The Power of Thoughts Swami Mukundananda, 2022-06-13 Incredibly, the ingredients of a hugely successful life cost nothing at all. In fact, we mass-produce 60,000 of them every day. These are the thoughts that our mind creates. They are responsible for the happiness and distress we experience. They are the precursors of all we do. We grapple with improving our actions, only to find our attempts undone by impure thinking. If we focus on transforming our thoughts instead, incredible results will accrue from a fraction of the efforts. Since all aspects of our life are so strongly linked to our thoughts, we have much to gain by deepening our understanding of them. In this book, Swami Mukundananda, a world-renowned spiritual teacher from India and an internationally acclaimed mind-management authority, will teach you about watching your thoughts, directing them, dismantling harmful thought structures, creative thinking, meditation and much more. When you focus on revolutionizing your thoughts—the most fundamental aspect of inner personality—you will discover yourself evolving to divine heights to fulfil the purpose of your life.

The Payoff Principle Alan Zimmerman, 2015-03-03 Where do you hope to go with your life, your career, and your relationships? How will you muster the energy to keep on keeping on, in the good times and the bad? What skills do you have to learn—and then use—to make sure you get the payoffs you really want in your professional life and your personal life? The problem with so many positive-thinking books and self-help routines is that they don't give you the whole formula. The Payoff Principle gives you that formula—Purpose + Passion + Process = Payoff—and then works as your guidebook, teaching you how to apply the formula to achieve success at work, at home, and everywhere you go. When you find purpose in what you do, exhibit passion for the outcome, and master the process to make it happen, you produce the payoffs you want, need, and deserve. Plenty of people have done exactly that, whether consciously and deliberately or accidentally and luckily. But, you don't have to depend on luck anymore. You have a formula for getting what you want. You have a practical set of strategies guaranteed to deliver greater happiness and success than you've ever experienced. All you have to do now is read *The Payoff Principle* to learn how to implement the formula to experience the new-and-complete you.

Building an Altar of Sacrifice Francis Elijah Ndunagum,2021-07-20 We all have dreams, talents, gifts and destinies to fulfill. Many times we live unfulfilled dreams because we have not yet ignited nor maintained the fire on our personal altar. Having repeatedly seen this sad occurrence, I was burdened to study the bible with a burning desire to find out why this happens even after the Lord may have given a sure word of prophecy to His children. I diligently read the bible to find out solutions which we can apply to our lives to curb the tendency where an alarmingly high number of people never get to fulfill

their destinies. One of the biggest strategies the devil uses to destroy a believer's life is to ensure the fire on their personal altar dies down. One needs to know that the sole purpose of building an altar of sacrifice in God's kingdom is not to offer up animal sacrifice but rather to have a quiet place of one-to-one communication with God. It is here that a believer can ask forgiveness of sins, a factor which separates man from God and thereafter proceed to worship Him. Building an altar of sacrifice means you having a sacred or consecrated place of worship and adoration with God Almighty. It is sad to know some believers do not have a personal altar of sacrifice. On the other hand, quite a number of those who have do not take time to keep the fire burning on their altar. Every believer needs to have their private altar of sacrifice and ensure that it is kept burning day and night throughout their lifetime. The specified and acceptable sacrifice to be offered in your altar to God is the sacrifice of a burnt-offering of ADORATION and INCENSE of PRAISE. As the altar of incense burns every morning and evening, so is God expecting your prayers and praises to be raised every time from your altar. If the fire in your altar of sacrifice goes off, your altar becomes dormant and falls into ruins rendering your guiding angel ineffective while at the same time, giving the Devil the opportunity to mess up your life. It is obvious we do ourselves harm if we do not tend daily to our altars to keep the fire burning.
