

Clair De Lune Movie

Michael Dregni

The Movie Guide James Monaco, 1992 From *The Big Sleep* to *Babette's Feast*, from *Lawrence of Arabia* to *Drugstore Cowboy*, *The Movie Guide* offers the inside word on 3,500 of the best motion pictures ever made. James Monaco is the president and founder of BASELINE, the world's leading supplier of information to the film and television industries. Among his previous books are *The Encyclopedia of Film*, *American Film Now*, and *How to Read a Film*.

The Elvis Movies James L. Neibaur, 2014-04-04 Elvis Presley's stature as the "King of Rock and Roll" will never be challenged. Between his first RCA hit single in 1956—the number-one smash "Heartbreak Hotel"—and his death in 1977, Elvis amassed more than 100 hits on the music charts. Presley's dominance on the music chart was paralleled only by the singer's motion picture career. Between 1956 and 1969, Elvis appeared in more than thirty films, further cementing his place as one of the most popular entertainers of the twentieth century. While there have been countless books that explore the real Elvis tucked beneath layers of showbiz mythology, such volumes often dismiss his motion picture career as insignificant or overlook his onscreen work entirely. In *The Elvis Movies*, James L. Neibaur looks at the thirty-one features that Presley made, from *Love Me Tender* in 1956 to *Change of Habit* in 1969. Most of these were star vehicles tailor-made for his image. As Neibaur points out, Elvis had a real interest in being a good actor, but his initial promise was soon thwarted by anti-creative decisions that sold a packaged version of the singer. Despite lapsing into a predictable formula of lightweight musicals, Elvis Presley's star power ensured that the films became box office successes. Neibaur examines each film, providing information about their production and offering assessments about their value in general, as well as their place in the Presley canon. Additional details include behind-the-scenes personnel, costars, DVD availability, and featured hit songs. An entertaining and informative look at an often underrated aspect of the singer's career, *The Elvis Movies* offers readers insight into his films. This volume will be a welcome resource to fans of the singer who want to know more about the King and his successful ventures on the big screen.

Academy Award Winning Movies 1928-2020 Diane Holloway Cheney, Ph.D., 2021-10-07 The history of the Academy Award ceremonies and awards is captured here for each passing year. Important themes and movies of lasting value are examined for additional ideas, sights, dialogue, stars, cast selections, racial issues, inside relationships, and musical impacts. Keep this book close by to re-watch important movies.

Leonard Maltin's 2009 Movie Guide Leonard Maltin, Luke Sader, Mike Clark, 2008 Offers readers a comprehensive reference to the world of film, including more than ten thousand DVD titles, along with information on performers, ratings, running times, plots, and helpful features.

Hollywood Movie Novels ,1919

Musical Sincerity and Transcendence in Film Timothy B. Cochran, 2021-08-16 Musical Sincerity and Transcendence in Film focuses on the ways filmmakers treat music reflexively—that is, draw attention to what it is and what it can do. Examining a wide range of movies from recent decades including examples from Indiewood, teen film, and blockbuster cinema, the book explores two recurring ideas about music implied by foregrounded musical activity on screen: that music can be a potent means of sincere expression and genuine human connection and that music can enable transcendence of disenchantment and the mundane. As an historical musicologist, Timothy Cochran explores these assumptions through analysis of musical style, aesthetic implications, and narrative strategy while treating the ideas as historically-grounded and culturally-situated with conceptual origins often lying outside of film. The book covers eclectic critical terrain to highlight various layers of musical sincerity and transcendence in film, including the nineteenth-century aesthetics of E.T.A. Hoffmann, David Foster Wallace's literary resistance to irony (sometimes called the New Sincerity), strategies of self-revelation in singer-songwriter repertoires, Lionel Trilling's distinction between sincerity and authenticity, theories of play, David Nye's notion of the American technological sublime, and Svetlana Boym's writings on nostalgia. These lenses reveal that film is a

way of perpetuating, revising, and critiquing ideas about music and that music in film is a potent means of exploring broader social, emotional, and spiritual desires.

Home Movies ,1943

Movies Magnificent: 150 Must-See Cinema Classics John Reid,2005-09 Few people would argue with the films selected for detailed notices and reviews in this book. Many of the movies are award-winners, and most chalked up impressive figures at the box-office. Who would dispute the inclusion of Citizen Kane or Rebecca or The Best Years of Our Lives? However, along with The Yearling and Reap the Wild Wind and Hello, Frisco, Hello, I've also included a few surprises. A magnificent publication. -- Rodney Bourke in International Movie Making (April 2006).

