365 Days of Hope Susan Parry-Jones, 2015-12-14 For survivors of traumatic experiences like abuse, the goal is to forget. But like a beach ball that we try to hold under the water, things keep bubbling up. We get triggered. Memories won't fade. The past refuses to stay in the past. Recovery is a personal journey towards wellness that involves intense work allowing pain to surface, allowing grieving to occur, and learning new ways of looking at ourselves and our pasts. 365 Days of Hope is a refreshingly honest book that is like taking a walk through the recovery journey with a friend beside you offering insight, support, and encouragement because he or she knows the journey. Set out in 365 stand-alone sections, this book builds from basic ideas about finding support and learning how to take care of yourself to dealing with gritty issues like identity, sexuality, grief, and becoming your own hero. It helps survivors learn skills like learning to use positive affirmations and

managing negative self-talk. It is practical and thought provoking and invites readers to participate in their own recovery process. We all need a little hope, and this book is about providing survivors of abuse with 365 days filled with hope for their own recovery journey.

Finding Your Best Self Lisa M. Najavits,2019-04-17 Addiction and trauma are two of the most common and difficult issues that people face. In this motivating book, leading expert Lisa Najavits explains the link between addiction and trauma and presents science-based self-help strategies that you can use no matter where you are in your recovery. Every chapter features inspiring words from people who have been there, plus carefully designed reflection questions, exercises, and other practical tools. Learn how you can: *Build coping skills so that the future is better than the past. *Keep yourself safe and find support. *Set your own goals and make a plan to achieve them at your own pace. *Choose compassion over self-blame and shame. *Move toward your best self--the person you want to be. If you are a family member or friend seeking to support a loved one--or a helping professional--this book is also for you. Now in a convenient large-size format, the revised edition features added materials for professional and peer counselors. Mental health professionals, see also the author's related treatment manuals for trauma and/or addiction, Seeking Safety (present-focused) and Creating Change (past-focused).

Shattered... Linda Frame RN CLNC CCM,2018-12-17 As a Registered Nurse with a long career in Emergency Medicine, caring for every type of illness and injury know to man and caring for patients in such a high stress atmosphere was all she knew how to do. It wasn't until after sustaining a life changing - career ending injuries in a freak accident herself, did she realize that being the patient brought a whole new meaning to pain, strength, motivation and hope. Having been through a medical life altering experience, it has given her a completely different perspective of how your life, your body, your mind, your finances change in an instant. Never take a moment for granted because you never know when life as you know it will change in a split second. By using her medical and counseling career, combining it with her personal experience as a patient, she can help you take your own experiences and personal situations of adversity, and turn it around. She will give you examples, steps and true stories you can relate to in your own life. These stories will make you laugh, motivate you, bring you to tears and allow you to see that you are not alone in what you are going through. She has been there and understands how even the smallest of issues can feel like the end of the world, when you are experiencing it in real time. By reading this book, you will hear from someone who has been where you are and help guide you to where you want to be. It's not an easy road, but after working very hard herself, getting back up was the only option to move forward.

Will Power and Win Power - Deal As Rising Star DR. SRINIVASAN GANDHI,2017-09-11 Will Power and Win Process -Deal As Rising star When you think about choices, chances, and challenges, you become a positive rising star in your field.

Whatever you may choose, it reflects on the changes and challenges. Don't chase people around you, be yourself, do your own thing and work hard.
