**When You Don't Like Your Story** Sharon Jaynes, 2021-01-26 Bestselling author, cofounder of Girlfriends in God, and writer for Proverbs 31 Ministries Sharon Jaynes reveals the secret to living a better story: understanding that the worst parts of our past are the very things God uses most. Many people don't like the story God is writing in their lives. The mistakes, failures, tragedies, and circumstances outside of our control linger in our minds and hold us back. How do we come to grips with the pieces of our stories that we wish weren't there? How do we silence the pain of what has been done to us and the shame of what we've allowed to be done through us? In *When You Don't Like Your Story*, Bible teacher Sharon Jaynes shows us how God untangles our most painful emotions with the fingers of grace, putting his redemption on display. In the hardest parts of our narratives, we get to see God's greatest work--and this changes the ending of our stories. As we overcome shame, offer forgiveness, and use our stories to help others, we find freedom from the past and learn to live in the restoration of the present.

Renewed - Women's Bible Study Participant Workbook with Leader Helps Heather M. Dixon, 2020-09-01 Lessons from Naomi in the Book of Ruth. Few things make us feel as helpless as living with a story we don't like. Maybe one that involves the loss of a loved one, an unwanted transition, a difficult diagnosis, or a dream that fell through. At one time or another, we all deal with disappointments and feelings that life is unfair or that we are being punished. In *Renewed*, a four-week study of the Book of Ruth, women glean wisdom from Naomi's perspective, a woman who lived a story she didn't choose or like. Forced to chart a new path as she mourned the loss of her husband and two sons, Naomi learned that the journey from bitterness to renewed hope and joy was rooted in God's promise of redemption. With insight from her own journey of living with a story that is not easy, Heather teaches women to flourish even as they live hard stories through a willingness to trust that God can transform them and trade their heartache for hope. They will learn to rely on God's movement in the details of their story, even when it can't be seen, gain confidence to act in the part of their stories that they can change, and watch expectantly for God to redeem the parts they can't. Components for this four-week Bible study, available separately, include a Participant Workbook with Leader Helps and a DVD with four 20 to 25-minute segments (with closed captioning).

**Recovering Your Story** Arnold Weinstein, 2007-12-18 "Great art discovers for us who we are," writes eminent literature professor and critic Arnold Weinstein in this magisterial new book about how we can better uncover and understand our own stories by reading five major modern writers. Professor Weinstein, author of the highly acclaimed *A Scream Goes Through the House*, has spent a lifetime guiding students through the work of great writers, and in a volume that crowns his career, Weinstein invites us to discover ourselves—our perceptions, our dreams, our own elusive, deepest stories—in the masterpieces of modernist fiction. Marcel Proust, James Joyce, Virginia Woolf, William Faulkner: the very names sound intimidating. Yet as Weinstein argues with wit and passion, the works of these authors, and of their contemporary heir Toni Morrison, are in fact shimmering mirrors of our own inner world and most intimate thoughts. Novels such as *Remembrance of Things Past*, *Ulysses*, *Mrs. Dalloway*, *To the Lighthouse*, *The Sound and the Fury*, *Absalom, Absalom!*, and *Beloved* allow us to explore the inner worlds of human feeling and bring us face-to-face with our own deepest selves and desires. Weinstein decodes these great novels, and he shows how to read them to understand human beings—the way our minds and hearts actually work. This is what Weinstein means by "recovering your story." Weinstein illuminates the complex pleasures woven into these peerless narratives. Beneath the slow, sensual cadences of Proust he finds an edgy erotic tension as well as a remarkably crisp depiction of the timeless world inside the self. Joyce's *Ulysses*, in Weinstein's brilliantly original reading, is a protean linguistic experiment that forces us to view both our bodies and our minds in a radically new—and hilariously funny—light. His analysis of Virginia Woolf's *Mrs. Dalloway* and *To the Lighthouse* circles back again and again on Woolf's depiction of the importance of relationships in knowing the self. Faulkner, argues Weinstein, is at once our greatest tragedian and our darkest comedian, a novelist who captures both the agony and absurdity of consciousness in a time of social and moral disintegration. Finally, in Toni Morrison's *Beloved*, Weinstein explores the legacy of modernism in a contemporary novel, as Morrison brings the body into the literary picture, confronting how the body affects not only our fundamental concept of self, but also consciousness itself. In this magnificent work of literary appreciation and exploration, Weinstein makes the astonishing discovery of the self as a part of the joy of reading great modernist fiction, even as he makes these powerful works understandable, accessible, indeed imperative for all adventurous readers.
