

Reflexion Sobre La Pelicula Revolucion El Cruce De Los Andes

L Manion

La escritura fílmica de la historia Mario Ranalletti, 2018 Este libro propone una serie de trabajos generados por especialistas en estudios sobre cine e historia. Este libro presenta como tesis central que las películas no compiten con el historiador sino que desafían sus métodos y conocimientos. Además las define como una muestra de cómo se piensa y representa el pasado en un determinado momento y en un contexto específico.