Leonard Maltin's Movie Guide Leonard Maltin,2017-11-28 Previously published as Leonard Maltin's 2015 Movie Guide, this capstone edition includes a new Introduction by the author. (Note: No new reviews have been added to this edition) Now that streaming services like Netflix and Hulu can deliver thousands of movies at the touch of a button, the only question is: What should I watch? Summer blockbusters and independent sleepers; the masterworks of Alfred Hitchcock, Billy Wilder, and Martin Scorsese; the timeless comedy of the Marx Brothers and Woody Allen; animated classics from Walt

Disney and Pixar; the finest foreign films ever made. This capstone edition covers the modern era while including all the great older films you can't afford to miss—and those you can—from box-office smashes to cult classics to forgotten gems to forgettable bombs, listed alphabetically, and complete with all the essential information you could ask for. With nearly 16,000 entries and more than 13,000 DVD listings, Leonard Maltin's *Movie Guide* remains “head and shoulders above the rest.” (The New York Times) Also included are a list of mail-order and online sources for buying and renting DVDs and videos, official motion picture code ratings from G to NC-17, and Leonard's list of recommended films.

Movie Anecdotes Peter Hay, 1991-12-12 Hollywood, Walter Winchell quipped, is where they shoot too many movies and not enough actors. Always looking for an angle, always, scheming, always the scene of clashing egos, the movie industry is where they place you under contract instead of observation--and if you don't have anything nice to say, write it down. In 1940, I had my choice between Hitler and Hollywood, French director René Clair recalled, and I preferred Hollywood--just a little. In *Movie Anecdotes*, Peter Hay treats us to a delightful ride through the world that has captivated audiences for almost a century, with stories that are often hilarious, sometimes tragic, and always entertaining. He takes us from the rough-and-tumble early days (when one studio paid Pancho Villa \$25,000 to launch his attacks only in daylight, after a film crew had set up) to the studio era (when Joan Crawford refused to cross the street on the MGM lot except in a chauffeured limousine) to the shenanigans of today's global industry. Here are stories about all the legends: Charlie Chaplin, Greta Garbo, John Barrymore, Mae West, Lucille Ball, Marilyn Monroe, Errol Flynn, Humphrey Bogart, Bette Davis, Judy Garland, Sophia Loren, John Wayne, and, of course, Ronald Reagan. There are the great directors from D.W. Griffith, Hitchcock, and Eisenstein, to Kurosawa, Bergman, Visconti, Huston, Ford, and Woody Allen. And Hay has selected tales of the writers, the wits, and the grand moguls, including perhaps the largest collection of Goldwynisms--both genuine and apocryphal. Along with the laughter, this volume recreates the conflicts that have torn the movie world, from battles over money and contracts, to discrimination, divorces, and scandals. Colorful, incredible, bitter, funny--the stories about moviemaking are as fantastic as the pictures themselves. Now they have been gathered together in an irresistible bouquet that is certain to delight every movie buff and provide fascinating insights for serious students of film.

Leonard Maltin's 2014 Movie Guide Leonard Maltin, 2013-09-03 Summer blockbusters and independent sleepers; masterworks of Alfred Hitchcock, Billy Wilder, and Martin Scorsese; the timeless comedy of the Marx Brothers and Buster Keaton; animated classics from Walt Disney and Pixar; the finest foreign films ever made. This 2014 edition covers the modern era, from 1965 to the present, while including all the great older films you can't afford to miss—and those you can—from box-office smashes to cult classics to forgotten gems to forgettable bombs, listed alphabetically, and complete with all the essential information you could ask for. NEW Nearly 16,000 capsule movie reviews, with more than 300 new entries NEW More than 25,000 DVD and video listings NEW Up-to-date list of mail-order and online sources for buying and renting

DVDs and videos NEW Completely updated index of leading performers MORE Official motion picture code ratings from G to NC-17 MORE Old and new theatrical and video releases rated **** to BOMB MORE Exact running times—an invaluable guide for recording and for discovering which movies have been edited MORE Reviews of little-known sleepers, foreign films, rarities, and classics AND Leonard's all-new personal recommendations for movie lovers • Date of release, running time, director, stars, MPAA ratings, color or black-and-white • Concise summary, capsule review, and four-star-to-BOMB rating system • Precise information on films shot in widescreen format • Symbols for DVDs, videos, and laserdiscs • Completely updated index of leading actors • Up-to-date list of mail-order and online sources for buying and renting DVDs and videos

Django Michael Dregni, 2004-11-01 Django Reinhardt was arguably the greatest guitarist who ever lived, an important influence on Les Paul, Charlie Christian, B.B. King, Jerry Garcia, Chet Atkins, and many others. Yet there is no major biography of Reinhardt. Now, in *Django*, Michael Dregni offers a definitive portrait of this great guitarist. Handsome, charismatic, childlike, and unpredictable, Reinhardt was a character out of a picaresque novel. Born in a gypsy caravan at a crossroads in Belgium, he was almost killed in a freak fire that burned half of his body and left his left hand twisted into a claw. But with this maimed left hand flying over the frets and his right hand plucking at dizzying speed, Django became Europe's most famous jazz musician, commanding exorbitant fees--and spending the money as fast as he made it. Dregni not only chronicles this remarkably colorful life--including a fascinating account of gypsy culture--but he also sheds much light on Django's musicianship. He examines his long musical partnership with violinist Stéphane Grappelli--the one suave and smooth, the other sharper and more dissonant--and he traces the evolution of their novel string jazz ensemble, Quintette du Hot Club de France. Indeed, the author spotlights Django's amazing musical diversity, describing his swing-styled Nouveau Quintette, his big band Django's Music, and his later bebop ensemble, as well as his many compositions, including symphonic pieces influenced by Ravel and Debussy and his unfinished organ mass inspired by Bach. And along the way, the author offers vivid snapshots of the jazz scene in Paris--colorful portraits of Josephine Baker, Bricktop, Louis Armstrong, Coleman Hawkins, and countless others--and of Django's vagabond wanderings around France, Europe, and the United States, where he toured with Duke Ellington. Capturing the extraordinary life and times of one of the great musicians of the twentieth century, *Django* is a must-read portrait of a true original.

