Beyond Belief Cami Ostman, Susan Tive, 2013-04-02 *Beyond Belief* addresses what happens when women of extreme religions decide to walk away. Editors Susan Tive (a former Orthodox Jew) and Cami Ostman (a de-converted fundamentalist born-again Christian) have compiled a collection of powerful personal stories written by women of varying ages, races, and religious backgrounds who share one commonality: they've all experienced and rejected extreme religions. Covering a wide range of religious communities—including Evangelical, Catholic, Jewish, Mormon, Muslim, Calvinist, Moonie, and Jehovah's Witness—and containing contributions from authors like Julia Scheeres (Jesus Land), the stories in *Beyond Belief* reveal how these women became involved, what their lives were like, and why they came to the decision to eventually abandon their faiths. The authors shed a bright light on the rigid expectations and misogyny so often built into religious orthodoxy, yet they also explain the lure—why so many women are attracted to these lifestyles, what they find that's beautiful about living a religious life, and why leaving can be not only very difficult but also bittersweet.

C.S. Lewis: Latter Day Truths in Narnia Marianna Richardson, Christine Thackeray, 2023-02-02 C. S. Lewis was an accomplished scholar, writer, and Christian apologist. His incredible insights and wonderful stories have long been a favorite of the LDS community, and he has been referenced thousands of times throughout LDS writings. Even Shakespeare pales in comparison to the number of times C. S. Lewis has been quoted by Mormon authors, scholars, and General Authorities to illustrate doctrinal truths. Lewis had a knack of speaking for every man and gave us modern parables for Christian living. All can relate to his testimony of Christ and his practical understanding of how to put gospel teachings into practice today. *C. S. Lewis: Latter-day Truths in Narnia* explores Lewis's life, his writings, and his influence on LDS writers, scholars, and authorities. Lewis realized that life is more than what we see and deeper than what we feel. Whether or not you are familiar with Lewis's nonfiction works or his fictional characters, you will enjoy reading about his powerful testimony of Jesus Christ.

Living with LDS Alcoholics Memoirs by Trixie Neal, 2023-03-21 Trixie grew up as the oldest sibling in her family, active members of The Church of Jesus Christ of Latter-day Saints. Alcoholism was present but well-hidden throughout the early years of her life and beyond, with the kind of impact on family dynamics that have been documented repeatedly and featured in novels, biographies, and movies. The unique twist here is the prohibition against alcohol in the Church, which adds another level of complexity and healing to the recovery process. How safe is it for a family in distress to openly discuss the root cause of the problem in a faith that espouses abstention and has a shadow side of making judgments? Trixie's objective

in sharing her memoirs is to give others struggling with addiction consequences an enhanced hope through the Atonement of our Savior Jesus Christ.

Enduring a Crisis of Faith Rico Maranto, 2023-03-22 A crisis of faith may feel like the death of our testimony. But what if it is not the death of our testimony, but a rebirth of it? After a lifetime of being a devoted Latter-day Saint, Rico Maranto unexpectedly suffered a severe and devastating crisis of faith that plunged him into what he now calls the dark night of the soul. Overcome with doubt and uncertainty, he began to feel abandoned by God and all that He has taught. But through the years of his dark night, Rico transitioned from nearly losing his faith to rediscovering rebirth. Now Rico shares his story and explains how his crisis transformed him and entirely changed his perspective on faith. In this inspiring book, Rico reframes our perception of doubt and alleviates the shame and guilt that many feel when experiencing similar faith crises. With his loving understanding and knowledge gained as someone who has been through the storm and come out stronger than ever, you will discover the five stages of faith as a template for spiritual development. strategies and toolsets for enduring a crisis of faith. how to help others who are struggling with their own doubts. If you or a loved one are struggling with your faith, know that the dark night of the soul is not reason to despair; it is a divinely designed spiritual chrysalis intended to transform us into all the Lord needs us to become-the best version of ourselves.

Notes Made While Falling Jenn Ashworth, 2019-11-05 A genre-bending meditation on sickness, spirituality, creativity, and the redemptive powers of writing. *Notes Made While Falling* is both a genre-bending memoir and a cultural study of traumatized and sickened selves in fiction and film. It offers a fresh, visceral, and idiosyncratic perspective on creativity, spirituality, illness, and the limits of fiction itself. At its heart is a story of a disastrously traumatic childbirth, its long aftermath, and the out-of-time roots of both trauma and creativity in an extraordinary childhood. Moving from fairgrounds to Agatha Christie, from literary festivals to neuroscience and the Bible, from Chernobyl to King Lear, Ashworth takes us on a fantastic journey through familiar landscapes transformed through unexpected encounters and comic combinations. The everyday provides the ground for the macabre and the absurd, as the narration twists and stretches time. Hovering on the edge of madness, writing, it seems, might keep us sane—or might just allow us to keep on living. In *Notes Made While Falling*, Ashworth calls for a redefinition of the creative work of thinking, writing, teaching, and being, and she underlines the necessity of a fearlessly compassionate and empathic attention to vulnerability and fragility.
