It could be anything from a degree in Gender Studies to something simple as a three-word campaign slogan, or even something as complicated as our nation's 6,550-page tax code. Political speeches, self-help books, marketing, press conferences, tax code, song lyrics, conspiracy theories, many college majors, Santa, the Tooth Fairy, the multi-billion-dollar diet industry, medicine, and even the Constitution of the United States itself are all some form of bullshit in one way or another.
