Lead Your Family Like Jesus Ken Blanchard, Tricia Goyer, Phil Hodges, 2013-03-01 Does your family need a five-star general at the helm? A psychologist? A referee? Ken Blanchard, best-selling co-author of *The One Minute Manager* and *Lead Like Jesus*, points to a better role model: the Son of God. Joined by veteran parents and authors Phil Hodges and Tricia Goyer, renowned business mentor Blanchard shows how every family member benefits when parents take the reins as servant-leaders. This user-friendly book's practical principles and personal stories mark the path to a truly Christ-centered family, where integrity, love, grace, self-sacrifice, and forgiveness make all the difference.

I Am Brave. I Am Strong. I Am Kind. Kristin Snow, 2019-01-04 There is a lie trying to forge roots into the hearts of those of us that follow Jesus. This lie will steal our joy, ransack our hearts, and leave us bitter. We can hear the lie when someone denies the bravery that they hold as a child of God. We can see it when someone backs down from doing what God asks them to do. We can feel it when the strength it takes to be kind is fleeting. This lie can overwhelm us. It can keep us frozen in fear and make us walk away from doing what we know is right. This lie will keep us in the same spiritual place that we have been for the last ten years. Our enemy will whisper to us the lie that we are not brave, we are not strong, and we are not kind. But the truth that exists in God's word tells us something so very different and defeats every lie told to us. Through

Jesus, we are brave enough to do anything He could ask us to do. We are strong enough to push through any fear and overcome. We are kind enough to show the overwhelmed person the love that was first shown to us. We have to learn how to overcome the enemy's lies about who he says we are and live in the chain-breaking truth about who God says we are! I think it's time that we learned to live this life as overcomers, victors, and redeemed children of God. We have to walk in His truth and learn to define ourselves by who God says we are! I am brave. I am strong. I am kind. So are you, child of God. Learn to live it!

In Every Season Alvin Frank, 2023-10-30 Life is composed of many seasons—not just the meteorological ones, but also the physical, emotional, and spiritual ones we journey through on the path of life. In *Every Season: 101 Devotionals for the Journey*, Pastor Alvin Frank takes readers through a variety of Old and New Testament scriptures that align not only with annual seasons but also with the expected (and unexpected) seasons of our lives. By focusing on themes such as love, salvation and the cross, redemption, and transformation, Pastor Frank encourages readers to navigate each season with hope and trust in the God who loves them intimately. Over the course of the 101 devotionals, readers will be challenged to have the faith of Nehemiah, the courage of Esther, and the mind of Christ. They'll grow in their faith and knowledge of God as our Father, who is passionate in His love for us and never stops working on our behalf, even when we can't see or feel it. Through it all, the death and resurrection of Jesus Christ acts as an anchor in every season of life. *Every Season* meets readers where they are on their personal spiritual journeys, and the insights and reflections contained within its pages will help them take the next step closer to God. This inspirational devotional is ideal for both individual and group study, and will be a valuable companion in times of prayer and scripture study.

Khayyam In Rhyme Reza Noubary, 2021-04-15 To date, more than 11,000 books have been written about Omar Khayyam's life, poetry, philosophy, and contributions to mathematics and astronomy. His Rubaiyat (stanzas of four quatrains or lines) has charmed tens of millions of hearts around the world and is among the most read of all time. Khayyam has been appropriately called the poet of destiny. What makes his work fascinating is the realization that he, unlike most poets of his era, was not a fatalist. In fact, accepting his philosophy and heeding his advice means shifting focus from the external, be it mystical or sensual, to the internal and arriving at that the ultimate truth that in life all that matters is love and joy; all else is fantasy and fallacy. Although Khayyam has been known to the scientific community for centuries, he shot into fame in the western world only after publication of Edward FitzGerald's (1809-1883) translation of Rubaiyats/Rubais in Victorian England. This book presents poem-to-poem translations of some of Khayyam's popular Rubaiyat to English- both literally and

conceptually. The translations follow the style of the original poems. It also includes some of the translator's/author's own poems inspired by Khayyam.

Live Brave Thomas Nelson, 2022-01-11 Loaded with Bible verses, prayer starters, recipes, crafts, and other hands-on projects, this devotional pulls preteen girls closer to God while providing them fun, age-appropriate activities to help them live out a brave life. In addition to this meaningful spiritual content, Live Brave includes prompts for over 30 enriching activities. From baking and science experiments to crafts and service projects, girls will have a blast, grow in faith, help others--and get a little messy along the way. The Brave Girls characters invite tween readers to join them in . . . planting a tree cooking pita pizzas starting a neighborhood small jobs business drawing Scripture word art building a solar oven (and baking s'mores!) making a journal jar hosting a school-supply drive crafting paper-plate gift baskets and more! Every family is different, so each activity is adaptable for either a solo adventure or group bonding. You'll love the creative, budget-friendly ideas for friend and family time. Written in a voice that emulates a contemporary adolescent girl, this interactive, high-energy devotional helps preteens take ownership of their spiritual journey. Girls will practice everyday bravery and grow in godly character as they take their faith off the page and into the world.

