Beauty Queen Murder: Nurse Anita Cobby Pamela Lillian Valemont, 2015-09-17 Anita Lorraine Cobby, a beautiful young married woman, was recently separated from her husband John. They were both registered nurses, living in Sydney, Australia. Anita, raised in the working class suburb of Mt. Druitt, was 1979 Miss Western Suburbs, in the Miss Australia Quest. After her marriage break down, Anita returned to live with her parents. Seven years after she won her title, when Anita was 26 years old, she was abducted while walking home from the Blacktown train station, raped, tortured and murdered at nearby Prospect, on the evening of the 2nd of February, 1986. Five men, including three brothers, were convicted of her murder and sentenced to life imprisonment, never to be released. Anita's fingers were broken, her bones dislocated, her nose and cheekbones fractured in the shocking assault upon her. The horrifically cruel murder of this kind and caring, lovely young nurse, caused mass outrage within Australia. This is the forensic numerological criminal analysis and profile of her killers.

Gangland Crimes That Shocked Australia Ian Ferguson, 2019-05-01 Featuring the latest information about the murder of Des Moran, including Judy Moran's involvement, these are the gritty stories of Australia's crime world. A hive of secret activity the Australian gangland world is fraught with double-crossings, murders, theft, violence and fraud. Living by their own set of rules and regulations, which often involve crooked members of government and the police force, this is your chance to gain a real insight into how the minds and groups of these gangs really work.

Remembering Anita Cobby Mark Morri, 2016-02 John Cobby finally tells his story, 30 years after the murder of his wife, Anita. On 4 February 1986, John Cobby's life imploded. He was driving up the coast looking for his missing wife, Anita, when over the radio he heard: 'The body of a naked woman has been found in a paddock in western Sydney.' . . . As details emerged of the rape and murder of the gentle nurse and former beauty queen, outrage engulfed Australia. Five men were caught and, amid unprecedented security, jailed for life. For young reporter Mark Morri, the case was a baptism of fire. Told to 'find the husband', he despaired: Cobby had changed his name and disappeared. But the Daily Mirror found him, and Morri's interviews sold like hotcakes. For nearly 30 years, Morri and Cobby kept in touch. In this book John finally opens up, recounting how he and Anita fell in love, suffered the pain of miscarriage and then went travelling. He also explains why they were apart at the time of the murder. Weaving in chilling material from the autopsy and police files, and interviews with

detectives who hunted down the killers, Mark Morri explores the ripple effects of the murder that still shocks a nation.

Sexual Violence in Australia, 1970s-1980s Lisa Featherstone, 2021-07-28 This book explores sexual violence and crime in Australia in the 1970s and 1980s, a period of intense social and legal change. Driven by the sexual revolutions, second wave feminism, and ideas of the rights of the child, there was a new public interest in the sexual assault of women and children. Sexual abuse was studied, surveyed and discussed more than ever before in Australian society. Yet, despite this, there remained substantial inaction, by government, from community and on the part of individuals. This book examines several difficult questions of our recent history: why did Australia not act more firmly to eradicate rape and child sexual abuse? What prevented our culture from looking seriously at trauma? How did we fail to protect victim-survivors? Rich in social and legal history, this study takes readers into the world of victims of sexual crime, and into the wider community that had to deal with sexual violence. At the core of this book is the question that resonates deeply right now: why does sexual violence appear seemingly insurmountable, despite significant change?

Remembering Anita Cobby Mark Morri, 2016-02-01 The national bestseller: John Cobby finally tells his story, 30 years after the murder of his wife, Anita. Traumata Meera Atkinson, 2018-04-26 A brilliant, fiercely profound work of creative non-fiction in the vein of Maggie Nelson's *The Argonauts*. In this extraordinary book, Meera Atkinson explores the ways trauma reverberates over a lifetime, unearthing the traumatic roots of our social structures and our collective history. Using memoir as a touchstone, Atkinson contemplates the causes of trauma and the scars it leaves on modern society. She vibrantly captures her early life in 1970s and '80s Sydney and her self-reflection leads the reader on a journey that takes in neuroscience, pop psychology, feminist theory and much more. Searing in its truthfulness and beauty, *Traumata* deals with issues of our time & intergenerational trauma, family violence, alcoholism, child abuse, patriarchy &- forging a path of fearless enquiry through the complexity of

humanity.

*The History of Australian Crime* Nigel Cawthorne, 2013-07-05 The criminal history of Australia from bushrangers who robbed, raped and murdered their way across the Outback in the late 18th and 19th centuries to today's breed of celebrity villain, from Ned Kelly and Jack the Rammer to Mark Brandon 'Chopper' Read and Alan Bond.

