**Tayannah Lee McQuillar**

**The Hoodoo Tarot** Tayannah Lee McQuillar, 2020 Celebrating the complex American Rootwork tradition, The Hoodoo Tarot integrates esoteric and botanical knowledge from Hoodoo with the divination system of the Tarot. Structured like a traditional Tarot deck, each of the 78 cards features full-color paintings by magical-realist artist Katelan Foisy and elegantly interprets the classical Tarot imagery through depictions of legendary rootworkers past and present as well as important Hoodoo symbolism. In the accompanying guidebook, Tayannah Lee McQuillar provides a history of Hoodoo and its complex heritage, including its roots in multiple African and Indigenous American ethnic groups as well as its European influences. She explores the traditional forms of divination used by rootworkers, including cartomancy, explaining how pairing the Tarot with Hoodoo is a natural fit. For each card in the Major Arcana and the four suits of the Minor Arcana (sticks, baskets, needles, and knives), McQuillar provides an in-depth card meaning that draws on both Tarot and Hoodoo tradition. She shares the history of the rootworker or symbol featured, any associated magical plants, a related scriptural quote, and guidance and advice based on the card's meaning. She also offers instructions on card spreads and shares sample card readings. Offering a divination system rooted in the Indigenous and African experience in North America, The Hoodoo Tarot provides a hands-on way to honor and explore the magic of Hoodoo for personal growth and spiritual inspiration. -- provided by publisher

*The Hoodoo Tarot Workbook* Tayannah Lee McQuillar, 2024-01-23 • Provides rituals for each of the Major Arcana cards and shares exercises for resolving problems and dysfunctional patterns the cards reveal • Explores in depth the plants, herbs, and flowers of the Hoodoo tradition featured on the cards • Offers eleven new card spreads, such as the New Moon spread, the Big House Healing Trauma spread, and the Difficult Ancestry spread In this Hoodoo and divination workbook, Tayannah Lee McQuillar presents a deeper understanding of the concepts, themes, and symbology featured in her best-selling Hoodoo Tarot card deck, along with providing rituals, botanical knowledge, and advanced practices for working with the cards. Exploring the philosophy behind Hoodoo as well as its historical and spiritual roots, the author looks at this tradition as a nature-based spiritual system, emphasizing the unique environmental features of the Deep South that have shaped what Hoodoo and Rootwork are today. She explores in depth the plants, herbs, and flowers of the Hoodoo tradition featured on the cards as well as the animals that play a totemic role in Rootworking. She explains the three sacred circles of

Hoodoo and the different groups whose spiritual traditions give this syncretic faith its complex heritage: early Black American Christianity, esoteric European traditions, and Indigenous American traditions. Looking at the Elder cards (Major Arcana) of The Hoodoo Tarot, the author provides rituals to work with each of the cards and the plants, legendary figures, and the spiritual concepts they represent. She offers eleven new card spreads, such as the New Moon spread, the Big House Healing Trauma spread, and the Difficult Ancestry spread. She also looks closely at the Family card connections, explaining what particular cards reveal when they appear. Presenting new ways to work with The Hoodoo Tarot, this book also provides a foundational introduction to the Rootworking tradition, allowing divination practitioners and spiritual seekers alike to expand their journeys of growth and understanding.

This book is an A-Z primer for those learning or wanting to learn about many of the commonly used items in hoodoo and how to use them.