Stardust Hannah Goodwin, 2024-05-14 An exploration of the fundamental bond between cinema and the cosmos The advent of cinema occurred alongside pivotal developments in astronomy and astrophysics, including Albert Einstein's theories of relativity, all of which dramatically altered our conception of time and provided new means of envisioning the limits of our world. Tracing the many aesthetic, philosophical, and technological parallels between these fields, *Stardust* explores how cinema has routinely looked toward the cosmos to reflect our collective anxiety about a universe without us. Employing a "cosmocinematic gaze," Hannah Goodwin uses the metaphorical frameworks from astronomy to posit new

understandings of cinematic time and underscore the role of light in generating archives for an uncertain future. Surveying a broad range of works, including silent-era educational films, avant-garde experimental works, and contemporary blockbusters, she carves out a distinctive area of film analysis that extends its reach far beyond mainstream science fiction to explore films that reckon with a future in which humans are absent. This expansive study details the shared affinities between cinema and the stars in order to demonstrate how filmmakers have used cosmic imagery and themes to respond to the twentieth century's moments of existential dread, from World War I to the atomic age to our current moment of environmental collapse. As our outlook on the future continues to change, Stardust illuminates the promise of cinema to bear witness to humanity's fragile existence within the vast expanse of the universe.

Classic Movies The Best and the Worst Pictures to see! Films to avoid! John Howard Reid, 2015-03-03 Gathered in this large volume paperback are some of Hollywood's best loved and most famous movies. In addition to the many film classics, however, the author has included a number of equally entertaining films that deserve to be better known. Many of these movies are now available on DVD. Full credits and detailed reviews are provided for over a hundred of these classic films. Over two hundred more movies are represented by short reviews. Many of the reviews contain DVD details. Of course, not all classic movies have surfaced on DVD to date, but they are being issued at the rate of around forty a month! If you love classic movies, this book will provide an invaluable guide to some of the enjoyable films that are now available (and also, of course, some of the disappointing films that you might wisely avoid).

Silent Cinema Paolo Cherchi Usai, 2019-04-04 Paolo Cherchi Usai provides a comprehensive introduction to the study, research and preservation of silent cinema from its heyday in the early 20th century to its present day flourishing. He traces the history of the moving image in its formative years, from Edison's and Lumière's first experiments to the dawn of 'talkies'; provides a clear guide to the basics of silent film technology; introduces the technical and creative roles involved in its production, and presents silent cinema as a performance event, rather than a passive viewing experience. This new, greatly expanded edition takes the reader on a new journey, exploring silent cinema in the broader context of technology, culture, and society, from the invention of celluloid film and its related machinery to film studios, laboratories, theatres and audiences. Among the people involved in the creation of a new art form were filmmakers, actors and writers, but also engineers, entrepreneurs, and projectionists. Their collective efforts, and the struggle to preserve their creative work by archives and museums, are interwoven in a compelling story covering three centuries of media history, from the magic lantern to the reinvention of silent cinema in digital form. The new edition also includes comprehensive resource information for the study, research, preservation and exhibition of silent cinema.

The 9.5mm Vintage Film Encyclopaedia Patrick Moules, 2020-07-28 Written in both English and French, The 9.5mm Vintage Film Encyclopaedia provides a single-volume, comprehensive catalogue of all known 9.5mm film releases, including:

Films: Comprising 12,460 individual entries, this A-Z reference index provides the main listing for each film and its origin where known, along with additional information including cast and crew, and cross references to other relevant material.

People: This index of all known actors and film crew, comprising over 12,000 names, provides a listing which is cross referenced to the main entry for each original film they worked on.

Numbers: Pathé-Baby/Pathéscope and other distributors' catalogue numbers, film length, release dates (where known) and the series in which the films were organised, are set out in detail. With a foreword from eminent film historian and filmmaker, Keith Brownlow, this extensively researched text explains the importance of the 9.5mm film, from its beginnings in the early 1920s to becoming synonymous with Home Cinema throughout Europe. Readers will also find a brief technical explanation on how 9.5mm films were produced, along with relevant images.
