Annie Ernaux, Alison L. Strayer

The Years Annie Ernaux, 2017-11-21 WINNER OF THE 2022 NOBEL PRIZE IN LITERATURE One of the New York Times's 100 Best Books of the 21st Century Shortlisted for the 2019 Man Booker International Prize Considered by many to be the iconic French memoirist's defining work and a breakout bestseller when published in France in 2008 *The Years* is a personal narrative of the period 1941 to 2006 told through the lens of memory, impressions past and present—even projections into the future—photos, books, songs, radio, television and decades of advertising, headlines, contrasted with intimate conflicts and writing notes from 6 decades of diaries. Local dialect, words of the times, slogans, brands and names for the ever-proliferating objects, are given voice here. The voice we recognize as the author's continually dissolves and re-emerges. Ernaux makes the passage of time palpable. Time itself, inexorable, narrates its own course, consigning all other narrators to anonymity. A new kind of autobiography emerges, at once subjective and impersonal, private and collective. On its 2008 publication in France, *The Years* came as a surprise. Though Ernaux had for years been hailed as a beloved, bestselling and award-winning author, *The Years* was in many ways a departure: both an intimate memoir written by entire generations, and a story of generations telling a very personal story. Like the generation before hers, the narrator eschews the I for the we (or they, or one) as if collective life were inextricably intertwined with a private life that in her parents' generation ceased to exist. She writes of her parents' generation (and could be writing of her own book): From a common fund of hunger and fear, everything was told in the we and impersonal pronouns. Co-winner of the 2018 French-American Foundation Translation Prize in Nonfiction Winner of the 2017 Marguerite Yourcenar Prize for her entire body of work Winner of the 2016 Strega European Prize

A Frozen Woman Annie Ernaux, 2020-05-19 WINNER OF THE 2022 NOBEL PRIZE IN LITERATURE A Frozen Woman charts Ernaux's teenage awakening, and then the parallel progression of her desire to be desirable and her ambition to fulfill herself in her chosen profession - with the inevitable conflict between the two. And then she is 30 years old, a teacher married to an executive, mother of two infant sons. She looks after their nice apartment, raises her children. And yet, like millions of other women, she has felt her enthusiasm and curiosity, her strength and her happiness, slowly ebb under the weight of her daily routine. The very condition that everyone around her seems to consider normal and admirable for a woman is killing her. While each of Ernaux's books contain an autobiographical element, A Frozen Woman, one of Ernaux's early works, concentrates the spotlight piercingly on Annie herself. Mixing affection, rage and bitterness, A Frozen Woman shows us Ernaux's developing art when she still relied on traditional narrative, before the shortened form emerged that has since become her trademark.

The Other Girl Annie Ernaux, 2025-09-25 One Sunday in Yvetôt, August 1950. Annie is playing outside in the sun. Her mother steps out of the grocery to chat with a customer, a few metres from her. The two women's conversation is perfectly audible and the scraps of an unparalleled confidence are etched forever in Annie's memory. Before she was born, her parents had another daughter. She died at the age of six from diphtheria. Annie will never hear another word from her parents about this unknown sister, nor will she ever ask them a single question about her: their family unit has formed in the image of its vanished predecessor. In The Other Girl, brilliantly translated for the first time into English by Alison L. Strayer, Annie Ernaux explores the meaning of this family secret, and the insurmountable distance that separates the two sisters.

Do What They Say Or Else Annie Ernaux, 2022-10 Originally published in 1977, Do What They Say or Else tells the story of a fifteen-year-old girl named Anne who lives with her working-class parents in a small town in Normandy, France.

Exteriors Annie Ernaux, 1996-10-08 WINNER OF THE 2022 NOBEL PRIZE IN LITERATURE In this novel, which takes the form of journal entries made over the course of seven years, Annie Ernaux concentrates on the ephemeral encounters that take place just on the periphery of a person's lived environment. She captures the feeling of contemporary living on the outskirts of a great city: tortured, chaotic, lyrical, and powerfully alive. *Exteriors* is in many ways the most ecstatic of Ernaux's books--the first in which she appears largely free of the haunting personal relationships she has written about so powerfully elsewhere, and the first in which she is able to leave the past behind her.

Bourdieu and Literature John R. W. Speller, 2011 *Bourdieu and Literature* is a wide-ranging, rigorous and accessible introduction to the relationship between Pierre Bourdieu's work and literary studies. It provides a comprehensive overview and critical assessment of his contributions to literary theory and his thinking about authors and literary works. One of the foremost French intellectuals of the post-war era, Bourdieu has become a standard point of reference in the fields of anthropology, linguistics, art history, cultural studies, politics, and sociology, but his longstanding interest in literature has often been overlooked. This study explores the impact of literature on Bourdieu's intellectual itinerary, and how his literary understanding intersected with his sociological theory and thinking about cultural policy. This is the first full-length study of Bourdieu's work on literature in English, and it provides an invaluable resource for students and scholars of literary studies, cultural theory and sociology.

The Possession Annie Ernaux, 2011-01-04 WINNER OF THE 2022 NOBEL PRIZE IN LITERATURE Self-regard, in the works of Annie Ernaux, is always an excruciatingly painful and exact process. Here, she revisits the peculiar kind of self-fulfillment possible when we examine ourselves in the aftermath of a love affair, and sometimes, even, through the eyes of the lost beloved.

