**Sabine Zange**

**The Man of the House** Stephen McCauley, 2012-07-31 Stephen McCauley's much-loved novels *The Object of My Affection* and *The Easy Way Out* prompted *The New York Times Book Review* to dub him the secret love child of Edith Wharton and Woody Allen. Now McCauley stakes further claim to that title -- and more -- with a rich and deftly funny novel that charts the unpredictable terrain of family, friends, and fathers. Thirty-five-year-old Clyde Carmichael spends too much time at things that make him miserable: teaching at a posh but flaky adult learning center; devouring forgettable celebrity biographies; and obsessing about his ex-lover, Gordon. Clyde's other chief pursuit is dodging his family -- his maddeningly insecure sister and his irascible father, who may or may not be at death's door. Clyde's in danger of becoming as aimless as Marcus, his handsome (and unswervingly straight) roommate, who's spent ten years on one dissertation and far too many fizzled relationships. Enter Louise Morris. Clyde's old friend and Marcus's onetime lover is a restless writer and single mother, who shows up with Ben, her son and a neurotic dog in tow. The looming question of Ben's paternity nudges Clyde back into the orbit of his own father -- and propels our endearing hero into the kind of bittersweet emotional terrain that McCauley captures so well.

**Man of the House** Ad Hudler, 2008 From the author of *Househusband* comes a lovable and absorbing romp about parenting, marriage, and the battle of the sexes.

**Man of the House** Joan Jonker, 2012-05-24 The war may be over, but for one young wife, her battles are only just beginning... *Man of the House* is a heart-breaking but ultimately uplifting saga of life after the war, in the second instalment of Joan Jonker's Eileen Gillmoss series. Perfect for fans of *Dilly Court* and *Katie Flynn*. On VE day, everyone was rejoicing and it seemed the whole population of Liverpool had turned out to celebrate. Eileen Gillmoss, a colourful character with a smile forever lighting up her face, was the life and soul of the party. Today was the day she'd prayed for and dreamed about. After five long, lonely years, her prisoner-of-war husband Bill would be coming home, back to the open, loving arms of his wife and children. But the man who comes back from the war is a complete stranger to her. It isn't only that Bill's appearance has changed. It's his remoteness, his flinching from her touch that Eileen can't cope with. Now, Eileen, who is always there to lend a shoulder to cry on, is the one in need. But who can she turn to? No one can give her what she craves most... her old husband back. She wants him back where he belongs, as the man of the house. What readers are saying about *Man of the*

House: 'This book has everything you need for a good read. I couldn't put it down. With every page you turn you don't know whether you'll be laughing or crying by the end of the page. With the good description of the characters in the book you feel like you have known them all your life' 'Excellent... Joan Jonker never lets you down'

**Man of the House** Dr. Colm McAindriu,2022-12-21 Man of the House: A Memoir By: Dr. Colm McAindriu Between the years of 1944 and 1963, Dr. Colm McAindriu was just a kid, a Black kid living in the Jim Crow Mississippi Delta. His story brings to light what living day and night under the threat of death looks like for a Black kid in this era. Should he look at the white girl, or dream of her and tell someone or be caught doing so? His mother forced him to help her raise her remaining 12 children and demanded that he kill his prized pig to feed her family. McAindriu's childhood was rife with small moments of joy and learning, coupled with working in cottonfields, pain both physical and emotional, and being the Man of the House.

**Man of the House** C. R. Wiley,2017-03-22 What is your plan for the end of the world as we know it? How will you protect the people you love? What will you leave to them when you are gone? The good news is this is not the first time the world has ended. What's more, men were made for times like these. And the men of the past--the good ones, anyway--have left us a plan to follow. They built houses to last--houses that could weather a storm. This book contains their plan.

**Man of the House** Chinedu Nnadi,2025-08-11 Ken had always taken pride in being the provider. A devoted husband. A loving father. A man who never let his family feel the weight of the world—even when it crushed him silently. For eight years, he carried it all, asking for nothing. Megan, his beautiful wife, never paid a bill, never offered to help. But she had no trouble spending — designer clothes, spa getaways, nights out with friends. Ken let it slide... because love meant sacrifice. Until the day everything changed. Laid off without warning, Ken watched his savings disappear. When he finally turned to Megan for help, her words struck like a blade: “You’re the man of the house. Figure it out.” Her cruelty escalated as he struggled to survive, working odd jobs and borrowing money just to keep the lights on. Humiliated and broken, Ken reached his limit. But when opportunity returned, Ken didn’t shout it from the rooftops—he vanished. With his daughter by his side and a new life in place, he left behind the woman who had once sworn forever. Now Megan wants him back. But what happens when the man you took for granted becomes the man you can’t reach? A gripping tale of emotional betrayal, quiet revenge, and a man who rises from rock bottom to reclaim his power. This time, he’s not saving the house. He’s saving himself.

