and resilience, *Here We Grow* is Davis's story of meeting fear and uncertainty with mindfulness, meaning, and the unconditional love inherent in us all.

SING Caroline Redman Lusher, 2024-10-16 Caroline Redman Lusher is the visionary behind Rock Choir, the world's largest contemporary choir. In this, her long-awaited autobiography, Caroline candidly shares the highs and lows, her successes and sacrifices as she created an enterprise that has proved to be a lifeline for tens of thousands across the country. This is an extraordinary story about an extraordinary woman.

Ordinary Girls Jaquira Díaz, 2019-10-29 One of the Must-Read Books of 2019 According to O: The Oprah Magazine * Time * Bustle * Electric Literature * Publishers Weekly * The Millions * The Week * Good Housekeeping "There is more life packed on each page of *Ordinary Girls* than some lives hold in a lifetime." —Julia Alvarez In this searing memoir, Jaquira Díaz writes fiercely and eloquently of her challenging girlhood and triumphant coming of age. While growing up in housing projects in Puerto Rico and Miami Beach, Díaz found herself caught between extremes. As her family split apart and her mother battled schizophrenia, she was supported by the love of her friends. As she longed for a family and home, her life was upended by violence. As she celebrated her Puerto Rican culture, she couldn't find support for her burgeoning sexual identity. From her own struggles with depression and sexual assault to Puerto Rico's history of colonialism, every page of *Ordinary Girls* vibrates with music and lyricism. Díaz writes with raw and refreshing honesty, triumphantly mapping a way out of despair toward love and hope to become her version of the girl she always wanted to be. Reminiscent of Tara Westover's *Educated*, Kiese Laymon's *Heavy*, Mary Karr's *The Liars' Club*, and Terese Marie Mailhot's *Heart Berries*, Jaquira Díaz's memoir provides a vivid portrait of a life lived in (and beyond) the borders of Puerto Rico and its complicated history—and reads as electrically as a novel.

Vacuum in the Dark Jen Beagin, 2020-01-28 From the Whiting Award-winning author of *Pretend I'm Dead* and one of the most exhilarating new voices in fiction, a "thoroughly delightfully, surprisingly profound" (*Entertainment Weekly*) one-of-a-kind novel about a cleaning lady named Mona and her struggles to move forward in life. Soon to be an FX television show

starring Lola Kirke. Mona is twenty-six and cleans houses for a living in Taos, New Mexico. She moved there mostly because of a bad boyfriend—a junkie named Mr. Disgusting, long story—and her efforts to restart her life since haven't exactly gone as planned. For one thing, she's got another bad boyfriend. This one she calls Dark, and he happens to be married to one of Mona's clients. He also might be a little unstable. Dark and his wife aren't the only complicated clients on Mona's roster, either. There's also the Hungarian artist couple who—with her addiction to painkillers and his lingering stares—reminds Mona of troubling aspects of her childhood, and some of the underlying reasons her life had to be restarted in the first place. As she tries to get over the heartache of her affair and the older pains of her youth, Mona winds up on an eccentric, moving journey of self-discovery that takes her back to her beginnings where she attempts to unlock the key to having a sense of home in the future. The only problems are Dark and her past. Neither is so easy to get rid of. Jen Beagin's *Vacuum in the Dark* is an unforgettable, astonishing read, "by turns nutty and forlorn...Brash, deadpan, and achingly troubled" (O, The Oprah Magazine). Beagin is "a wonderfully funny writer who also happens to tackle serious subjects" (NPR).

Sounds of Vacation Jocelyne Guilbault, Timothy Rommen, 2019-08-30 The contributors to *Sounds of Vacation* examine the commodification of music and sound at popular vacation destinations throughout the Caribbean in order to tease out the relationships between political economy, hospitality, and the legacies of slavery and colonialism. Drawing on case studies from Barbados, the Bahamas, Guadeloupe, Saint Martin, and Saint Lucia, the contributors point to the myriad ways live performances, programmed music, and the sonic environment heighten tourists' pleasurable vacation experience. They explore, among other topics, issues of authenticity in Bahamian music; efforts to give tourists in Barbados peace and quiet at a former site of colonial violence; and how resort soundscapes extend beyond music to encompass the speech accents of local

residents. Through interviews with resort managers, musicians, and hospitality workers, the contributors also outline the social, political, and economic pressures and interests that affect musical labor and the social encounters of musical production. In so doing, they prompt a rethinking of how to account for music and sound's resonances in postcolonial spaces. Contributors. Jerome Camal, Steven Feld, Francio Guadeloupe, Jocelyne Guilbault, Jordi Halfman, Susan Harewood, Percy C. Hintzen, Timothy Rommen

