Technically Yours Denise Williams, 2023-12-05 “You’ll laugh, you’ll swoon, and you’ll root for Pearl and Cord’s happy ending.—New York Times bestselling author Carley Fortune *LibraryReads Pick* Eight years ago, he fell in love with a stranger he couldn’t have—today, she’s back in his life and the sparks between them threaten to set her career on fire. Pearl Harris has learned the hard way to be careful in work and in love. She has the chance to make lasting change at OurCode—a nonprofit aimed at inspiring high schoolers to code—but a recent scandal puts its reputation at risk. Further complicating things, Pearl didn't expect the one man she never stopped thinking about to join as the newest member of her board of directors. Cord Matthews fell for Pearl when they met in an elevator eight years ago. She’s just his type: smart, capable, and makes him laugh, but when she broke his heart, he decided love wasn't for him. When they reconnect after years with no contact, Cord is tempted to consider breaking his ban on serious relationships. But going public with a romance between them might derail Pearl’s career and the progress she’s made at OurCode. While Pearl and Cord are both hesitant to trust their feelings and take a risk, it soon becomes impossible to keep ignoring the electricity between them. Cord is a skilled programmer, but a workplace romance might spell disaster for both of them--and love isn’t easily debugged.

Just Our Luck Denise Williams, 2025-03-25 I'm a forever fan.—Tarah DeWitt, *USA Today Bestselling Author of Savor It LibraryReads Pick* A lottery ticket + donuts = love in this steamy new fake dating romance from beloved author Denise Williams. Sybil Sweet has always been lucky, but lately she can’t catch a break. After years of bouncing from job to job in search of something that feels right and from man to man in search of something special, Sybil is worried that she’s the

directionless, floundering daughter her family thinks she is. All she really wants now is a little financial stability and carb comfort. Lucky for her, she's got just enough in the bank to buy a lottery ticket, and the late-night donut store is open. Kieran Anderson put his dreams of becoming a doctor on hold to take over running his family's bakery, and after fighting a losing battle to save the place, he's exhausted, broke, and no closer to getting back to school. But when a whirlwind of a woman sweeps in late one night, flirty energy gives way to more...until she runs out the next morning, leaving behind her winning lottery ticket. Lucky for Kieran, his attempt to return the ticket looks like a grand romantic gesture and goes viral, sending sales through the roof. In an effort to keep the store afloat and to convince Sybil's family she can make good relationship choices, they agree to fake a relationship for three months. Even with hundreds of millions of dollars, finding each other might end up being the sweetest bit of luck for both of them.

The Missed Connection Denise Williams, 2022-06-21 Two strangers share a romantic night together only to discover months later they're professional rivals in this grumpy meets sunshine romance novella from the acclaimed author of *How To Fail at Flirting*. Gia loves her job as a professor, even when it means dealing with an elusive rival academic who's made it his mission to criticize her work. When she meets him for the first time, she's shocked to learn they've met before. Months earlier, they shared a perfect New Year's Eve together in an airport during a weather delay. After months of working together, Felix still can't believe the person whose research he's been challenging is the same captivating woman he kissed that night. The two couldn't be more different. Gia is bubbly, friendly, and extroverted and drives ordered, serious Felix nuts. Now the two have been assigned to embark on a five-school tour for work. Gia and Felix can't imagine a travel partner they'd enjoy less until they feel the sparks fly over their shared armrests, security mishaps, and a shared hotel room. They'll need to decide if they can manage their professional tension, or risk missing the connection of a lifetime.

The Love Connection Denise Williams, 2022-05-17 An airport pet groomer meets her frequent flier crush in this captivating romance novella from the acclaimed author of *How to Fail at Flirting* Ollie Wright loves the thrill of taking chances, like opening a pet grooming salon in an airport where every day is a little unpredictable. The one thing she won't risk is her heart, so catching glimpses of a cute stranger from afar is enough romantic entanglement for her. Bennett Baker is a professional risk assessor by day while writing popular romance novels at night, except he finds himself facing writer's block. His life of carefully planned stability comes crashing down when he rescues a slippery pup in the airport and returns it

to the enchanting pet groomer whose laugh inspires him to start writing again. Their chance encounter and instant chemistry thrusts them into a whirlwind of airport dates at pretzel kiosks, stolen glances at empty gates, and late-night texts that leave them swooning. If the risk-adverse Bennett can take a chance on uncertainty and adventurous Ollie will break her own rule, their relationship might stop taxiing and actually take off.

Theology of Horror Ryan G. Duns, SJ, 2024-10-15 Theology of Horror explores the dark reaches of popular horror films, bringing to light their implicit theological and philosophical themes. Horror films scare and entertain us, but there's more to be found in their narratives than simple thrills. Within their shadows, an attentive viewer can glimpse unexpected flashes of orthodox Christian belief. In *Theology of Horror*, Ryan G. Duns, SJ, invites readers to undertake an unconventional pilgrimage in search of these buried theological insights. Duns uses fifteen classic and contemporary horror films—including *The Blair Witch Project*, *A Nightmare on Elm Street*, *Candyman*, and *The Purge*—as doorways to deeper reflection. Each chapter focuses on a single film, teasing out its implicit philosophical and theological themes. As the reader journeys through the text, a surprisingly robust theological worldview begins to take shape as glimmers of divine light emerge from the darkness. Engaging and accessible, *Theology of Horror* proves that, rather than being the domain of nihilists or atheists, the horror film genre can be an opportunity for reflecting on “things visible and invisible,” as Christians profess in the Nicene Creed.

