The Seekers John Jakes, 2012-07-10 Abraham Kent leaves Boston to find his destiny on America's frontier in this saga by the #1 New York Times–bestselling author of *North and South*. Continuing the saga of the Kent family, John Jakes turns his masterful eye to the settlement of the untamed American West. Abraham Kent, the son of Philip Kent and Anne Ware, fought

valiantly on the frontier, only to return home to Boston and a life he doesn't want. Determined not to live in his father's shadow, Abraham and his young bride join the wave of pioneers carving out farms in the turbulent, dangerous West. But life on the nation's frontier soon becomes more than their fledgling family can endure. Furthering his reign as the living master of American historical fiction, Jakes unfurls the epic of *The Seekers*. This ebook features an illustrated biography of John Jakes including rare images from the author's personal collection.

John Jakes Mary Ellen Jones, 1996-11-01 John Jakes, often called the people's author and godfather of the historical novel, has made American history come to life in his series *The Kent Family Chronicles* and *The North and South Trilogy*. Through these novels, Jakes conveys the sweep of American history, both its glory and its grim scenes, from the American Revolution to the opening moments of the 20th century. Never glossing over the nation's flaws (slavery, materialism, a double-edged Manifest Destiny), Jakes nevertheless affirms American values. This is the first full-length critical study of his work. It examines in detail Jakes' 13 major novels to date and assesses his methods as America's history teacher. In Part I, following a chapter on Jakes' life, Jones examines the early novels and Jakes' use of the genres of historical fiction, the western, and the historical family saga. Part II, *The Kent Family Chronicles*, devotes an individual chapter to each of the novels in this series, *The Bastard*, *The Rebels*, *The Seekers*, *The Furies*, *The Titans*, *The Warriors*, *The Lawless*, and *The Americans*. Part III, *New Beginnings*, features chapters on *North and South*, *Love and War*, and *Heaven and Hell*, and chapters on *California Gold* and *Homeland*. The examination of each novel in this study includes sections on plot development, character development, and thematic issues. Jones also offers an alternative critical perspective from which to read each novel—such as feminist literary criticism, New Historicism, Marxist criticism, and Deconstructionism—that gives the reader an alternative viewpoint from which to consider the novel. A complete bibliography of all of John Jakes' work, works about John Jakes, and a listing of reviews of all the novels examined in the book concludes the study.
