Reality Creation Quotes: Create the Life You Love with These Powerful Reality Creation Quotes that Will Change Your Life! Monika Pavlickova, 2020-03-19 Create the Life You Love with These Powerful Reality Creation Quotes that Will Change Your Life! Dear Reader, my ex-boss was a short, blood-sucking vampire. His cold eyes and a steely glare that could kill a thing on the spot. Many believed that he has been possessed by demons and attending demonic sessions. When he asked you a question, he would move his head to one side and ask weird questions and shout and scream. I would work my ass off to get clients not only for me but also for his business. He always wanted more and more clients and increased business revenue without wanting to spend any of his dimes on marketing and advertising. On top of it, the receptionist did everything she could to repel any good client and kept offering them her own services. She was grimacing on virtually all clients. Despite all of this, I kept working hard, did cold calling every day and invested my own money on getting the leads and draining my savings account. I couldn't sleep at night from all the mental abuse and physical exhaustion. Also, at that time I was interested in a guy who promised me collaboration and promotion of my business. Of course, it didn't happen and worse than that, he chose to help a prostitute get some work and promotion. I had nobody to turn to so I turned to alcohol for help to soothe the pain. I went through a mental breakdown and wanted to commit suicide many times. I had no hope and didn't know how to get out the black magic possession. One morning when I woke up in pain and covered in blood and emotionally, spiritually and physically depleted with broken glass on the floor I knew something is gotta change NOW! I couldn't get up and passed out. I started to see the light at the end of the tunnel when I saw the flashing light of the ambulance. Who did that? I DID. Who does that? YOU DO. Up to your eyeballs in debt. Just to have your name on the business window. The SS spiritual guru had a diamond ring. I called it a blood diamond. Because I knew every bit of the blood, sweat, and tears it took to get new clients for the business. He would twist that ring around his finger the whole time he leered at me and talked down to you. I lived with my neck under the SS boss boot until the day I discovered and applied the secrets mentioned in this book and my other books REALITY CREATION SECRETS and SWITCHWORDS MIRACLES. Spending thousands of pounds on the law of attraction training and books did not work. Applying ancient knowledge from my books and choosing my own preferred reality did work. In 6 weeks I went from 15-2- leads per week to 50-100 per week. And I went from chasing and begging the clients to actually clients chasing and begging me to get an appointment. And from then my life has completely

changed because now I have multiple thriving online businesses and have a partner who adores me and is very proud of me. I went from 0 to hero within a few months just applying the simple wisdom and techniques mentioned in the amazing book. Your life can change to, it is just one decision away from you. This book of secrets is going to reveal to you ancient information about how to make things happen in your life the way you want to with simple and proven techniques and steps that work. My guarantee to You is that your life will never be the same after reading this book . Don't wait any longer and Kick-Ass In Your Life and In Business!

**Into the Maelstrom** Gordon Cappelletty, 2022-07-29 From the crisis of birth to the crisis of death, each person's life is defined by the crises experienced and the ways in which the resulting chaos is resolved. As universally experienced events, our personal identities are influenced by the past crises that mold and shape our view of ourselves and our relationships with others. Chaos, as the inevitable result of the crisis state, allows us to see our lives in new and unique ways unbounded by our past limitations. While some individuals exit the maelstrom of a crisis with apparent ease, other individuals seem to live in the chaos of perpetual crisis never fully exiting the whirlpool of emotions and never fully experiencing the calm after the multiple storms that seem to continually confront them. Written jointly by a clinical psychologist (Cappelletty) and an ethical philosopher (Màdera), this book will help both the individuals facing a crisis as well as those who wish to help them resolve the crisis and move forward. Based on psychological, medical and philosophical research and practice, this examination of crisis and chaos will help the suffering person in love and life.

**The Art of You** James McCrae, 2024-02-06 "The Art of You offers great insights and steps on how to cultivate creativity. This is essential reading for anyone looking to share their unique experience, to foster deep connections, and to inspire others." —Yung Pueblo, #1 New York Times bestselling author From conscious creativity leader James McCrae comes a guide to reclaim creativity as a sacred path to healing, awaken your sense of wonder, execute your craft, and reclaim the artist within. Creativity is not a rare skill to be accessed by a privileged few. It is your nature, a sacred practice that awakens your inner child and offers medicine to the soul. Sometimes we become disconnected from this inner magic, but The Art of You unlocks the secrets of the creative process. Whatever form your art takes—writing, painting, music, business,

performance, marketing, technology, or social media content—this guide will help you actualize your unique higher purpose, turn your imagination into reality, and transform both yourself and the world around you. The Art of You is centered around “the yin and yang of creativity,” a signature framework for understanding and mastering the creative process. Inspired by the ancient practice of Taoism, yin and yang represent equal and opposite universal energies: stillness and action, the inner world and the outer world. Presented in an engaging visual style with word art, poems, memes, illustrations, and rituals, The Art of You is designed to help you find creative alignment, purpose, and flow. The first half is yin (creative BEING), which focuses on topics like cultivating intuition, the power of imagination, learning from creative guides, and transmuting emotion into inspiration. The second half is yang (creative DOING), which focuses on developing your craft, finding your unique style, launching projects, growing an audience, and practicing creativity for social impact. In a world of increasing uncertainty, creativity is more important than ever. “Art is alchemy,” James McCrae says. “It transmutes pain into beauty. When we create art, we open a tiny portal to the soul that brings light to a world of darkness. In doing so, we give others permission to do the same.” At its core, creativity isn’t only about making art. It’s about being an independent thinker. You don’t need tremendous talent; you just need the courage to question conventional wisdom and trust your creative nature. It’s time to share your vision with the world.