*Man Of The House* Gemma Suzanne,2024-08-22 Mary Lynn Mitchell has spent years piecing her life back together after the devastating loss of her husband, Robert, in a tragic boating accident. Left to rebuild on her own, she has finally found peace and new love with Jake Callahan, a man who brings stability and comfort into her life—a stark contrast to the turmoil she endured before. Just when Mary Lynn begins to believe that she can truly move forward, a dark secret from her past threatens to unravel everything. Robert Mitchell was once the center of her world, a man with a successful career and a bright future ahead of him. But that all changed when he became entangled in a web of financial crimes, leading to his tragic

disappearance. The FBI's investigation may have closed, but the scars left on Mary Lynn's heart have never fully healed. Now, as she prepares to embark on a new chapter with Jake, she finds herself haunted by the shadows of her past, as secrets long buried begin to resurface. As Mary Lynn navigates the complexities of love, loyalty, and redemption, she finds herself at a crossroads. The past has a way of catching up with you, and the choices she makes will determine whether she can truly move forward or if she will be forever haunted by the ghosts of what once was. **Short Story Press Presents Man of the House** Short Story Press, Alex Eaker, 2019-03-09 After his mother goes deaf, a young boy must navigate through the many difficulties of his childhood. The boy witnesses his Mom deal with loss, his father becoming distant, his older brother living a life of his own. The protagonist feels alone, powerless, voiceless. At the same time, the boy tries to impress the girl of his dreams at school, leading him into a troublesome situation. He must make choices which could affect him for the rest of his life. Through it all, he must figure out how to endure and grow, how to become the man of the house. • See how the protagonist deals with the struggling relationship between his mother and father. • How to deal with the struggles of puberty and coming of age. • Impressing your crush at school and the holes this can trap you in. • Navigating through a house filled with tension while also trying to take control. • Understand what it's like to live with someone who has experienced recent trauma. • Read about the importance of a mother-son relationship and how the bond between parent and child can grow. The story is fictional, but tells true experiences of the author. It is a personal

story that speaks to what growing up is really like for many young boys, and how they look to their parents or siblings for guidance. This story tells what can go wrong when that guidance is not there, but also the powerful bond between mother and son. About the Writer Alex Eaker grew up in the cold suburbs of Connecticut. At five years old, his parents got a divorce, putting Alex on an early path towards writing. Ever since, Alex has written about his experience as a son and younger brother, operating between his mother and fathers' homes while also enduring the universal struggles of adolescence. His stories serve to share his experience, an experience not uncommon in today's world. He hopes his words can reach the ears of readers who are seeking a voice to connect with, a voice they feel they have a common thread between. Short Story Press publishes short stories written by everyday writers.

**The New Man of the House** Brian Gibson, 2022-05-23 The modern-day suburb began, and began booming, in 19th-century Britain. As suburbia spread, the New Woman arose and fin-de-siecle concerns grew, suburban men felt more besieged. Anxieties about hygiene, pollution, purity, the home, class, gender roles, patrilineal power and the state of the Empire rippled through British fiction. The new man of the house was trying, often desperately, to hold onto the old order, changing even more rapidly as the 20th century and modernist fiction arrived. This study traces suburban masculinities in popular genres--speculative fiction, comic fiction and detective fiction--and in literary works from the late-Victorian era to the start of the First World War.

**Loving the Man of the House** S.E. Law, S.C. Adams, Dear Mr. Burns: You were kind to me when there was no one else. You were there for me after the divorce. You were there for me after my mom left. You were there for me all throughout my teen years, when I was downright impossible to be around. I'm grateful for everything you've done, including putting a roof over my head, food on the table, and of course, suffering through years of my annoying teenage angst. But now, I'm all grown up and it's time for me to show my appreciation. I may be going to college ... but not without one last encounter before we say goodbye. Love, Mari This a romantic tale about the man of the house and the brat living under his roof. Never underestimate Mari Cook because she may be half-girl / half-woman, but she won't leave without acknowledging the man who's been a strong father figure all her life. This book is a follow-up to Satisfying the Biker Gang, and as always, there are sensitive scenes inside which make this tale inappropriate for certain readers. HEA guaranteed.
