Fifty years porn Mat Marlin, Believing in your own possibilities and chasing the desire to have sex when it seems that time is up. The moment in which you are afraid that sex is more difficult, new incredible adventures arrive to turn every thought upside down, making us live exciting moments and new experiences, never felt emotions and carnal relationships of a unique intensity; a story where pleasure has the highest place and every embrace leads to the limit of exaltation, love always reserves us surprises that must be seized without hesitation, whether they are dressed as a woman or a man. Mature age is basically just a new youth. NO READING FOR MINORS.

Sara Glen Rocky Meyers, 2023-06-18 Sara was a beautiful daughter and sister, although, in the mirror, other entities snarled back at her. Sisters Sara and Kamryn are as opposite as Dry Ice and Steaming Lava, like each of us, were products of our family tree, DNA. Genetically predisposed or motivated by our inherited traits, we can be traced back to our ancestors, our bloodlines cannot be altered, and we are what we were. Sara's 'Life Story' is agonizing and rewarding. I feel compelled to follow protocols as you read on prescription bottles, umh, disclaimers with side effects... Warnings. If you're not a secure individual, don't read or listen to Sara's story. Run fast away if you are offended by sexual innuendos with graphic descriptions. If you dislike reading slang, abhor cusswords, are adverse to reading about various forms of violence, or can't understand that all of us are not politically correct. Please walk away with your sanity. Sara has her own agenda, deemed a Psycho-Sociopath, a Chameleon who can blend in with society and even be your next-door neighbor. Sara's story can't be stereotyped or categorized; it's not genre based, nope... like humans, her story is diverse, nurtured with humor and horror, and could be called a crime drama of fiction. A psychological thriller, Mystery, or perhaps a Romance laden lovers twist. Sara is not unlike us; she has multiple personalities and can mold and pretend to be the person you think she is. Her story hasn't been finalized. This book brings the reader current. Her sister Kamryn's book

The CEO's Obsession Kiko Oosawa, 2019-02-20 Lola couldn't stop thinking about him and the night they'd shared. He wanted to find her so he could satisfy the itch to have her again. But he was a man who always kept it simple with women and made his intentions clear to them from the start. Bedding them more than once only made them feel like there was more than the physical intimacy between them. However, when Lola shows up the other day with the news of her family, all his rules and thoughts of staying away from her go out of the window. There is no way he was letting her go now...

The Psychic Life of Racism in Gay Men's Communities Damien W. Riggs,2017-12-06 *The Psychic Life of Racism in Gay Men's Communities* engages in the necessarily complex task of mapping out the operations of racialized desire as it circulates among gay men. In exploring such desire, the contributors to this collection consider the intersections of privilege and marginalization in the context of gay men's lives, and in so doing, argue that as much as experiences of discrimination on the basis of sexuality are shared among many gay men, experiences of discrimination within gay communities are equally as common. Focusing specifically on racialization, the contributors offer insight as to how hierarchies, inequalities, and practices of exclusion serve to bolster the central position accorded to certain groups of gay men at the expense of other groups. Considering how racial desire operates within gay communities allows the contributors to connect contemporary struggles for inclusion and recognition with ongoing histories of marginalization and exclusion. *The Psychic Life of Racism in Gay Men's Communities* is an important intervention that disputes the claim that gay communities are primarily organized around acceptance and homogeneity and instead demonstrates the considerable diversity and ongoing tensions that mark gay men's relationships with one another.

Pissants Brandon Jack,2025-07-02 Nothing like this has ever happened at a footy club. Honest. The embittered fringe players of an unnamed football club follow rules of their own. Kidnapping a teammate's dog for a gag. Taking potent painkiller suppositories to get through the living nightmare of a sponsors' event. Ticking off their Pissants bingo cards to survive the weirdness of meetings with the club psych. Fangs, Stick, Squidman and Shaggers speak in a cryptic code of inside jokes and WhatsApp exchanges, chained to each other by their place on the outskirts of the team. Together, these characters present a jaw-dropping snapshot of life within the chaotic world of a professional sports club. The psychotic rituals. The dementing cliches. The adulation. The pressure. The broken staff. The despair. The towering egos. The flatlining sexual encounters. The life-saving friendships. Trainspotting gets munted with A Visit from the Goon Squad in Ted Lasso's Front Bar in this brutally hilarious, unhinged and at times surprisingly moving insider's glimpse into one anonymous footy club - and what might happen behind the headlines, off the field and out of sight.
