

They're Lying Liz Collin

Philip Babcock Gove

They're Lying: The Media, The Left, and The Death of George Floyd Liz Collin, 2022-10-31 Award-winning investigative journalist Liz Collin sets the record straight. She uncovers what really happened on a street in Minneapolis that set off the riots, the demands to defund the police, and the skyrocketing crime across the country. Based on conversations with those who were there—including Derek Chauvin, Thomas Lane, and other Minneapolis police officers who've never spoken out before—Liz exposes how the media and the Left manipulated the facts to dupe and divide America. In between, she explains how her life was turned upside down. Liz was a familiar face on the news in the Twin Cities. Her husband, Lt. Bob Kroll, president of the Minneapolis police union, was personally blamed for the rioting by Mayor Jacob Frey, the ACLU, and so many others. Liz and Bob were attacked by social media mobs and cancel-culture vultures. Amid all the chaos, she watched so-called civil-rights leaders, politicians, and activists protest on her front lawn. This book also reveals some of the cover-ups, collusion, and hidden political connections in Minneapolis. It points out those who turned Minnesota nice into Minnesota naïve—and the “leaders” who could have stopped the insanity and given civility a chance. But most of all, it tells the truth about how the media and the Left have been lying to us all...

Al Sharpton Carl F. Horowitz, 2025-02-07 In August 2014, a white police officer, acting in self-defense, shot to death an attacker, Michael Brown, a black youth in Ferguson, Missouri. Al Sharpton's rhetoric had much to do with the subsequent local rioting. This was nothing new. He had been applying his patented demagoguery to incidents with racial implications for decades, in his native New York City and elsewhere, under the guise of justice and civil rights. His many prominent supporters have catapulted him to the apex of American life. President Obama and President Biden regularly solicited his advice. Major corporations continue to donate money to his nonprofit National Action Network. Public sector employee unions fete him. Reverend Al is more subdued and dapper than in his earlier manic days. But that should not be cause for complacency. His proximity to power and regular news media presence make him ever more dangerous in these increasingly radicalized times.

Here and Now Lexi Ryan, 2014-10-22 **This omnibus edition includes all three full-length novels from the USA Today Bestselling Here and Now Series: *Lost in Me*, *Fall to You*, and *All for This*.** Torn between the man she's always wanted and the rocker she can't remember...and can't let go... When an injury leaves Hanna Thompson without her last year of memories,

she wakes to a perfect life—right down to an engagement ring from her unrequited love, Max Hollowell. But each day makes her question if she has the life she always wanted or if she's been living a lie. As she searches for answers, every path leads to rocker Nate Crane. And Nate wants her for himself. “Sexy, twisty and utterly addictive...Clear your schedule. An amazing read!” –NYT Bestselling Author Kendall Ryan *LOST IN ME* The last thing I remember is having drinks at Brady’s and trying to avoid eye-contact with my life-long crush—the gorgeous, unattainable Maximilian Hollowell. They tell me that was a year ago, but I have no memories of anything since then. What I do have is this ring on my finger that Max says he gave me, and this much-thinner body I’ve dreamed of most of my life. Aside from a case of retrograde amnesia, everything seems almost...perfect. But the deeper I immerse myself into this new world of mine—planning a wedding to a man I don't remember dating, attempting to run a business I don't remember starting—the clearer it becomes that nothing is as it seems. Do I have the life I’ve always wanted or is it a facade propped up by secrets I don't even know I have? I need answers before I marry Max, and the only person who seems to have them is the angry, tatted, sexy-as-sin rocker Nate Crane. And Nate wants me for himself. *FALL TO YOU* Torn between two men... When I woke up after the accident, I couldn’t remember anything from the last year—including my relationship with Max Hollowell or anything about Nate Crane. Now my memories are returning, but instead of answering my questions, they’re leaving me with more. The man who broke my heart and wants to be my future... Max is all I ever wanted, and now he wants to marry me. He’ll do everything he can to fill my life with love, family, and security. I need those things now more than ever. But can I trust him? The man who stole my heart and wants to let me go... Nate never made me promises, and I never asked him to. I’d been on the rebound, looking for a distraction, and he made me feel beautiful and wanted when I needed to feel those things most. He says he has to let me go, but what if I can’t let go of him? With every revelation and every passing day, I feel more like Alice down the rabbit hole. I’m falling. Who will catch me? *ALL FOR THIS* What if you would never remember the day you made the most important decision of your life? That’s what they’re telling me about the day of my accident—the day I put on Max’s ring and chose him over Nate. I’m counting on the wisdom behind a decision I don’t remember making. Max is amazing—sexy, sweet, and kind. I was starting to believe happily-ever-after might be in my future after all. Then the unthinkable happened and my world imploded. If I’m going to make this work with Max, I need my missing memories, or at least answers from about those five days before my accident. But what does my future hold if those answers aren’t anything like I imagined?

All for This Lexi Ryan, 2014-08-04 ***ALL FOR THIS* is the third book in the *Here and Now* trilogy. Routledge Handbook of Childhood Studies and Global Development Tatek Abebe, Anandini Dar, Karen Wells, 2024-08-28 The Routledge Handbook of Childhood Studies and Global Development explores how global development agendas and processes of economic development influence children's lives. It demonstrates that children are not only the frequent targets or objects of development but that they also shape and influence processes of economic, political and sociocultural development. The handbook makes the case for the importance of placing children at the heart of development debates and demonstrates how researchers, policymakers and practitioners can engage children in development. Through reports on field research as well as a critical engagement with theories in development studies and childhood studies, contributors contest normative assumptions about childhood and global development. They tease out and tease apart the complex social, historical, cultural, economic, epidemiological, ecological, geopolitical, and institutional processes transforming what it means to be young in the world today. Showcasing research from both established scholars and early career researchers, and with particular prominence given to the work of authors from the global south, this book will be an essential reference for

policymakers, practitioners, and for researchers and students across childhood studies, education, geography, sociology, and global development.
