The Dog of the North Elizabeth McKenzie, 2023-03-14 * Finalist for the Los Angeles Times Book Prize * A New Yorker Best Book of the Year * A New York Times Book Review Editors' Choice * Nominated for the Women's Prize for Fiction * "I'm in love with a grieving misfit driving around with a donkey-shaped piñata in an old van held together by duct tape...the great miracle of McKenzie's writing... is how she manages to transform misery into gentle humor...darkly hilarious." —The Washington Post "An addictive read with an ultimately hopeful core that recalls Haruki Murakami, Sayaka Murata, Richard Brautigan, and Miranda July" – Sanjena Sathian, author of *Gold Diggers* Penny Rush has problems. Her marriage is over; she's quit her job. Her mother and stepfather went missing in the Australian outback five years ago; her mentally unbalanced father provokes her; her grandmother Dr. Pincer keeps experiments in the refrigerator and something worse in the woodshed. But Penny is a virtuoso at what's possible when all else fails. Elizabeth McKenzie, the National Book Award-nominated author of *The Portable Veblen*, follows Penny on her quest for a fresh start. There will be a road trip in the Dog of the North, an old van with gingham curtains, a piñata, and stiff brakes. There will be injury and peril. There will be a dog named Kweecoats and two brothers who may share a toupee. There will be questions: Why is a detective investigating her grandmother. What is "the Scintillator"? And can Penny recognize a good thing when it finally comes her way? This slyly humorous, thoroughly winsome novel finds the purpose in life's curveballs, insisting that even when we are painfully warped by those we love most, we can be brought closer to our truest selves.

The Dog of the North Tim Stretton, 2010-11-23 Winter on the lawless plains of the Emmenrule. En route to her wedding in the fortified city of Croad, the beautiful Lady Isola is kidnapped. What is worse, her captor is the infamous Beauceron. But, ruthless as he may be, Beauceron is no ordinary brigand: it is his life's ambition to capture Croad itself – and he will stop at nothing to achieve it. Mondia, though, is a continent of many stories, and in Croad, a young man named Arren has been taken under the wing of the city's ruler, Lord Thaume. Although of low birth, Arren is destined to become a knight of valour and renown. But as his fortunes rise, so those of his childhood friend Eilla fall. Beauceron has returned with his human plunder to his home – the exquisite frozen city of Mettingloom. There, the imperious Isola finds herself reassessing her former loyalties as she struggles to adapt to her new life. Beauceron, meanwhile, is manoeuvring to raise an army. He is determined to defeat his enemies, both inside and outside Mettingloom – and to capture the city he loathes. But what is the source of Beauceron's

obsession with Croad? Can Arren reconcile his youthful ambitions with his growing feelings for Eilla? And just who is the Dog of the North? Tim Stretton's debut novel is a spellbinding tale of loyalty and betrayal, homeland and exile, set in a brilliantly imagined world of political intrigue, sorcery, and warfare on an epic scale.

The North Runner R. D. Lawrence, 2003-09-17 The North Runner is a true and moving story of the building of trust between a man and an exceptional dog that was half wolf, half Alaskan Malamute, and the resulting mutual affection and respect between them.

Howls From the North Matthew Horgan, Jennifer Nilsson-Stor, Nicola Dunning, Maureen Harris, 2014-02-13 This is a book for those who want to learn or own a Northern Breed dog. The information is transferable for all sled dog breeds but this book goes into details about these magnificent dogs you might walk by or maybe have seen on TV. We are experienced Northern Breed owners; our aims are to raise awareness and educate people about the breeds. In this book you will learn about the history and origins of the different sled dog breeds. Also we are highlighting great achievements that these dogs have made for the sake of humanity. As examples the great serum race to Nome, Alaska. Also the extreme training that these dogs have gone through for the war effort in both World War I and World War II. And some other true stories from other northern breed owners.

Dogs in the North Robert J. Losey, Robert P. Wishart, Jan Peter Laurens Looovers, 2018-06-13 *Dogs in the North* offers an interdisciplinary in-depth consideration of the multiple roles that dogs have played in the North. Spanning the deep history of humans and dogs in the North, the volume examines a variety of contexts in North America and Eurasia. The case studies build on archaeological, ethnohistorical, ethnographic, and anthropological research to illuminate the diversity and similarities in canine-human relationships across this vast region. The book sheds additional light on how dogs figure in the story of domestication, and how they have participated in partnerships with people across time. With contributions from a wide selection of authors, *Dogs in the North* is aimed at students and scholars of anthropology, archaeology, and history, as well as all those with interests in human-animal studies and northern societies.

