

Quotes About Believing In Miracles

Elizabeth M. Knowles

Praying for Miracles Courtney Daniel Dabney, 2012-08-01 Miracles are woven into the fabric of society. From Genesis to Revelation, they are threads that run throughout the entire tapestry of Scripture. It seems, however, that our society has waged an all-out assault on miracles and their relevance. Today, biblical miracles are brushed aside as mere superstition or myth, while God is dismissed as unnecessary. Is there really a wonder-working God? Prayer is a powerful thing. It is a two-way conversation between a holy God and those He has chosen to redeem. Prayer is not powerful because of the words we choose, nor based upon the amount of faith that we possess, but because we serve an awesome God, who is able to step into our natural world and work miracles on our behalf. So, the question is not whether there is a God, but rather how big is your God? Our faith is literally stitched together by God's miraculous power.

You Can Believe the Bible Willis C. Newman, 2010-06-15 This book is a compact overview of the Bible. It is more a book on what the Bible is, rather than what the Bible says. We live in a day when this great Book is considered a relic of the past, irrelevant or in some cases a danger to society. This book is designed to give the reader an overview of the nature of the Bible and its place in society. Many reasons, based on solid evidence, are listed demonstrating why we can take the Bible at face value. Our objective of this work is to challenge the non-believer to take the Bible seriously and to give a boldness and confidence to the believer. We can proclaim the Bible with assurance that it is truth from God to the human race. We can trust the Bible with decisions in our own personal life. It is a Book that we can use to form the foundation of our life, family, society, and nation.

Motivational Quotes By Vince Baker & Smith Wigglesworth Vince Baker, 2025-02-28 IT'S AMAZING HOW A SMALL ONE-LINER QUOTE CAN CHANGE THE WORLD! It all started when I was seventeen, driving in my car. God manifested Himself to me in such a powerful way that it was undeniable. After this experience, I asked my mom to lead me to the Lord; at that time, she was also having a revival of her own with the Lord. Within a few days, it was my birthday, and my grandmother gave me a book about Smith Wigglesworth called *The Secret of His Power*. This book so impacted me and set the course of my Christian life. From many of the things I read about in Smith Wigglesworth's life, God started talking to me more about what He wanted to do in my life. The catch was that it wouldn't happen until later in my life. A part of my preparation came in the form of quotes. I wrote down and studied quotes from Smith Wigglesworth that highly impacted my life. One of his

famous quotes is, "I am not moved by what I see or hear but by what I believe." If you know anything about Smith Wigglesworth, you will find he came up with many powerful quotes. He would say these one-liners that could infuse faith in people. What made them so impactful was the life he lived and the miracles God did through him. As time passed, one day, God said to me, "Why don't you come up with your own quotes." This was such a novel idea that I had never thought about. What happened next was utterly amazing! God started downloading me with quotes, and I couldn't write them down fast enough. Whenever the quote would come to me, I would make sure not to lose it. This went on for years, and it still happens to me. I believe I have somewhere around 1,500 quotes now, and all of them came from God. The closest person I can relate to is King Solomon. When God gave King Solomon wisdom, he wrote down over 3,000 Proverbs. A quote is close to a proverb. God gave me quotes like He gave King Solomon's proverbs. I cannot take any credit for the quotes in the book. I give God ALL the glory. Whenever I go back over the quotes God gave me, they continue to affect me profoundly. History is filled with men and women of God, legends, and influential people who created and spoke inspirational quotes. If you are going to do anything significant for God, you will need to have your own set of quotes you live by. You are affected by quotes more than you realize! You can learn a lot about a person by the quotes they come up with or think about. The greater the quotes a person thinks about, the more success they will have. You must create and live by motivational quotes to leave a lasting legacy. In this book, you will discover many life-changing quotes designed to alter your Divine destiny when you live by them. **DISCOVER THE POWER OF MOTIVATIONAL QUOTES:** Great quotes can pack a lot of power in a time of need! Profound quotes can alter your destiny by how it impacts you. You can draw a lot of strength and wisdom from a great quote. Sometimes, all it takes is the perfect quote to get you to the next level. Behind every legend is a stack of extraordinary and powerful quotes. Never underestimate the effect a powerful quote can have on your life. Ordinary people can become extraordinary once they choose to live by great quotes. Visit www.VinceBakerMinistries.com **VICTORY & SUCCESS IS JUST A FEW QUOTES AWAY!**