Wisdom of Love John Corry, 2018-10-29 It is not enough to present the wisdom of love as a credible line of thought; the text must also leave the reader with a renewed sense of being in touch with the most compelling component in human life. It must move the heart as well as the mind. If, however, my writing elicits only an emotional response, I will have failed to trace the influence of love as it presses its way into every aspect of human existence—not only in personal relationships in families and faith communities, but in business and the military establishment as well.

Food: A Love Story Jim Gaffigan, 2015-09-22 NEW YORK TIMES BESTSELLER • “A brilliantly funny tribute to the simple pleasures of eating” (*Parade*) from the author of *Dad Is Fat* Have you ever finished a meal that tasted horrible but not noticed until the last bite? Eaten in your car so you wouldn't have to share with your children? Gotten hungry while watching a dog food commercial? Does the presence of green vegetables make you angry? If you answered yes to any of the following questions, you are pretty pathetic, but you are not alone. Feast along with America's favorite food comedian, bestselling author, and male supermodel Jim Gaffigan as he digs into his specialty: stuffing his face. *Food: A Love Story* is an in-depth, thoroughly uninformed look at everything from health food to things that people actually enjoy eating.

Love Delayed Anna Black, 2024-11-26 A second-chance love connection for book romantics in which former college sweethearts reunite at an airport counter upon their flight cancellation, sparking a night of reflection and what could have been. When Zamora Hill decided to follow her childhood dreams of being a chef, she didn't know that losing the love of her

life would be the price she'd have to pay. Excited about going to culinary school, things took a crazy turn with her boyfriend, Marcus, who doesn't support her decision and calls things off, leaving Zamora not only bewildered but also heartbroken. Defeated, she moves out and moves on. Hotel and business owner Marcus Coleman is a family man and is very close to the ones he loves. Hospitality was all he knew, being a fourth-generation hotel owner, and he did all he could to please his parents. Accustomed to making sacrifices, Marcus was blindsided by the news that his college love, Zamora, would go away for thirteen months to attend culinary school. Driven by ego, he ends their entire relationship before thinking it through. Ten years later, as fate would have it, Zamora and Marcus are both in Las Vegas heading back to Chicago on the very same flight that gets delayed and eventually canceled. They have one night to catch up, and one night is all it takes for them to realize that they still harbor old feelings for each other.

Love, in Theory E. J. Levy, 2012-09-15 In this funny, brainy, thoroughly engaging debut collection, an award-winning writer looks at romance through the lens of scholarly theories to illuminate love in the information age. In ten captivating and tender stories, E. J. Levy takes readers through the surprisingly erotic terrain of the intellect, offering a smart and modern take on the age-old theme of love—whether between a man and woman, a man and a man, a woman and a woman, or a mother and a child—drawing readers into tales of passion, adultery, and heartbreak. A disheartened English professor's life changes when she goes rock climbing and falls for an outdoorsman. A gay oncologist attending his sister's second wedding ponders dark matter in the universe and the ties that bind us. Three psychiatric patients, each convinced that he is Christ, give rise to a love affair in a small Minnesota town. A Brooklyn woman is thrown out of an ashram for choosing earthly love over enlightenment. A lesbian student of film learns theories of dramatic action the hard way—by falling for a married male professor. Incorporating theories from physics to film to philosophy, from Rational Choice to Thorstein Veblen's Theory of the Leisure Class, these stories movingly explore the heart and mind—shooting cupid's arrow toward a target that may never be reached.

The Abu Dhabi Bar Mitzvah: Fear and Love in the Modern Middle East Adam Valen Levinson, 2017-11-14 Chronically questioning, funny, and bold, a young American explores the majority-Muslim lands that scare him most. Armed only with college Arabic and restless curiosity, Adam Valen Levinson sets out to “learn about the world 9/11 made us fear.” From a base in globalized and sterilized Abu Dhabi, he sets out to lunch in Taliban territory in Afghanistan, travels under the watchful eye of Syria's secret police, risks shipwreck en route to Somalia, investigates Yazidi beliefs in a sacred cave, cliff dives in Oman, celebrates New Year's Eve in Tahrir Square, and, at every turn, discovers a place that matches not at all with its reputation. Valen Levinson crosses borders with wisecracking humor, erudition, and humanity, seeking common ground with “bros” everywhere, and finding that people who pray differently often laugh the same. And as a young man bar mitzvahed eight years late, he slowly learns how childish it is to live by decisions and distinctions born of fear.

Packed with provocative case studies, calculations, and lifestyle comparisons, this entertaining and authoritative book makes the complexities of climatology tractable and challenges readers to rethink their notions of doing their bit.

Reflections Chitrotpala Mukherjee, As the title of the book suggests, this is a memoir of the long life that I have lived. Towards the end of my life, I have an inner compulsion to speak about my time on this planet which has been mixed, on the whole, not bad at all. This book is a kind of putting together entries in diaries and scribbles on paper that I did from time to time, almost like a compulsive habit. I have also written about certain aspects that have deeply affected me, like nature, friends, relationships and of course, death.