The Dog of the Marriage Amy Hempel, 2010-06-15 Amy Hempel's compassion, intensity, and illuminating observations have made her one of the most distinctive and admired modern writers. In three stunning books of stories, she has established a voice as unique and recognizable as the photographs of Cindy Sherman or the brushstrokes of Robert Motherwell. *The Dog of the Marriage*, Hempel's fourth collection, is about sexual obsession, relationships gone awry, and the unsatisfied longings of everyday life. In *Offertory*, a modern-day Scheherazade entertains and manipulates her lover with stories of her sexual encounters with a married couple as a very young woman. In *Reference # 388475848-5*, a letter contesting a parking ticket becomes a beautiful and unnerving statement of faith. In *Jesus Is Waiting*, a woman driving to New York sends a series of cryptically honest postcards to an old lover. And the title story is a heartbreaking tale about the objects and animals and unmet desires that are left behind after death or divorce. These nine stories teem with wisdom, emotion, and surprising wit. Hempel explores the intricate psychology of people falling in and out of love, trying to locate something or someone elusive or lost. Her sentences are as lean, original, and startling as any in contemporary fiction.

The German Shepherd Dog In Word And Picture V. Stephanitz, 2011-03-25 Originally published in Germany in 1923, "The German Shepherd Dog in Word and Picture" is the English translation of what is probably the most important book ever published on this popular breed. This volume is highly recommended for owners and breeders alike, and it would make for a fantastic addition to collections of allied literature. Contents include: "The Shepherd dog and Herdsman's dog, their Origin and Relationship", "The Nature and Service of the Shepherd Dog", "Breeding", "Rearing", "Judging", "Training", "Kennels", etc. Many vintage books such as this are increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with a specially-commissioned new biography of the author.

This anthology includes chapters taken from a comprehensive range of books, many of them now rare and much sought-after works, all of them written by renowned breed experts of their day. These books are treasure troves of information about the breed - The physical points, temperaments, and special abilities are given; celebrated dogs are discussed and pictured; and the history of the breed and pedigrees of famous champions are also provided. The contents were well illustrated with numerous photographs of leading and famous dogs of that era and these are all reproduced to the highest quality. Books used include: A History And Description Of The Modern Dogs Of Great Britain And Ireland by Rawdon B. Lee (1897), The Dog Book by James Watson (1906), Dogs And How To Know Them by Edward C. Ash (1925) and many others.

Dogs of the Railways Jill Lenk Schilp,2023-12-18 This is the story of the vagabond canines that hopped on railroads across the United States, often becoming celebrities and national heroes. Chapters introduce canines like Owney, guardian of the railway mail service; Fala, FDR's beloved dog and train-companion; Annie, the Colorado railway ambassador; the K9 patrols who watch over the tracks; and many more. As railroads were changing America, these raildogs were changing the people who lived and worked in rail communities. For the dogs of the railways, home became the hearts of the people of the railroad. More than the dogs themselves, this book is about the human-animal relationship between a dog and a community and moments in history where that relationship symbolized the quest for home and belonging, a search that humans often share with our canine travelers.

Our Debt to the Dog Bryan D. Cummins,2013-11-07 When Homo sapiens sapiens met Canis lupus lupus millennia ago, the

result was *Canis lupus familiaris*, the domestic dog. Since that fateful encounter, the dog has become, arguably, humankind's greatest creation. The domestic dog is the most widely distributed species (other than ourselves) in the world, being found virtually wherever people live, and is also the most diversified of species, with literally hundreds of recognized breeds. While we have shaped the dog, it, too, has helped shape human history in innumerable ways. Our Debt to the Dog is a critical historical and cross-cultural examination, through the use of case studies, of this most improbable 15,000-year relationship and an exploration of how this relationship shaped the history of the world. It is also very much an apology to the dog because over the course of the partnership horrific acts were perpetrated against it intentionally and otherwise. Our Debt to the Dog enriches our understanding of the dog and extends our appreciation for the profound complexity of past and present human-canine relationships and the dog's contributions to our lives and our world.