Forgiveness Vladimir Jankélévitch, 2024-07-12 Philosopher Vladimir Jankélévitch has only recently begun to receive his due from the English-speaking world, thanks in part to discussions of his thought by Jacques Derrida, Emmanuel Lévinas, and Paul Ricoeur. His international readers have long valued his unique, interdisciplinary approach to philosophy's greatest questions and his highly readable writing style. Originally published in 1967, *Le Pardon*, or *Forgiveness*, is one of Jankélévitch's most influential works. In it, he characterizes the ultimate ethical act of forgiving as behaving toward the perpetrator as if he or she had never committed the action, rather than merely forgetting or rationalizing it—a controversial notion when considering events as heinous as the Holocaust. Like so many of Jankélévitch's works, *Forgiveness* transcends standard treatments of moral problems, not simply generating a treatise on one subject but incorporating discussions of topics such as free will, giving, creativity, and temporality. Translator Andrew Kelley masterfully captures Jankélévitch's melodic prose and, in a substantive introduction, reviews his life and intellectual contributions. *Forgiveness* is an essential part of that legacy, and this indispensable English translation provides key tools for understanding one of the great Western philosophers of the twentieth century.

Holistic Life Awareness Dragisa Doug Jovanovic, 2022-02-22 The book is an invitation to join harbingers of the Holistic Life Awareness. All there is, is but one thing: Life. All inside and outside, above and below, in the water, air or ground, in the sky is Life. One Life. Universal Principles, unlike values, are objective and internal- innate. The principles are not an invention, but immutable laws of the Universe applied to human Life. That realisation brings us to Holistic Life Awareness, our true nature, our Spirituality. Being a Spiritual person is not the same as being a religious person. One can be spiritual without following any specific religion. Awareness of Oneness of Life and Kinship makes every separation the Life opposing ideas. The book presents the way of applying Holistic Awareness in business and as the best healing practice. As everything starts with a thought, the book offers a Thought Replacement Station to replace harmful for beneficial. Our thoughts create our feelings dictating our actions, which become our life experiences. Visit website: holisticlifeawareness.com.au

Brave and Confident Against Bullying Malak Ahmed Nour, 2025-04-12 I wrote my first story at the age of 13, and it was a story about a brave girl named Laila who faced bullying but found the courage to achieve her dreams. As I wrote about Laila, I realized that her story was also my story. Like Laila, I learned that the path to success isn't always smooth, but it's the resilience and determination to keep going that truly matter. The theme of this book is simple but powerful: you are the architect of your own future. Your dreams are not defined by your age or by the challenges you face. They are defined by your ability to believe in yourself, to overcome obstacles, and to stay true to your vision. This book is as much for me as it is for anyone who picks it up. It's my way of reminding myself of how far I've come and how much I can achieve in the future. It's my message to others, especially young people, that your voice matters and your dreams are valid. I want to show you

that you don't have to wait until you're older or have a perfect plan to start. You can start now. I hope that through my words, you find the courage to chase your own dreams, to never give up, and to always believe in the power of your voice. This is just the beginning of my journey, and I can't wait to see where writing takes me next.

Realism's Others Eva Aldea, Geoffrey Baker, 2010-07-12 For at least a century, scholarship on realist narrative, and occasional polemics against realist narrative, have assumed that realism promotes the values of sameness against those of otherness, and that it does so by use of a narrative mode that excludes certain epistemologies, ideologies, and ways of thinking. However, the truth is more complex than that, as the essays in this volume all demonstrate. *Realism's Others* examines the various strategies by which realist narratives create the idea of difference, whether that difference is registered in terms of class, ethnicity, epistemology, nationality, or gender. The authors in this collection examine in detail not just the fact of otherness in some canonical realist and canonical magical-realist and postmodern novels, but the actual means by which that otherness is established by the text. These essays suggest that neither realist narrative nor narratives positioned as anti-realist take otherness for granted; rather, the texts discussed here actively create difference, and this creation of difference often occasions severe difficulties for the novels' representational schema. How does one represent different types of knowledge, other aesthetic modes or other spaces, for example, in texts whose epistemology has long been seen as secular and empirical, whose aesthetic mode has always been approached as pure descriptive mimesis, and whose settings are largely domestic? These essays all begin with a certain collision—of nationalities, of classes, of representational matrices, of religions—and go on to chart the challenges that this collision presents to our ideas or stereotypes of realism, or to the possibilities of writing against and beyond realism. This question motivates examination of key realist or social-realist texts, in some of these essays, by Honoré de Balzac, George Eliot, Franz Grillparzer, Theodor Storm, Gottfried Keller, Theodor Fontane, Wilhelm Raabe, María Amparo Ruiz de Burton, Henry James, William Dean Howells, Charles Chesnutt, Theodore Dreiser, H. T. Tsiang, Alan Sillitoe, and Richard Yates. However, it is no less central a question in certain non-realist texts which engage realist aims to a surprising degree, often to debate them openly; some of these essays discuss, in this light, fantastic, magical realist, and postmodern works by Abram Tertz, Paul Auster, Alejo Carpentier, Toni Morrison, Gabriel

García Márquez, Salman Rushdie, and A. S. Byatt. Realism becomes more than an aesthetic aim or narrative mode. It becomes, rather, a value evoked and discussed by all of the works analyzed here, in order to reveal its impact on fiction's treatment of ethnicity, nationality, ideology, space, gender, and social class.

Jubilee Mel Lawrenz, 2008-08-01 The Jubilee theme is the Old Testament concept of declaring a special season for attaining spiritual renewal. In Jubilee, Mel Lawrenz skillfully takes readers through a season of renewal, pausing to examine the following themes and inviting readers to consider their own lives and their response to God: -Sabbath: a time and an attitude in which we rehearse that God and God alone is in control -Proclamation: knowing what we stand for in life, and letting others know it -Redemption: being freed by God's great acts of deliverance -Freedom: cherishing the liberty that God brings to every area of life -Forgiveness: accepting the mercy of God and releasing those we have held indebted to ourselves -Healing: letting God restore our spirit, our body and our relationships -Justice: standing for what is right and being an advocate for those who are downtrodden