Activating Miracles Chris Mikkelson,2024-02-06 "God has an amazing plan for you in which He will use you to do great and mighty things," says international evangelist Chris Mikkelson. Mikkelson has held meetings for millions and seen a multitude of healings and changed lives. "I believe God is bringing forth a new generation of people like you who will stand in faith, trust completely in His holy Word, confront the fears that paralyze us, and defeat the enemy of our souls. You are part of that generation of believers God wants to use to reach our world with boldness and miraculous power." Belief in God and His power is the key that opens the supernatural to us, and Mikkelson explains that a spiritual war is raging to weaken our faith and stop us from activating miracles. We are being attacked by fears, uncertainties, and challenges to our trust in God. But we can enter into a new dimension of supernatural faith and power that is without limits because it comes directly from God to accomplish His purposes through us. Activating Miracles is filled with faith-building teachings and inspiring stories that demonstrate the miraculous events taking place today, from the United States to so-called closed nations, including

Pakistan, where God is working in an unprecedented way. A Discourse of Miracles Wrought in the Roman Catholick Church, Or: A Full Refutation of Dr Stillingfleets Unjust Exceptions Against Miracles Edward Worsley, 1676

The Political Thought of Anacharsis Cloots Frank Ejby Poulsen, 2023-11-06 Historians have often either ignored Anacharsis Cloots (1755–1794) or considered him deranged because he claimed to be the ‘orator of the human race’ and devised a ‘universal republic’ based on the ‘sovereignty of the human race’. This book is the first comprehensive study of the entire body of Cloots’s written works and political actions. By contextualizing them, the book not only rehabilitates Cloots as a political thinker worthy of consideration, but also argues that his political thought constitutes a specific branch of republicanism in the age of Atlantic revolutions: cosmopolitan republicanism. The introduction suggests how 18th-century French cosmopolitanism was a new philosophical tradition, but was composed of several themes, which the book then analyses in Cloots’s writings. The first chapter provides a brief overview of his life. The second chapter explains why he called himself orator and wrote pamphlets, and why contemporary readers should not discard this as non-philosophical. Having established Cloots’s writings as constituting a philosophical system, the following chapters explore it through the themes laid out in the introduction. First, the concept of reason and his understanding of science. Second, the paradigm of natural law and the role of nature in moral and political thought. Third, the conception of humanity and individuals in nature and society. Finally, republicanism and its principles. The last chapter summarizes the elements of Cloots’s cosmopolitan republicanism and opens a research programme to other political thinkers in the age of Atlantic revolutions for historians and political theorists.

Notes on the Miracles of Our Lord Richard Chenevix Trench, 1884

The Christian Science Journal, 1899

The Ministry of St. John Baptist Henry James Coleridge, 1874

Invading the Realm of Demons, Disease, and Death Carl E. Roemer, 2024-01-29 This study of the miracles attributed to

Jesus in the Gospels begins with a survey of the sciences, because in our present cultural context, materialism is the dominant approach to and understanding of our world, of history, and of our very selves. If the materialist's understanding is true, then there is no such thing as miracles, because every event must occur as the result of some previous material events. Contemporary biblical scholarship mostly approaches the miracle stories from a materialist point of view. It questions their historicity because they violate what has now become the entrenched *modus operandi* in our culture and society, operating with the idea that the universe is a closed nexus of cause and effect. The miracles are understood, then, as products of the community and not historical reports, although, according to this line of scholarship, they may be based on some vague recollection of Jesus's activity that somehow had healing effects. Modern science, however, as one scientist has put it, in climbing the mountain of knowledge, has reached its peak and found a theologian at the top. The sciences, in other words, have led to the implication that our universe has a creator and that the universe and the human genome have been designed.

Systematic Theology Augustus Hopkins Strong, 1907

The Miracle of Intervale Avenue Jack Kugelmass, 1996 Located in the ravaged urban landscape of the South Bronx, the Intervale Jewish Center is the last synagogue still in regular use in a rapidly changing neighborhood. This unique congregation represents the struggle of individuals to maintain their dignity, independence, and faith over the years. In *The Miracle of Intervale Avenue*, Jack Kugelmass tells the inspiring story of a community that continues to see the area as its own, as a place they steadfastly refuse to abandon despite a major shift in the ethnic demography of the South Bronx and an increase in violent crime. *The Miracle of Intervale Avenue* is the story of Moishe Sacks, the Intervale Jewish Center's charismatic leader, acting rabbi, master baker, and storyteller. But it is also the larger story of a small community of primarily elderly Jews and of the human quest for meaning in the face of death. A classic ethnography of American Jewish life, *The Miracle of Intervale Avenue* has now been brought up to date. In a new closing chapter and epilogue, Kugelmass shows how the congregation has adapted to the radical changes in the neighborhood, bringing closure to this poignant work. Now with 38 photographs of the community over the years, the book covers the slow economic resurgence of the South Bronx and discusses the revitalizing effect of the congregation's new members, including blacks and Latinos.