A Man's Place Annie Ernaux, 2012-05-29 WINNER OF THE 2022 NOBEL PRIZE IN LITERATURE A New York Times Notable Book Annie Ernaux's father died exactly two months after she passed her practical examination for a teaching certificate. Barely educated and valued since childhood strictly for his labor, Ernaux's father had grown into a hard, practical man who showed his family little affection. Narrating his slow ascent towards material comfort, Ernaux's cold observation reveals the shame that haunted her father throughout his life. She scrutinizes the importance he attributed to manners and language that came so unnaturally to him as he struggled to provide for his family with a grocery store and cafe in rural

France. Over the course of the book, Ernaux grows up to become the uncompromising observer now familiar to the world, while her father matures into old age with a staid appreciation for life as it is and for a daughter he cautiously, even reluctantly admires. *A Man's Place* is the companion book to her critically acclaimed memoir about her mother, *A Woman's Story*.

Understanding Annie Proulx Karen Lane Rood, 2001 In this study, independent scholar Rood introduces students and the interested reader to the writings of contemporary American writer Annie Proulx. Coverage includes a discussion of the major themes in Proulx's well-known novels such as *Postcards*, *Accordion Crimes*, and *The Shipping News* as well as three others. Rood also provides background information on Proulx's life and her development as a writer. c. Book News Inc.

Cleaned Out Annie Ernaux, 1996 *Cleaned Out* tells the story of Denise Lesur, a 20-year-old woman suffering the after-effects of a back-alley abortion. Alone in her college dorm room, Denise attempts to understand how her suffocating middle-class upbringing has brought her to such an awful present. Ernaux, one of France's most important contemporary writers, daringly breaks with formal French literary tradition in this moving novel about abortion, growing up, and coming to terms with one's childhood.

The Young Man Annie Ernaux, 2023-09-12 WINNER OF THE 2022 NOBEL PRIZE IN LITERATURE Annie Ernaux's most recent book, dazzling and breathtaking, published in France in 2022, is about her affair with a man 30 years her junior. "A sublime book." —Elle "Once again the work of the writer Annie Ernaux appears as both a rigorous study of life and an experiment. These fragments of living, however evanescent, are precious, irreplaceable, like a skin that never fades." —Caroline Montpetit in *Le Devoir* *The Young Man* is Annie Ernaux's account of her passionate love affair with A., a man some 30 years younger, when she was in her fifties. The relationship pulls her back to memories of her own youth and at the same time leaves her feeling ageless, outside of time— together with a sense that she is living her life backwards. Amidst talk of having a child together, she feels time running its course, and menopause approaching. *The Young Man* recalls Ernaux as the "scandalous girl" she once was, but is composed with the mastery and the self-assurance she has achieved across decades of writing. It was first published in France in 2022.

Shame Annie Ernaux, 2020-05-19 WINNER OF THE 2022 NOBEL PRIZE IN LITERATURE My father tried to kill my mother one Sunday in June, in the early afternoon, begins *Shame*, the probing story of the twelve-year-old girl who will become the author herself, and the single traumatic memory that will echo and resonate throughout her life. With the emotionally rich voice of great fiction and the diamond-sharp analytical eye of a scientist, Annie Ernaux provides a powerful reflection on experience and the power of violent memory to endure through time, to determine the course of a life.

A Woman's Story Annie Ernaux, 2003-08-05 WINNER OF THE 2022 NOBEL PRIZE IN LITERATURE A New York Times Notable Book A deeply affecting account of mothers and daughters, youth and age, and dreams and reality (Kirkus Reviews)

Upon her mother's death from Alzheimer's, Ernaux embarks on a daunting journey back through time, as she seeks to capture the real woman, the one who existed independently from me, born on the outskirts of a small Normandy town, and who died in the geriatric ward of a hospital in the suburbs of Paris. She explores the bond between mother and daughter, tenuous and unshakable at once, the alienating worlds that separate them, and the inescapable truth that we must lose the ones we love. In this quietly powerful tribute, Ernaux attempts to do her mother the greatest justice she can: to portray her as the individual she was. She writes, I believe I am writing about my mother because it is my turn to bring her into the world.

"I Remain in Darkness" Annie Ernaux, 2019-08-06 WINNER OF THE 2022 NOBEL PRIZE IN LITERATURE An extraordinary evocation of a grown daughter's attachment to her mother, and of both women's strength and resiliency. *I Remain in Darkness* recounts Annie's attempts first to help her mother recover from Alzheimer's disease, and then, when that proves futile, to bear witness to the older woman's gradual decline and her own experience as a daughter losing a beloved parent. *I Remain in Darkness* is a new high water mark for Ernaux, surging with raw emotional power and her sublime ability to use language to apprehend her own life's particular music. A Washington Post Top Memoir of 1999

Affaires de Famille Marie-Claire Barnet, Edward Welch, 2007 What are families like in contemporary France? And what begins to emerge when we consider them from the point of view of recent theoretical perspectives: (faulty) cohesion, (fake) coherence, (carefully planned or subversive) deconstruction, loss (of love, confidence or credibility), or, even (utter) chaos and (alarming) confusion? Which media revamp old stereotypes, generate alternative reinterpretations, and imply more ambiguous answers? ...]Uneasy contradictions and ambiguities emerge in this bilingual collection of approaches and genre studies. The family plot seems to thicken as family ties appear to loosen. Has the family' been lost from sight, or is it being reinvented in our collective imaginary? This book proposes a new series of perspectives and questions on an old and familiar' topic, exploring the state and status of the family in contemporary literature, culture, critical and psychoanalytic theory and sociology.