**Animals Are Us** Victoria Thompson, 2023-02-03 'This book will save lives—human and animals.' Victoria Thompson is a passionate advocate for the protection of animals from great harm. She movingly describes our appalling failures in this regard and praises those who press for the enlightened awareness and humane treatment of animals. She believes profoundly that we must not continue to think of animals as just resources to exploit—for animals too have a right to live naturally. And she gives us solutions for a kinder world. 'Victoria's book is a real ground-breaker and may well become the new bible for those seeking to save our fellow species from immense suffering and even extinction.' Irina Dunn

*Acute Misfortune* Erik Jensen, 2019-04-29 In 2008, the artist Adam Cullen invited journalist Erik Jensen to stay in his spare room and write his biography. What followed were four years of intense honesty and a relationship that became increasingly claustrophobic. At one point Cullen shot Jensen, in part to see how committed he was to the book. At another, he threw Jensen from a speeding motorbike. The book contract Cullen used to convince Jensen to stay with him never existed. *Acute Misfortune* is a riveting account of the life and death of one of Australia's most celebrated artists, the man behind the Archibald Prize-winning portrait of David Wenham. Jensen follows Cullen through drug deals and periods of deep self-reflection, onwards into his court appearance for weapons possession and finally his death in 2012 at the age of forty-six. After much critical acclaim, *Acute Misfortune* was developed into a feature film, winning The Age Critics Award at the Melbourne International Film Festival in 2018. The story is by turns tender and horrifying: a spare tale of art, sex, drugs and childhood, told at close quarters and without judgement. Winner of the 2015 Nib Waverley Library Award for Literature Shortlisted in the 2015 Victorian Premier's Literary Awards and for the 2015 Walkley Book Award 'Erik Jensen is a Boswell or Vasari for our baffled, fractured, fucked-up times. *Acute Misfortune* is the most intimate, revealing, and original take on an artist's life I know of.' —Sebastian Smee 'Erik Jensen gives us that ingenious place where biography is also art.' —Jennifer Clement 'This is supposed to be about an artist, a wild man, his lifetime, and it is; but Jensen has written such a beautiful window that all art and life is shining through. I'm supposed to be an artist but I cannot put this down.' —DBC Pierre

Education for Animal Welfare Edward N. Eadie, 2011-01-11 This book deals with the role of education in improving animal welfare and reducing animal suffering inflicted by humans. It embraces situations in which humans have direct control over animals or interfere directly with them, but it considers also indirect animal suffering resulting from human activities. Education is regarded in the broad sense of creating awareness and facilitating change. First, consideration is given to a number of specific themes in which education can make an important contribution towards reducing animal

suffering, and subsequently an examination is made of a number of interrelated contexts in which education can address the various themes. The considered educational themes are: · animal suffering and sentience that have both scientific and moral aspects · human discrimination against animals known as speciesism and the need for attitudinal change by humans · role and existing limitations of legislation in providing protection to animals · matter of enforcement of animal protection legislation · achievement of reform to improve animal protection by legislative and other means · training of professionals, carers, and users involved with animals to provide better protection · the scope for science to contribute to improved animal protection · animal protection as a regional and international issue

*Dangerous to Know* Susanna Lobez, 2016-02-01 Dangerous to Know documents murders known and not so well known, conmen and their victims, street gangs of the early twentieth century, crime lords of the 1920s, dock wars of the 1970s, bikers, sex offenders, and the drug gangs of today as well as the wrongly accused and wrongly convicted. They're all here, as well as some of the police, lawyers and judges who have tried to deal with them.

Inside Out Greg Fisher, 2015-08-01 'When I was a kid my mum used to say I'd either be very successful or end up in jail.' After growing up in Sydney's eastern suburbs, Greg Fisher did what he thought a good Jewish boy should do. He married, had a child and started making his way up the corporate ladder. But after coming out and leaving his wife, Greg's life veered into the fast lane. A-list parties and a growing business empire were an intoxicating mix, and by the early 2000s his high-stakes lifestyle was spiralling dangerously out of control. Eventually jailed for corporate fraud and drug dealing, Greg spent almost eight years in prison, sharing a cell with some of Australia's most notorious criminals - and began the slow process of rebuilding his life. Written with brutal honesty, *Inside Out* is an extraordinary story of ambition, addiction and the long road to redemption.

*Class in Australia* Craig McGregor, 1997 Examines the history and membership of each class, and the determinants of

class. Examines the defection of the working class from the ALP, and the dissatisfaction of the middle class with both major parties. Provides profiles of individuals, bibliography and index.

**When Things Seem Odd** Michael Joseph Legare, 2016-01-12 As you will discover by reading this book, the term stranger danger is not only misleading to children, it actually does more harm than good. By the constant reminder that a child encounters by media, adults and television programs about never talking to strangers, children are often left confused and powerless of how to deal with the many strangers they come across on a day to day bases. Secondly, this book aims to teach children to become aware of their instincts (feelings of uneasiness, suspicion or otherwise their apprehension) when it is appropriate and important to do so and when it comes to people and situations they encounter as they go about their lives. Not just people of whom they do not know (strangers), but also of people of whom they may already know. Finally, this book is in two parts: The first part are the three short stories of Polly, a fictional character, that describes in detail certain dilemmas she encounters when she becomes lost, first at a grocery store, next at the fair and then in the third story, the close encounter she experiences of nearly being abducted by a stranger. The stories go into detail about the positive aspects that Polly took each time to protect herself in each case scenario. The encounters are based on a realistic chain of circumstances. The second part of this book is aimed towards parents to look at self-protection strategies suggested by some of the world's most prestigious experts on the subject of child safety and the criminal mind.
