**Dr. Brian J. Bailey**

Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock, 2020-05-07 YAHWEH (The LORD God) and His Son YAHSHUAH (Jesus Christ) made statements with regard to Eschatology that have been “Spiritualized” for over a Millennium, which has led to the belief in Universalism, the belief that YAHSHUAH died for EVERYONE. Well, after one studies the original languages of the Hebrew, Aramaic, and Greek, the message of the Kingdom of God was preached to and accepted by a certain House in the Bible. The other House rejected this message, and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit. There are only the House of Israel, the House of Judah, and the House of David, mentioned in the Bible. All three existed then, as they do today. However, most of today’s Babylonian Priesthood/Churchianity refuses to accept the secular historical position with regard to the House of Israel, and who they are today. The people groups, which YAHWEH and YAHSHUAH addressed, still exist today. However, these people are all mixed-up, and known by different names, but they DO exist. This book goes back to the origin of these people groups in the Bible, and brings them forward to the present using their old names, in order to understand Eschatology. This brings us to the major question of, “Is the Bible only about Israel?” And, if so, how does it affect our Eschatology today? This book answers these hard questions...

**Politicide - New PDF Version** Victor Sharpe, 2011-12 This third volume of Politicide, like the two previous volumes, is a further compilation of the highly acclaimed and published articles written by the author over a period of many years. Each chapter details various aspects of the Arab and Muslim war against Israel, the total refusal by the Muslim and Arab world to accept the rebirth of Israel in its ancestral homeland, and the relentless attempts to murder the embattled Jewish State. Politicide is the word originally coined by an Israeli statesman to describe just such an act of State murder. This book is a must read for all who wish to better understand the background to the conflict. It provides an easily readable account of the Biblical and post-Biblical history of the Jewish homeland along with an immense amount of vital and current information.
