What does erens constant change of eye colors mean? There is an expression in Japanese "the color of their eyes changed" and from what I understand it means that a person has had a change in one's feelings, similar to saying that they have a different look in their eyes. Anime seems to take that literally and in scenes such as when characters are displaying anger or renewed vigor, their eye color changes. In the case of Eren, ... *The Cabin Scene Explained : r/ShingekiNoKyojin - Reddit* One of the most confusing things from the ending of Attack on Titan is the cabin scene where Eren talks to Mikasa. It has been a hot topic among manga readers ever since the penultimate chapter came out. Some believe that we saw Mikasa somehow experiencing an alternate timeline. Others say that it was Eren using the Founding Titan's powers to talk to her. The whole thing ... **Nationalities of characters based on names. - Reddit** I've seen a few posts here concerning the nationalities of the characters in AoT. So, I decided to whip out google and a lot patience, and 45 minutes later, I had a nice long list. Eren Jäger - German Mikasa Ackerman - English or Dutch father, ... *Will they meet in the afterlife and be together forever* It is mentioned that Eren's sins are so horrific that if there is an afterlife, he will certainly spend his time in Hell. However, the episodic format that ends with Mikasa thanking Eren for the scarf features the ED song "Itterasshai" whose visuals and lyrics both seem to indicate that Mikasa and Eren do reunite in the end. *So how much exactly did Eren know the whole time? - Reddit* There's lots Eren doesn't know post time skip, Zeke points this out in Paths. Isayama is vague as to what exactly Eren knew at this point in time. But after he frees Ymir and takes the founder, he definitely knows everything everything. Prior to that, he ... **At what point did you realise that Eren was the bad guy?** Jun 14, 2023 · Eren was the one who forced Grisha to kill despite all the crazy stuff that Grisha has been through. The average person in that world isn't any more ruthless than the ones in this world, Eren himself is just brutal. Grisha was shocked that Eren killed those guys as well. It wasn't normal actions even from Grisha's perspective. *Did Mikasa marry? This post seeks to answer that question with ...* It's understandable that people would think she wouldn't marry after Eren, and I don't blame anyone for thinking that because she loved him deeply. But the ending scenes made it really evident that she did marry Jean, although still had a soft spot for Eren. I'll go over the evidences & common arguments people make to prove she was ... **The biggest misconception about the Attack Titan: what Eren** Eren cannot see the whole future. The notion that the Attack Titan can "see the future" is somewhat misleading and insufficient in explaining the full scope of what it can actually do. The misunderstanding mostly

comes from the way Grisha explains it. **Eren killing his mother, explained : r/AttackOnRetards - Reddit** Apr 18, 2022 · During Eren and Armin's Paths conversation in Chapter 139, Eren reveals that he used the Founding Titan to influence Dina Fritz' pure titan during the Fall of Wall Maria in 845. This influence led to the death of his mother, Carla. While nature of this twist was largely disliked or deemed inconsequential by a significant percentage of both ending defenders and ending ... *So many people missed this detail in the finale - Reddit* Nov 15, 2023 · Eren DID do the Rumbling because humanity existed. Not because of the badness of society, but simply because they existed. Armin showed him a book where outside the walls, it was a free and uninhabited land. Humanity surviving beyond the walls goes AGAINST his dream, therefore he wanted to get rid of them. Eren could NOT let go of his childish dreams.
