**De Gruyter Handbook of Poverty, Disadvantage and Entrepreneurship** Michael H. Morris,Susana C.

Santos,2024-12-16 Is entrepreneurship a pathway out of poverty? Does creating a business represent a means for improving one's life circumstances? Surprisingly little is known about ventures started by those in circumstances of poverty. This pioneering handbook integrates diverse perspectives from around the world regarding the poverty and entrepreneurship interface. While the tendency among many scholars, economic developers, and policymakers is to downplay these ventures, arguing they are largely inefficient, marginal enterprises that create little innovation and few jobs, the chapters in this handbook demonstrate their significant contributions, and encourage societies to invest in their development. The authors explore a range of factors affecting the ability of the poor to create enterprises that contribute to their well-being, including the role played by personal capabilities, education, family support and faith, availability of microfinance, technology, supportive community ecosystems and a munificent institutional environment. By shedding light on issues that can help nations realize the potential of these ventures, this volume demonstrates how entrepreneurship can serve as a source of

empowerment, while providing direction regarding ways to surmount the obstacles that stand in the way.

**Roadmap to Success: Inspiring Journeys of Ten Iconic Coptic Leaders** Dr. Shahira Abdel Shahid,2016-05-26 Dr. Shahira Abdel Shahid focused on Copts, or Christian Egyptians, to draw attention to their achievements and contributions to the Egyptian society, and to the world at large. She conducted in-depth interviews with ten iconic Coptic leaders, including an investment banker, a fashion designer, a Coptologist, an emeritus professor of medicine, a renowned priest, and others. Women are equally represented to emphasize the important role played by women in society. The interviews covered various topics such as the interviewees mission, their values, their role models, the impact their Coptic faith had on their success, their definition of leadership, the challenges they have met, the lessons they have learned, their daily schedules, their future projects, and the impact they want to leave on the world. The book will motivate any person facing difficulties or challenges, living in Egypt or in another country, to be positive, proactive, have faith, take action to change his or her circumstances, and fulfill his or her mission. If you're facing any type of challenge, you'll be inspired by the message of hope in *Roadmap to Success*. RECENT RECOGNITION: The Middle East Outreach Council (MEOC) is a US national non-profit organization established in 1981.
