

Como Se Hace La Nieve De Garrafa

Teodoro de Almeida

Apuntes para una historia del frío en España Fernando Beltrán Cortés, 1983

La tradición artesanal de Colima Victoria Novelo, 2005

La gastronomía en tiempos de Cervantes Julio Valles, 2017 En 'La gastronomía en tiempos de Cervantes', Julio Valles, ingeniero, investigador sobre cocina histórica y dos veces Premio Nacional de Gastronomía, aborda cómo eran la alimentación y las costumbres culinarias en la época de Cervantes, concediendo, asimismo, un espacio importante al vino, la bebida por antonomasia del Siglo de Oro. El autor toma como punto de partida la obra literaria de Cervantes y la de otros literatos coetáneos, desgranando documentos históricos, fragmentos literarios, recetas de cocineros famosos y facilitando un extenso glosario de casi 1.300 términos de productos, platos, utensilios, pesos y medidas, entre otras cosas.

Juegos y juguetes tradicionales en Jalisco Carlos Sandoval Linares, 2004

Zacatecas José Arturo Burciaga Campos, 2010

Guerras Floridas Ilde Salher, 2025-03-11 Sinopsis de Guerras Floridas: La vida de Hernán Mendoza transcurría de manera normal hasta que descubrió que era la reencarnación del dios Quetzalcóatl. Ese suceso lo adentró al mundo excepcional de los naualli, donde los dioses conviven armónicamente con los humanos. Sin embargo, tras los acontecimientos ocurridos en Templo Blanco, se dio cuenta de que fuerzas oscuras tratan de romper la armonía entre los dos mundos. Ahora, después de haber librado la batalla del pasado Equinoccio de Primavera, Q —como llaman sus amigos a Hernán—, se prepara para el evento más grande del Anáhuac: Las Guerras Floridas: una justa deportiva donde compiten los mejores dioses y naualli con el fin de poner en alto el nombre de sus respectivos campus. Pero la edición de este año será histórica, traerá consigo revelaciones inesperadas y, los rumores sobre los uláak, seres oscuros antediluvianos y enemigos de la humanidad, comienzan a volverse más reales. Guerras Floridas es la segunda entrega de la Trilogía «Tierra de Dioses». Acompaña a Hernán a conocer a otros seres mitológicos y culturas antiguas, ya no sólo de México, sino del resto del Anáhuac, donde Q deberá enfrentar nuevas aventuras, desafíos y peligros, que lo llevarán al límite de sus capacidades mágicas y divinas.

La vida española del siglo XVII.: Las bebidas Miguel Herrero García, 1933

Recreacion filosofica o dialogo sobre la filosofia natural para instruccion de personas curiosas que no han frecuentado las aulas Teodoro de Almeida, 1792

Recreacion filosófica, ó Diálogo sobre la filosofía natural Theodoro de Almeida,1792

Wad-allid-jara. El valle de la piedra Jorge A. M. Trujillo,2024-12-13 Tras la cancelación del Museo Guggenheim de Guadalajara, el arquitecto Abraham Villaseñor regresa a su casa decepcionado y abatido, sólo para darse cuenta de que las cosas van de mal en peor: su hija ha sido secuestrada. En su intento por recuperarla, el arquitecto se ve envuelto en un enigma relacionado con antiguas sociedades secretas diseminadas por la ciudad de Guadalajara. En su búsqueda, se encontrará con Minerva Mondarte, una misteriosa mujer que lo ayudará a resolver el intrincado enigma contenido en las edificaciones, templos, iglesias y arte urbano de la Perla Tapatía. Se dará cuenta de que diversos preceptos místicos y herméticos han jugado un importante papel en el diseño de la ciudad y sus alrededores. Jamás se hubiera imaginado que un secreto milenario estuviera a la vista de todos, oculto tras el velo de los símbolos. Nunca más volvería ver a su ciudad natal de la misma manera: la Ciudad de las Rosas está plagada de misterios que deberá descifrar si desea volver a ver a su hija.

Recreación filosófica o Diálogo sobre la filosofía natural .. Teodoro de Almeida,1786

A Story of Stories Cristina Devereaux Ramírez,2024-08-20 One afternoon in fall 2015 Cristina Devereaux Ramírez's mother called and, with a tone of urgency in her voice, asked her to come to the house and take a look at something she had discovered when she was sorting through boxes in the attic. When Ramírez arrived, she found her family sifting through papers in an old vegetable box, reading some of the more than 750 pages of Spanish language poems, short stories, fables, and dichos Ramírez's maternal grandmother, Ramona González, had written. Some pieces were works in progress, complete with word and phrase strikethroughs and handwritten notes in the margins, while others were neatly typed prose or what might have been final drafts. None of González's writings had seen the outside of that box for decades, at least since 1995 when the family matriarch passed away. González—or Doña Ramona, as she was often called—was born in 1906 in the El Paso border barrio of Chihuahuita, sometimes referred to as the Ellis Island of the Southwest. Her writing celebrates the rich Mexican American culture of Chihuahuita, a neighborhood the National Trust for Historic Preservation identified in 2016 as one of America's most endangered historic places. A mother, corner grocery store owner, published writer, and community activist, González was one of the few Tejanas profiled in Worthy Mothers of Texas, 1776–1976 A Story of Stories from a Texas Border Barrio, Ramírez chronicles the life of her abuela with the care of a granddaughter and, with the eye of a scholar, analyzes selections from González's work and its significance to El Paso history, Chicano literature, border barrio folklore, and cross-border civic movements in the mid-twentieth century.
