The goal of this book is to give a detail description on how to perform the Umrah, and for each part of the journey provide examples of Duas you can read. For example what should you read after putting on Ihram or doing Ghusl, examples of Duas for each round of the Tawaf and Sae'e. So if you are going for Umrah for the first time, or have performed it before, this book will definitely give a rich and extensive guide on Duas you can read.

40 Rabbana Dua Muhammad Hanif, 2020-04-30 Praise be to Allah, we thank Him, seek His Help and His Forgiveness. We seek refuge in Allah from the evils of ourselves and that of our bad deeds. He whom Allah guides, is truly guided, and he whom Allah leaves to stray, none can guide him. I bear witness that there is no god but Allah, who has no partner and I bear witness that Muhammad (PBUH) is His Messenger. This publication is a compilation of forty such verses, which are supplications imploring Allah for favours, all of which start with beseeching Allah with His title of the Lord of all. If a person reads it with humility and subjugation, there will be a feeling of contentment. This is a Dua book in Arabic and English for both children and adults. As people in Ramadan generally do not find enough time to read an extensive collection of duas on a daily basis, this book provides a comprehensive collection of 40 duas. As a child growing up in an Islamic household, I always

wanted a Dua book eligible for me to understand and refer to whenever I needed. Nowadays parents continue to contact me inquiring about Duas for their children. I felt it was my calling and duty to publish a children's book made simple for young ones to be able to comprehend and memorize Duas.

Essential Duas for Muslims, 2024-05 All praise is due to Allah Ta'ala, The Supreme Master of all the worlds. Countless Durood and Salaam be upon our beloved Nabi, Sayyidina Muhammad [PBUH]. We have been taught by Rasulullah [PBUH] to recite duas at different occasions of our life. From the time we awaken till the time we go to sleep we have been taught to recite these duas. In this manner our entire day passes in the remembrance of Allah Ta'ala. It is mentioned in the Hadith that Rasulullah [PBUH] used to remember Allah Ta'ala at all times. A great amount of the constant remembrance was by means of the recitation of the duas for the various occasions. The recitation of these duas also strengthens our bond with Allah Ta'ala and increases the love for our Creator in our hearts. The Noble Sahaabah (companions) of Rasulullah [PBUH] preserved these duas and in turn taught it to the Ummah. Al-hamdulillah, it is only with the fadhal of Allah Ta'ala that the Ta'limi Board (KZN) has compiled these duas in a booklet for the easy reference for children in the makaatib. The duas have been separated in grades to facilitate easier learning for them. An effort to mention some virtues of each dua was also made to serve as an encouragement for the pupils to recite these duas. Parents need to play an important role of constantly encouraging and reminding their children to recite these duas at the appropriate time. Thus when the child is woken up in the morning, before he enters the toilet and after he leaves, before and after eating and at all other occasions, the parents should remind the child to recite the dua. In this way it will become a part of their lives and the purpose of teaching these duas will be achieved, insha Allah. We make dua to Allah Ta'ala to accept this publication and make it a means of hidaayat for the ummah as well as Sadaqah-e-Jaariyah for us all. Aameen. Ta'limi Board (KwaZulu Natal)