Singing the Rite to Belong Helen Phelan, 2017-04-03 This book explores the way in which singing can foster experiences of belonging through ritual performance. Based on more than two decades of ethnographic, pedagogical and musical research, it is set against the backdrop of the new Ireland of the late 20th and early 21st centuries. Charting Ireland's growing multiculturalism, changing patterns of migration, the diminished influence of Catholicism, and synergies between indigenous and global forms of cultural expression, it explores rights and rites of belonging in contemporary Ireland. Helen Phelan examines a range of religious, educational, civic and community-based rituals including religious rituals of new migrant communities in borrowed rituals spaces; baptismal rituals in the context of the Irish citizenship referendum; rituals that mythologize the core values of an educational institution; a ritual laboratory for students of singing; and community-based festivals and performances. Her investigation peels back the physiological, emotional and cultural layers of singing to illuminate how it functions as a potential agent of belonging. Each chapter engages theoretically with one of five core characteristic of singing (resonance, somatics, performance, temporality, and tacitness) in the context of particular performed rituals. Phelan offers a persuasive proposal for ritually-framed singing as a valuable and potent tool in the creation of inclusive, creative and integrated communities of belonging.

A Supreme Love William Edgar, 2022-07-26 Theologian and jazz pianist William Edgar places jazz within the context of the African American experience and explores the work of musicians like Miles Davis and Ella Fitzgerald, arguing that jazz,

which moves from deep lament to inextinguishable joy, deeply resonates with the hope that is ultimately found in the good news of Jesus Christ.

The Matt and Noelle Letters Dan Tice, 2014-02-07 I could imagine that most senior citizens approaching seventy years of age might look back on their life and wish that they had accomplished more. The author of this book would be no exception. But praise the Lord, he has very few regrets. He has had the great privilege to see God do things in his life he never expected that He would, and he has a wife and family that bless him every day things that money could never have purchased, even if he did have more of it. In the book of Acts, as Peter and John were walking through the temple courts in Jerusalem, a crippled beggar asked them for money. Peter's answer to him was simply, I have no silver and gold, but what I do have I give to you... (Acts 3:6, ESV). I would tell my family the same thing. What I do have, money can't buy. And they can have it too. God can be just as real for them as He has always been for us. And when He promises them, I am with you, they will never lack any good thing. If I were being totally honest, I do have one major regret in life: I wish I could have told more people about Jesus, and would have been a bolder witness. But I am praying that, by God's grace, the books I have written will perhaps accomplish what I didn't. People that I haven't met, in places that I never went, can still read what I have written. And like that little boy's lunch in Jesus' hands, five loaves of bread and two fish, or maybe even my four books and one life, can still feed a multitude. With God, all things are possible! Hallelujah!

Air Traffic Gregory Pardlo, 2018-04-10 From the beloved Pulitzer Prize-winning poet: an extraordinary memoir and blistering meditation on fatherhood, race, addiction, and ambition. Gregory Pardlo's father was a brilliant and charismatic man--a leading labor organizer who presided over a happy suburban family of four. But when he loses his job following the famous air traffic controllers' strike of 1981, he succumbs to addiction and exhausts the family's money on more and more ostentatious whims. In the face of this troubling model and disillusioned presence in the household, young Gregory rebels. Struggling to distinguish himself on his own terms, he hustles off to Marine Corps boot camp. He moves across the world, returning to the United States only to take a job as a manager-cum-barfly at his family's jazz club. *Air Traffic* follows Gregory as he builds a life that honors his history without allowing it to define his future. Slowly, he embraces the challenges of being a poet, a son, and a father as he enters recovery for alcoholism and tends to his family. In this memoir, written in lyrical and sparkling prose, Gregory tries to free himself from the overwhelming expectations of race and class, and from the tempting yet ruinous legacy of American masculinity. *Air Traffic* is a richly realized, deeply felt ode to one man's remarkable father, to fatherhood, and to the frustrating yet redemptive ties of family. It is also a scrupulous, searing examination of how manhood can be fashioned in our cultural landscape.

BTS Adrian Besley, 2018-08-02 The bestselling biography of the world's biggest boy band, now fully revised and updated. *The Restored, a lyric opera in two acts.* [Vocal score.] Jane Paxton Smieton, 1874

Then to top it all off, you get absolutely annihilated with heartbreak because of an ex, who is just 'not ready' but then manages to be ready, a week later, with someone else. And it is here, at your lowest point, that one of your best friends decides to remind you that you are the same age as Beyoncé. FML. Luisa Omielan is a stand-up comedian who turned her life around after she answered the mantra every person needs in their life: What Would Beyoncé Do?! Hilariously funny, wonderfully uplifting and brutally honest, Luisa's memoir shows us all that there is no situation in which Bey can't save the day.
