**Long Way Round** Ewan McGregor,Charley Boorman,2013-04-11 'A highly readable and spiritually uplifting book about a dream come true' Wanderlust 'Touching and memorable ... one for armchair travellers and bike freaks' Daily Mail From London to New York, Ewan and Charley chased their shadows through Europe, the Ukraine, Kazakhstan, Mongolia and Russia, across the Pacific to Alaska, then down through Canada and America. But as the miles slipped beneath the tyres of their big BMWs, their troubles started. Exhaustion, injury and accidents tested their strength. Treacherous roads, unpredictable weather and turbulent politics challenged their stamina. They were chased by paparazzi in Kazakhstan, courted by men with very large guns in the Ukraine, hassled by the police, and given bulls' testicles for supper by Mongolian nomads. And yet despite all these obstacles they managed to ride more than twenty thousand miles in four months, changing their lives forever in the process. As they travelled they documented their trip, taking photographs, and writing diaries by the campfire. Long Way Round is the result of their adventures - a fascinating, frank and highly entertaining travel book about two friends riding round the world together and, against all the odds, realising their dream.

*Long Way Round to Rehab* Lachlan Barker,2025-05-12 Travel book mostly, but with some emotional journey stuff along for the ride.

Heart of the Dragon Peter Man,2018-06-09 Victoria, a Canadian teenager adopted from China as a baby, goes through incredible adventures in China and America to discover her mysterious background. Victorias odyssey is interwoven with the amazing story of the first warrior queen of China during the Shang dynasty, circa 1200 BCE. Victoria is also linked to a northeastern barbarian tribe at the beginning of the Han dynasty, circa 200 BCE. These barbarians and their descendants would one day rule China and become a part of China. The famous Mulan was from that barbarian ruled era. Many of the mysteries are encoded in the ancient Chinese Oracle Bone writing. Victoria also learns the origins of the Chinese and other ancient civilizations. They are all related to a mythical paradise planet known as Shangala, which colonized the red giants Betelgeuse of Orion and Antares of Scorpio, the latter also known as the Heart of the Dragon.

*Lycra, Lattes and the Long Way Round* Mark Krieger, 2011-11-11 As I drew closer to the town of Pont-de- Vaux... I found myself thinking of some of the places I'd passed through. There were so many tiny hamlets, villages and larger towns, some vibrant and fine-looking, others lifeless, run down and in dire need of repair. Then there were, of course, the countless numbers of French people who had helped me piece together the jigsaw of roads along my way. The places I was riding through weren't quite the same, but there was that unmistakable pungent smell of agriculture in the air and the sight of fat cows chomping lazily on mouthfuls of grass. It was vastly different from the Hautes-Alps and the bustling stretch of Mediterranean coast, but full of its own charm and character nonetheless. Beginning with the idea of tackling some of Europe's most formidable mountains on his road bike, Mark Krieger, along with his wife Roz, started his journey around France - from the medieval town of Langres - and instantly fell in love with the country. Known for its history, culture, fine cuisine and above all, its cycling, it became the perfect setting for a Tour of a lifetime.

*Golk* Richard Stern, 2014-12-16 "The first really good book I have read about television." —Norman Mailer In midcentury America, one man is determined to take over the airwaves with a program as audacious as it is entertaining. Bald, bombastic, and irresistible, Golk is his name and *You're On Camera* is his show. To "golk" someone is to trick her, on camera, into betraying her true nature. The more combative the personality, the better the joke, and to help trap his victims Golk enlists a team of misfits, including Herbert Hondorp, a scholarly layabout turned photogenic decoy, and Jeanine Hendricks, a twenty-three-old debutante with a bitter worldview. But Golk has bigger plans than just catching average Manhattanites unawares. As popular as *You're On Camera* has become, he knows the show is capable of making a greater, more transformative impact. The question is, will Herbert and Hendricks go along with his revolutionary agenda? Or will they bow to the power of the network and the seduction of celebrity? Combining high drama with surreal hilarity and presenting a remarkably prescient view of the future of television, Golk ranks with Nathanael West's *The Day of the Locust* as one of the finest novels ever written about the American entertainment industry.

*The Expression of Temporal Meaning in Caboverdean* Fernanda Pratas, 2021-02-08 One hot topic in contemporary linguistics concerns how we express the passage of time in natural language. In particular, interesting questions have been raised as to how formerly understudied languages fit into deep-rooted theoretical frameworks, which among other features comprise a grammatical category of tense. This monograph mainly contributes to this debate in two complementary ways: through a detailed description of a large set of new data from two varieties of Caboverdean, a Portuguese-related language, and through a novel approach to the role of its few temporal morphemes, which allows to better define how tense meanings, aspect, and mood, together with other linguistic and extralinguistic information, provide what we understand as past, present, and future. The adequate study of this non-standardized language, with its impressive internal variation, thus brings new insights to old theoretical problems. Additionally, a welcome side effect of these new descriptions and analyses is that they promote a scientifically grounded attitude towards linguistic diversity.
