As Stephen gets caught up in the resistance movement on the island of Crete, Grace immerses herself in the war effort at home, held up by her faith and praying for his safe return. Though her prayers are eventually answered and she and Stephen are finally reunited, he is never able to speak of the things he saw in Greece. **Country Music** Dayton Duncan, Ken Burns, 2019-09-10 A gorgeously illustrated and hugely entertaining story of America's most popular music and the singers and songwriters who captivated, entertained, and consoled listeners throughout the twentieth century—based on the eight-part film series. This fascinating history begins where country music itself emerged: the American South, where people sang to themselves and to their families at home and in church, and where they danced to fiddle tunes on Saturday nights. With the birth of radio in the 1920s, the songs moved from small towns, mountain hollers, and the wide-open West to become the music of an entire nation--a diverse range of sounds and styles from honky tonk to gospel to bluegrass to rockabilly, leading up through the decades to the music's massive commercial success today. But above all, Country Music is the story of the musicians. Here is Hank Williams's tragic honky tonk life, Dolly Parton rising to fame from a dirt-poor childhood, and Loretta Lynn turning her experiences into songs that spoke to women

everywhere. Here too are interviews with the genre's biggest stars, including the likes of Merle Haggard to Garth Brooks to Rosanne Cash. Rife with rare photographs and endlessly fascinating anecdotes, the stories in this sweeping yet intimate history will captivate longtime country fans and introduce new listeners to an extraordinary body of music that lies at the very center of the American experience.
