Rachel Louise Snyder

Women We Buried, Women We Burned Rachel Louise Snyder, 2023-05-23 Winner of the Independent Publisher Book Award Kirkus Best Nonfiction of the Year “Snyder shows us how to summon the courage to imagine in a cruel and dangerous world. A beautiful book.” -Patrick Radden Keefe, New York Times bestselling author of *Rogues* and *Empire of Pain* “A gorgeous memoir that parses the patriarchy with an endearing frankness as fierce as it is, astonishingly, forgiving.” -Beth Macy, New York Times bestselling author of *Dopesick* and *Raising Lazarus* For decades, journalist Rachel Louise Snyder has been a fierce advocate reporting on the darkest social issues that impact women's lives. *Women We Buried, Women We Burned* is her own story. When eight-year-old Rachel's mother died, her distraught father thrust the family into extreme evangelicalism. After a childhood marked by silent rage, teenage Rachel became outwardly furious. She was expelled from school and home at age sixteen. Living out of her car and relying on strangers, Rachel found herself masquerading as an adult, talking her way into college, and eventually traveling the globe. Survival became her reporter's beat. In places like India, Tibet, Niger, and Cambodia, she witnessed those who had been through the unimaginable choosing hope over despair. She returned to the States more appreciative of complexity, more generous, and open to the healing that would come from a most unexpected place.

Reckoning V (formerly Eve Ensler), 2023-01-31 A Publishers Weekly Top 10 Memoir of the Season The work of a lifetime from the Tony Award-winning, bestselling author of *The Vagina Monologues*-political, personal, profound, and more than forty years in the making. The newest book from V (formerly Eve Ensler), *Reckoning* invites you to travel the journey of a writer's and activist's life and process over forty years, representing both the core of ideas that have become global movements and the methods through which V survived abuse and self-hatred. Seamlessly moving from the internal to the external, the personal to the political, *Reckoning* is a moving and inspiring work of prose, poetry, dreams, letters, and essays drawn from V's lifelong journals that takes readers from Berlin to Oklahoma to the Congo, from climate disaster, homelessness, and activism to family. Unflinching, intimate, introspective, courageous, *Reckoning* explores ways to create an unstoppable force for change, to love and survive love, to hold people and states accountable, to reckon with demons and honor the dead, to reclaim the body, and to see oneself as connected to a greater purpose. It reimagines what seems fixed and intractable, providing a path to understand one's unique experience as deeply rooted in the world, to break through

one's own boundaries, and to write oneself into freedom.

Madwoman Chelsea Bieker, 2024-09-03 "The rare kind of book that lives in your bones" (Ashley Audrain), this novel tells a gripping story of motherhood and motherloss and the brutal, mighty things women do to keep themselves and each other alive, marking Chelsea Bieker as a major fiction talent. Clove has gone to extremes to keep her past a secret. Thanks to her lies, she's landed the life of her dreams, complete with a safe husband and two adoring children who will never know the terror that was routine in her own childhood. If her buried anxiety threatens to breach the surface, Clove (if that is really her name) focuses on finding the right supplement, the right gratitude meditation. But when she receives a letter from a women's prison in California, her past comes screeching into the present, entangling her in a dangerous game with memory and the people she thought she had outrun. As we race between her precarious present-day life in Portland, Oregon and her childhood in a Waikiki high-rise with her mother and father, Clove is forced to finally unravel the defining day of her life. How did she survive that day, and what will it take to end the cycle of violence? Will the truth undo her, or could it ultimately save her? "[Bieker's] writing is raw, breathlessly confessional, brilliant in its depiction of the long shadows cast by domestic violence, the constant tension carried by survivors." - The New York Times Book Review "This book made me laugh and cry. It reads like a thriller and a love song. It's about being crushed and rising strong." - Cheryl Strayed

The Wives Simone Gorrindo, 2025-03-18 "[Simone] Gorrindo's prose is inviting and fluid, and her storytelling is intimate and vivid...[an] engaging, evocative memoir." —The New York Times Book Review "A hopeful, unifying memoir." —People

This profoundly intimate memoir about marriage, friendship, and the power of human connection tells the story of one woman's experience of joining a community of army wives after leaving her New York City job. When her new husband joins an elite Army unit, Simone Gorrindo is uprooted from New York City and dropped into Columbus, Georgia. With her husband frequently deployed, Simone is left to find her place in this new world, alone—until she meets the wives. Gorrindo gives us an intimate look into the inner lives of a remarkable group of women and a tender, unflinching portrait of a marriage. A love story, an unforgettable coming-of-age tale, and a bracing tour of the intractable divisions that plague our country today, *The Wives* offers a rare and powerful gift: a hopeful stitch in the fabric of a torn America.

What We've Lost Is Nothing Rachel Louise Snyder, 2014-01-21 Living on a suburban cul-de-sac positioned between extremely wealthy and impoverished neighbors, high school student Mary Elizabeth McPherson witnesses acts of violence and compassion that reverberate throughout her community in the wake of a string of burglaries.

The Secrets of Tintern Abbey Gordon Masters, 2008 For four hundred years, the Cistercian monks who inhabited Tintern Abbey toiled, prayed, and strived to fulfill their spiritual commitment to a monastic life. Those who joined the order anticipated a peaceful existence devoted to praising God. But medieval times were troubled times, and the abbey endured struggle along with serenity. Civil war, the Black Plague, and the English Reformation all took their toll. Would the monks' faith prove stronger than the hardships they faced?

Centuries of Genocide Samuel Totten, 2022-10-03 The new edition of this market-leading textbook includes a revised introduction and updated chapters with new research and insights. Four new case studies of twenty-first-century genocides bring this horrific history up to the present moment: the genocide perpetrated by the government during Argentina's Dirty War, the genocide of the Yazidis by the Islamic State of Iraq and Syria (ISIS), genocidal violence against the Rohingya in Myanmar, and China's genocide of the Uyghurs. Powerful survivor testimonies bring the essays to life and help readers grapple with the difficult lessons presented throughout the book.
